**Breast Cancer? Let Me Check My Schedule!** Peggy

Mccarthy,2019-03-13 They come from different backgrounds and from professions as varied as medicine, education, and entertainment, but these ten women share one thing in common: They all have breast cancer. This book describes their experiences, exploring their initial fear, rage, and uncertainty, and reveals how each eventually coped, in her own way, with her diagnosis

**Change Your Schedule, Change Your Life** Dr. Suhas

Kshirsagar,Michelle D. Seaton,2018-01-30 An eye-opening handbook from a leading Ayurvedic physician that blends cutting-edge science on clock genes with ancient eastern wisdom to help us understand how to harness the power of chronobiology to effortlessly lose weight, sleep better, exercise stronger, reduce stress, and boost our wellbeing. It's not you, it's your schedule. Does it sound like magic? It's not. We've all heard of circadian rhythms—those biological processes that give us jet lag and make us night owls or early birds. But few of us know just how profoundly these diurnal patterns affect our overall health. Bad habits like skipping meals, squeezing in workouts when it's convenient, working late into the night to maximize productivity and then trying to catch up on sleep during the weekend disrupt our natural cycles. A growing body of research on chronobiology reveals just how sensitive the human body is to these rhythms all the way down to the genetic level. Our clock genes control more than we realize, and small changes can make the difference between battling our bodies, and effortlessly managing weight, sleep, stress, inflammation, and more. Marrying ancient Ayurvedic wisdom with the latest scientific research, Dr. Suhas Kshirsagar's holistic step-by-step 30-day plan gives you the tools—and the schedule—you need to transform your life. With diagnostic quizzes to determine your specific mind-body type, you will learn to adapt you schedule for effortless wellness for life.

**My Train is On Schedule** Marquez Price,2021-08-04 My Train is On Schedule offers the speaker in a vulnerable and straightforward way; he shows how romantic, family, political, and spiritual worlds change him as he is changed. The poems have an authority-a kind of wisdom- and I get the sense of who the writer is and what's at stake for him in the poems. The potency of the poems' handling of identity is especially interesting and important. Sean Singer, Editor

**How to Put Your Kids on A Schedule** Lorelei Burk,2023-06-26 When Lorelei Burk adopted her twins when they were just a few days old, she only had 9 days to prepare to bring her babies home from the hospital. She had to learn quick how to put her babies on a schedule to survive. Whether you are a parent of one child or multiples, this book will teach you how to put your baby or toddler on a feeding and sleeping schedule. She will explain the rules of attachment, give advice on sleep training, how to do time ins instead of time outs, how to be prepared for hospital emergencies, how to deal with the big emotions of toddlers, how to survive the holidays and travelling and how to color code everything. She will also give you advice on how to get your child

working in film and television. This book is for all parents who are trying to make their days more manageable and would rather have them filled with wonderful, positive memories instead of melt downs and tantrums. With a schedule you can learn how to anticipate your child's needs and be proactive which results in children who are happier, calmer, well behaved, and have no trouble with transitioning to different activities throughout the day. If you are looking for some hot tips, a bit of advice and a few laughs, this is a fantastic survival guide that is a fast read that will hopefully make your most important job in the world of parenting a little bit easier.

**Everyday Writing: Tips and prompts to fit your regularly scheduled life** Midge Raymond, 2012-06-01 Raymond has a gift for dispensing gentle, intelligent advice that even the most harried and overworked will find inspiring...Everyday Writing gives us permission to call ourselves writers, and found time to practice our craft. —The Writer magazine Raymond writes in a way that gives the reader real hope that a writing life is possible...Everyday Writing is a book worth owning and pocketing for those who struggle to make time for writing. —Portland Book Review Everyday Writing is just what writers need...Raymond's writing style is as engaging as her advice, and the writing prompts can be used for any project. —Savvy Verse & Wit How to be a writer even when you can't write every day... Writers are often told that in order to succeed, they must write every day—yet this isn't realistic or feasible for writers with families, day jobs, and other responsibilities that preclude a daily writing practice. Everyday Writing is about how to be a writer every day, even if you're unable to sit down to write every day. This book provides dozens of tips for busy writers, including how to create your ideal writing space, how to develop habits that work for you, and how to keep your projects moving forward even when you're short on time. Everyday Writing also offers more than 150 prompts to fit into any writer's life, from five-minute prompts you can do in a grocery

store line to lengthy prompts that are perfect for a writing retreat. Whether you'd like to generate new material, free yourself from writer's block, or start a revision, these writing exercises provide a way to engage immediately with your work.

Indistractable Nir Eyal, 2019-09-10 Indistractable provides a framework that will deliver the focus you need to get results. —James Clear, author of Atomic Habits If you value your time, your focus, or your relationships, this book is essential reading. I'm putting these ideas into practice. —Jonathan Haidt, author of The Righteous Mind National Bestseller Winner of the Outstanding Works of Literature (OWL) Award Included in the Top 5 Best Personal Development Books of the Year by Audible Included in the Top 20 Best Business and Leadership Books of the Year by Amazon Featured in The Amazon Book Review Newsletter, January 2020 Goodreads Best Science & Technology of 2019 Finalist You sit down at your desk to work on an important project, but a notification on your phone interrupts your morning. Later, as you're about to get back to work, a colleague taps you on the shoulder to chat. At home, screens get in the way of quality time with your family. Another day goes by, and once again, your most important personal and professional goals are put on hold. What would be possible if you followed through on your best intentions? What could you accomplish if you could stay focused? What if you had the power to become indistractable? International bestselling author, former Stanford lecturer, and behavioral design expert, Nir Eyal, wrote Silicon Valley's handbook for making technology habit-forming. Five years after publishing Hooked, Eyal reveals distraction's Achilles' heel in his groundbreaking new book. In Indistractable, Eyal reveals the hidden psychology driving us to

distraction. He describes why solving the problem is not as simple as swearing off our devices: Abstinence is impractical and often makes us want more. Eyal lays bare the secret of finally doing what you say you will do with a four-step, research-backed model. *Indistractable* reveals the key to getting the best out of technology, without letting it get the best of us. Inside, Eyal overturns conventional wisdom and reveals: • Why distraction at work is a symptom of a dysfunctional company culture—and how to fix it • What really drives human behavior and why time management is pain management • Why your relationships (and your sex life) depend on you becoming indistractable • How to raise indistractable children in an increasingly distracting world Empowering and optimistic, *Indistractable* provides practical, novel techniques to control your time and attention—helping you live the life you really want.

*Guide to securing part time jobs that fit your schedule* Laura Malfere, 2012-02-24 ABOUT THE BOOK Finding a part-time job to fit your schedule can be a challenge at the best of times, but when you are trawling through the job market during a post-recession era, it becomes much more difficult. You find yourself suddenly pitted against thousands of candidates who all search for the same flexibility, and as a result, you need to make yourself stand out from the crowd. Whether you are a busy parent, a student, or someone who is looking for additional income, all hope is not lost when it comes to finding a part-time job. Most people fail to find part-time jobs because they do not think outside the box. Another common issue is a lack of persistence; finding part-time work is hardly ever easy, so it is necessary to try harder than you would with full-time jobs. By focusing on how you can make the most of your skills, and getting back up each time you are knocked down, you will place yourself on the path to success. EXCERPT FROM THE BOOK 2. Consider working in a restaurant or bar. One of the best sources for part-time work that can fit around schedule is a restaurant or bar. If you are over the age of 21 and able to serve

alcohol, you should begin applying for bar jobs. As bars operate on a later basis than most other businesses, they are ideal for those who have daytime commitments. 3. Work from home. If working outside of the home doesn't strike your fancy, and a restaurant or bar job is still not flexible enough, you should consider working from home. The internet may be full of scams that are prepared to rip off hard working people, but if you scratch beneath the surface, it is possible to find a work-from-home opportunity that can act as a great resource of flexible part time work. Jobs where you can operate from home usually require more thinking outside the box than other positions, so think hard about the options that you can explore... Buy a copy to keep reading!

*God, Is This My Man?* Hilda A. Stephens, 2012-09-07 Sheena Renee Jackson the high profile attorney is on an unbelievable journey. The move to Washington DC to open a new law firm is a simple task compared to the seven men Sheena meets along the way. It's no doubt one case Sheena is having trouble winning. It is a matter of the heart and Sheena finds herself against the odds as she tries to find true love. Sheena is in a state of confusion and things change for the worst. Will Sheena find true love or will true love find Sheena? It all depends on the support from her four friends and the lessons learned along the way.
