Lay My Guitar Down Gently Bobby of the Teemates, 2011-05-16 A RECOVERY HISTORY AND ROCK N ROLL BOOK ALL ROLLED INTO ONE It just may just be the Book Baby boomers have been waiting for. This self published semi Historical/ Biography contains elements of the past Sixty years many will feel has taken them back in time. It is the story of a impoverished child who finds Rock n Roll at the age of 14 in 1955. Six years later he is at the height of the Sixties Music Scene on the East Coast. As a Rock n Roll Musician in those years he discovers the true psychic nature of the stirrings of his soul during a stay in the legendary Greenwich Village of the early Sixties. While there he becomes familiar with all the soon to be legends including Bob Dylan. One year later he associates with other soon to be legends including Jimi James Hendrix, The Animals while backing up some of the largest recording acts in the world including Jerry Lee Lewis, The Ronnettes, Shangri-Las- Others. His band the Teemates were the FIRST and foremost exact look and sound alike of the Beatles and the electrifying performances drew huge numbers of screaming girls at their Concerts Soon he and his band are the House band for the legendary Sixties Disc Jockey Scot Muni at Scots entry into the Nightclub business which opened in 1965 called The Rolling Stone Disco. From there the band became the Matinee House band at the legendary Big Band Dixie land nightclub on Broadway called The Metropole Cafe. Within months an LP is released (Which is still in demand today) Sadly he also

discovers that with all of its pomp and glory being a musician in those days the subtle risks involved carry a deadly trait as well. Within the rapidly passing years of time his addiction to alcohol soon took its toll until he no longer had any idea of who he was or where to go. But he did find recovery from his addictions. Only to realize that years would be required to undo the damage of a severely damaged emotional state of being. In summary a great many will discover his experience of repairing that damage is available for anyone willing to follow his lead.

Crown Of My Enemy T.A. Benton, 2024-04-08 A Queen bows for no man—not even a King. Devany has lived her whole life knowing she was her mother's revenge and father's greatest fear. A wolf in sheep's clothing, lurking in the shadows. Her kingdom is desolate and barren, destroyed by her father's greed and prejudice. Within the confines of her mother's plan, she works to bring her father to his knees. Until Asher of Draic rips her from her home and those she is so desperate to protect. Devany is nothing more than a pretty pawn to be used as Asher sees fit... A means to an end. Their marriage will establish him as a powerhouse in the impending war. And make no mistake—war is coming. Their enemies have licked their wounds and now they are closing in. He marches into enemy territory and walks out with the one thing they can't afford to lose. The one thing he's coveted for longer than he cares to admit. Her. But she is so much more than he ever could have dreamt, and wanting her was never part of the plan. Please check website for TWs

Her unusual childlike perspective & exuberant enthusiasm make this book a glorious celebration of the city that never sleeps. The sumptuous paintings & elaborate detail bring the city to life, as a young girl takes readers on a pictorial tour of her favorite places -- from the Empire State Building to the Apollo Theater in Harlem. We meet her favorite animals at the Central Park Zoo, experience Chinatown at night, visit the Museum of Natural History, & watch the Christmas tree at Rockefeller Center go up! There are unforgettable holiday scenes, with 23 paintings, & foldout scenes, & a free holiday card! Dramatic foldout pages, a map of all the sights, plus fun facts & reader challenges.

New York Sarah M. Henry,Museum of the City of New York,2014-11 Few cities

make your heart race faster just by standing on their streets, but New York exerts an influence that stretches far beyond the city's limits. *New York: The Story of a Great City* tells concisely and entertainingly how the city developed from the land inhabited by the Lenape people to the great metropolis it is today. Organized both thematically and chronologically, the book brings the city's history to life. The book contains stunning images as well as documents printed on the page including - diary extracts, immigration papers, maps, newspaper clippings, playbills, letters and posters. All go to highlight the ups and downs of the city's past. As Agatha Christie once said, It is ridiculous to set a detective story in New York City, New York City is itself a detective story. Now the reader can discover that story in the comfort of his or her own armchair.

The Complete Guide to Purchasing a Condo, Townhouse, Or Apartment Susan Smith Alvis,2007 Offers a complete overview of these special, usually smaller, residences. It points out dozens of hints and suggestion as to what

to look for as well as demonstrating the many mistakes common with these types of investments. You will learn how to find the best opportunities, to negotiate, finance, budget, handle pre-construction issues, set values, and make the offer. You will be able to define what you are buying (and what you are not) issues on your right to sell, lease, or mortgage. You will be prepared for restrictions pertaining to children, pets, parking, vehicles, boats, music, maintenance of windows, doors, screens, air conditioners, plumbing, club memberships, recreation facility leases, use of recreational facilities, and common areas. In addition, you will learn the advantages of using credit reports, home warranties, insurance, creative financing, closing procedures, moving plans, closing and settlement inspections, and certain legal contracts. You will have instruction in obtaining mortgages -- which government agencies can help, considerations for veterans, IRA use, hiring an attorney, calculating monthly payments, and establishing an escrow account. The real estate and mortgage glossaries alone are invaluable resources, even for the 'old hand' at property acquisition.
