Robert R. Redfield

My Prayer Book Concordia Publishing House, Scot A. Kinnaman, 2021 Since 1957, My Prayer Book has been a valuable companion for Christians who find it difficult to express what is in their hearts as they face both joys and sorrows. This updated edition will include new occasional prayers as well as revisions to the original prayers that will bring them into alignment with today's language and culture. To distinguish this title from Lutheran Book of Prayer, this revision will ensure the prayers are more personal and less institutional (e.g., omitting prayers for feasts and festivals) so the market sees the advantage of having both--

Have Your Way, Lord Cordia Novell, 2009-09 Does prayer in faith have the power to move mountains? God is in control of everything, whether we believe in Him or not. Praying to our Creator to be loved, changed, helped and used, is not usually our first effort at problem solving. We seek many other avenues from many other sources before we approach God in prayer. However, in these trying times, we are all being forced to cry out to God and beg for mercy, for one reason or another. Often, the most desperate prayer comes from one who has simply reached the end of the rope after trying everything else. We must seek first the One who alone has the power to change things and help us move mountains. As we accept that we do not control the beginning or ending of our lives, we must realize we really have no control at all. I discovered that to pray without ceasing means just that. Fall on your knees in humble submission to God every day if possible, or whisper softly to the Father, in the name of Jesus, every moment that you live. He is listening and He cares. He'll give you the love you need at that moment. He'll change your circumstances supernaturally. He'll help you through your hour of need. He'll use you to glorify Himself to others. I hope this volume helps those searching for words to say in prayer. God created you, and He knows you well. When you believe with all your heart in exactly who He is, you realize He's right there with you, all the time, just waiting for you to ask for assistance.

I Am My Prayer Paul J. Citrin, 2021-03-24 *I Am My Prayer* is a memoir of the author's public and private prayer experience. It is also a guide and explanation of key elements of public Jewish Services. The book familiarizes readers with the use of prayer metaphors, questions about God, the importance of communal prayer, ethical values expressed in the liturgy, and consideration of creative liturgy. While the context of the book is Jewish, it has a universal message to anyone who struggles with prayer, and who seeks to be comfortable and fulfilled in a service. The discussions in these pages draw upon biblical and rabbinic texts, kabbalistic tradition, and upon modern philosophers and contemporary writers. This volume will be useful to individual seekers and for classes on prayer and liturgy.

Threading My Prayer Rug Sabeeha Rehman, 2016-06-14 SHORTLISTED FOR THE WILLIAM SAROYAN INTERNATIONAL PRIZE FOR WRITING. ONE OF BOOKLIST'S TOP TEN RELIGION AND SPIRITUALITY BOOKS. ONE OF BOOKLIST'S TOP TEN DIVERSE NONFICTION BOOKS. Honorable Mention in the San Francisco Book Festival Awards, Spiritual Category A 2019 United Methodist Women Reading Program Selection This enthralling story of the making of an American is a timely meditation on being Muslim in America today. *Threading My Prayer Rug* is a richly textured reflection. It is also the

luminous story of many journeys: from Pakistan to the United States in an arranged marriage that becomes a love match lasting forty-five years; from secular Muslim in an Islamic society to devout Muslim in a society ignorant of Islam, and from liberal to conservative to American Muslim; from bride to mother; and from an immigrant intending to stay two years to an American citizen, business executive, grandmother, and tireless advocate for interfaith understanding. Beginning with a sweetly funny, moving account of her arranged marriage, the author undercuts stereotypes and offers the refreshing view of an American life through Muslim eyes. Sabeeha was doing interfaith work for Imam Feisal A. Rauf, the driving force behind the Muslim community center near Ground Zero, when the backlash began. She recounts what that experience revealed about American society and in a new preface discusses Islam in America in the time of Trump.
