Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of

humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

I Have a Dream Too Alfred L. Coleman, 2009-06-01
I was motivated to prepare my resume when I was fired from my job as a data processing clerk due to the fact that I had a criminal background. For the same reason, locating meaningful employment has been difficult despite years of education and work experience. I have invested many years allowing God to change my life from the drug-addicted kleptomaniac and the homeless imbecile I was in order to become the new man in Christ Jesus I am today. Because of that job, I had achieved a sense of contributing to society as an honest and hard-working American rather than depriving it as a sinner. *I Have a Dream Too: My Resume* is an entertaining and informative narrative that travels back in time to discover the beauty and the tragedy of a promising past that led to a failed future. It gives hope to those who have lost hope and compels the corporate world to look upon the hearts of men and women (like myself) who have made mistakes in life and have changed their lives for the better. Like the Rev. Dr. Martin

Luther King Jr., I wish to share my dream of revival for today's troubled communities. When I began to prepare my resume, I was able to think of a lot of good things I could say about myself. But there are other aspects of my past and characteristics that to the employer don't paint quite a pretty picture. Nevertheless, this is My Resume. The whole story.
