The Friendship Project Michele Faehnle, Emily Jaminet, 2017-09-22 Michele Faehnle and Emily Jaminet are busy wives, mothers, and volunteers. They are also friends, Catholic speakers, and the dedicated coauthors of *Divine Mercy for Moms*, which continues to inspire women to come together to pray, study, and live in friendship around the Divine Mercy devotion. In the midst of their active lives, Faehnle and Jaminet found themselves missing their old friends and searching for new ones. They also realized that they needed to continually work to develop deep, meaningful relationships that would allow them to be themselves, to care for others and be cared for, and to deepen their Catholic faith. In *The Friendship Project*, Faehnle and Jaminet explore the cardinal and theological virtues with an eye toward friendship. Focusing on faith, hope, love, prudence, gratitude, loyalty, generosity, and prayerfulness, they help us answer questions such as, "What does it mean to be women of hope, and how does that change our lives and make us more compassionate friends during difficult times?" and "How does prayerfulness teach us how to listen to and talk with both God and our friends, which helps us reach out to those we love?" Faehnle and Jaminet answer these questions and more by employing Church teaching and telling us stories of their own friendships and those from the lives of saints and biblical women—including the Blessed Virgin Mary and St. Elizabeth, St. Thérèse of Lisieux and her sister Servant of God Léonie, and Sts. Perpetua and Felicity. Not only will you be drawn closer to friends both new and old but you'll also be reminded how these friendships—and the virtues you practice to nurture them—draw you closer to God. Prayers, discussion questions, and a study guide make this a perfect resource for women's groups

Orangutans My Cousins, My Friends Leif Cocks, 2016-10-20 For almost 3 decades Leif Cocks has tirelessly worked for orangutans to improve their welfare in captivity and ensure their ongoing survival in the wild. As an author, speaker and founder of the international charity, The Orangutan Project, he is recognised globally as an expert in his chosen field. In his latest book, *Orangutans. My Cousins, My Friends* he shares with us the fascinating inside story of his personal journey, a journey which ultimately lead him to dedicate his life to the care and conservation of all orangutans and their natural habitats. Combined with his personal insights he shares the captivating and sometimes challenging stories of the many orangutans he was worked for over the years. And perhaps, most importantly, he explains the key philosophies underpinning the work of his organisation, The Orangutan Project, and outlines the fundamental shifts in thinking and behaviour that we, as humans, must make if we are to avoid the imminent extinction of our majestic orange cousins. Part memoir, part philosophical discussion, part scientific case for conservation and 100% a call to action for all who wish to help save the orangutan, Leif's book will inspire, inform and touch hearts.... And it may just change the way you see and act in the world forever. --Website.

Lewis, 2016-12-06 "Brilliant. . . . Lewis has given us a spectacular account of two great men who faced up to uncertainty and the limits of human reason." –William Easterly, Wall Street Journal Forty years ago, Israeli psychologists Daniel Kahneman and Amos Tversky wrote a series of breathtakingly original papers that invented the field of behavioral economics. One of the greatest partnerships in the history of science, Kahneman and Tversky's extraordinary friendship incited a revolution in Big Data studies, advanced evidence-based medicine, led to a new approach to government regulation, and made much of Michael Lewis's own work possible. In *The Undoing Project*, Lewis shows how their Nobel Prize-winning theory of the mind altered our perception of reality.

Divine Mercy for Moms Michele Faehnle, Emily Jaminet, 2016-02-19 Originating in the early twentieth century, the Divine Mercy devotion of St. Faustina Kowalska is one of the most celebrated of all Catholic devotions. In this, their first book, Catholic bloggers and speakers Michele Faehnle and Emily Jaminet break open the history, practices, and prayers associated with the devotion, guiding busy moms to receive God's message of Divine Mercy and pass it on to others through their words, deeds, and prayers. In her famous *Diary: Divine Mercy in My Soul*, St. Faustina Kowalska recorded a series of visions of Jesus where he revealed the Chaplet of Divine Mercy and promised that anything can be obtained with the prayer if it is compatible with his will. St. John Paul II formally established the Divine Mercy devotion and canonized Faustina in 2000. The Marians of the Immaculate Conception are dedicated to spreading the Divine Mercy devotion the foreword for this book was written by Fr. Michael E. Gaitley, MIC, author of *Divine Mercy Explained* and *33 Days to Morning Glory*. In *Divine Mercy for Moms*, Michele Faehnle and Emily Jaminet of

the Columbus Catholic Women's Conference—one of the largest annual Catholic women's conferences in the country—draw upon their own experiences to introduce you to St. Faustina and her five essential elements of the Divine Mercy message: The image of the Merciful Jesus The Feast of Divine Mercy The Chaplet of Divine Mercy The House of Mercy Spreading the honor of Divine Mercy With heartwarming stories and practical advice, this book reveals that mercy is not just a gift to be received in the confessional but a spiritual resource that strengthens those who extend themselves in word, deed, and prayer. Designed for personal or group study, Divine Mercy for Moms celebrates the infinite mercy of God and the role of Mary, the Mother of Mercy, in the lives of all believers. Divine Mercy for Moms was the winner of a 2017 Catholic Press Association Book Award: Family Life (Third Place).

The First to Cry Down Injustice? Eisenberg, 1955-01-01 The First to Cry Down Injustice explores the range of responses from Jews in the Pacific West to the removal and incarceration of Japanese Americans during WWII. While it is often assumed that American Jews—because of a commitment to fighting prejudice—would have taken a position against this discriminatory policy, the treatment of Japanese Americans was largely ignored by national Jewish groups and liberal groups. For those on the West Coast, however, proximity to the evacuation made it difficult to ignore. Conflicting impulses on the issue—the desire to speak out against discrimination on the one hand, but to support a critical wartime policy on the other—led most western Jewish organizations and community newspapers to remain tensely silent. Some Jewish leaders did speak out against the policy because of personal relationships with Japanese Americans and political convictions. Yet a leading California Jewish organization made a significant contribution to propaganda in favor of mass removal. Eisenberg places these varied responses into the larger context of the western ethnic landscape and argues that they were linked to, and help to illuminate, the identity of western Jews both as westerners and as Jews.

How to Drink Like a Mobster Albert W. A. Schmid, 2018-09-01 From John Dillinger's Gin Fizz to Al Capone's Templeton Rye, mobsters loved their liquor—as well as the millions that bootlegging and speakeasies made them during the Prohibition. In a time when any giggle juice could land you in the hoosegow, mobsters had their own ways of making sure the gin mill never ran dry and the drinks kept flowing. And big screen blockbusters like The Godfather, GoodFellas, and Scarface and small screen hits like The Sopranos and Boardwalk Empire ensure that our obsession with mobsters won't run dry, either. Mixology expert Albert W. A. Schmid shows how you can recreate the allure of the gangster bar life with step-by-step instructions on how to set up the best Prohibition-style bar and pour the drinks to match. Recipes include mob favorites like the Machete, the Paralyzer, Greyhound (Salty Dog), Say Hello to My Little Friend, and Angel Face, as well as classics like the Gimlet, Kamikaze, and Bee's Knees. How to Drink Like a Mobster also includes profiles of the most notorious mobsters' connections to the booze business, along with tips to stay under the radar in any speakeasy: always have at least one or more aliases ready, pay with cash, don't draw attention to yourself, and in the case of a raid, drink the evidence as fast as you can!

He is a bookworm, introvert, a bit of an alcoholic who is quite reserved. He never says I don't know or I am sorry. It was my fault. However, he is invariably negative. It was destiny that kindled their friendship from school to the active days of engineering. Their paths separate when they plan for their Master's. They drift apart until finally, they're just another contact name on their phonebook. Fortunately, destiny paves the way for them to meet again through Varsha and Megha—two sisters who enter their lives and love begins to blossom. But who loves whom? Who will sacrifice for whom? Will there be a happy ending? Will their Friendship Last Forever? Join their journey and take a walk down the memory lane!
