My Pantry Alice Waters, Fanny Singer, 2015-09-15 In this collection of essays and recipes, Alice Waters showcases the simple building-block ingredients she uses to create gratifying, impromptu meals all year long. In her most intimate and compelling cookbook yet, Alice invites readers to step not into the kitchen at Chez Panisse, but into her own, sharing how she shops, stores, and prepares the pantry staples and preserves that form the core of her daily meals. Ranging from essentials like homemade chicken stock, red wine vinegar, and tomato sauce to the unique artisanal provisions that embody Alice's unadorned yet delightful cooking style, she shows how she injects even simple meals with nuanced flavor and seasonal touches year-round. From fresh cheeses to quick pickles to sweets and spirits, these often-used ingredients are, as she explains, the key to kitchen spontaneity when combined with simple grains, vegetables, and other staple items. With charming pen-and-ink illustrations by her daughter, Fanny and Alice's warm, inviting tone, the latest book from our most influential proponent of simple, organic cooking ensures a gracious, healthy meal is always within reach.

My Perfect Pantry Geoffrey Zakarian, Amy Stevenson, Margaret Zakarian, 2014-10-07 Chef, restaurateur, and Food Network Iron Chef Geoffrey Zakarian shows you how to use your pantry to jumpstart any meal. Forget exotic condiments and specialty foods. With a working base of 50 readily available ingredients, from oats and honey to almonds and canned chickpeas, you will always have the makings of a delicious home-cooked meal. Whether cooking in his world-class restaurants, on Iron Chef, or judging the offerings on Chopped, Geoffrey knows every great meal starts with a trip to the pantry first for inspiration. And when you bring home your fresh produce and proteins, you'll have 150 recipes at the ready, and many of these can be made with pantry ingredients alone. You'll see a simple can of beans as a Smoky Black Bean Bisque or coconut milk as Spicy Coconut Tempura Shrimp. Standard back-of-the-cupboard fare like almonds become crispy crust on a broiled pork chop; peanut butter lends itself beautifully to a spicy slaw, cider vinegar gives great flavor to a chicken main as well as to donuts, and mustard transforms a pot roast. Throughout, you'll find quick but ingenious tips for each of the 50 ingredients, like how to use Earl Grey teabags to infuse ice cubes or a syrup for French toast. The Perfect Pantry makes it so easy for your everyday staples to lead, rather than support, the creation of extraordinary meals. Geoffrey gives you the shopping list you need, as well as the road map for making the most of what you have on hand.

The Homemade Pantry Alana Chernila, 2012-04-03 "This is my kitchen. Come on in, but be prepared—it might not be quite what you expect. There is flour on the counter, oats that overflowed onto the floor, chocolate-encrusted spoons in the sink. There is Joey, the husband, exhausted by the thirty-five preschoolers who were hanging on him all day, and he is stuffing granola into his mouth to ease his five o'clock starvation. There are two little girls trying to show me cartwheels in that miniscule space between the refrigerator and the counter where I really need to be." In her debut cookbook, Alana Chernila inspires you to step inside your kitchen, take a look around, and change the way you relate to food. The Homemade Pantry was born of a tight budget, Alana's love for sharing recipes with her farmers' market customers, and a desire to enjoy a happy cooking and eating life with her young family. On a mission to kick their packaged-food habit, she learned that with a little determination, anything she could buy at the store could be made in her kitchen, and her homemade

versions were more satisfying, easier to make than she expected, and tastier. Here are her very approachable recipes for 101 everyday staples, organized by supermarket aisle—from crackers to cheese, pesto to sauerkraut, and mayonnaise to toaster pastries. The Homemade Pantry is a celebration of food made by hand—warm mozzarella that is stretched, thick lasagna noodles rolled from flour and egg, fresh tomato sauce that bubbles on the stove. Whether you are trying a recipe for butter, potato chips, spice mixes, or ketchup, you will discover the magic and thrill that comes with the homemade pantry. Alana captures the humor and messiness of everyday family life, too. A true friend to the home cook, she shares her “tense moments” to help you get through your own. With stories offering patient, humble advice, tips for storing the homemade foods, and rich four-color photography throughout, The Homemade Pantry will quickly become the go-to source for how to make delicious staples in your home kitchen.
