Carroll John Daly

A SECRET HIDDEN BY THE BEAST 1 Priya Amour, Building on different kinds of genres, the series Secrets & Confusion is a Trilogy of Love and Fantasy. Besides the rule of timeline, this series is written in the inverse direction of time. The first book in this Trilogy, *A Secret Hidden by the Beast 1* set out the love between the male lead and the female lead in the mystery thriller genre with all-around questions and confusion. Despite the love, the brother-sister relationship and friendship play a major role in part 1. With the secrets revealed, the confusion increases, leading to the plot of part 2 in the Trilogy.

A Secret Kept Hidden Nikki Lynne ,2020-04-07 Let the earth die, or begin a war. The choice depends on her life. A life that is slowly being torn apart... Paran McCril. A Human driven to prove himself, but torn between legacy and sanity. If he continues, he disgraces his family. But if he doesn't, everything will die. Destiny Silver. An Element with the power to save the world, and the power to destroy it. Within her, the chaos of the Wills tear at her soul, slowly stealing her life force, as well as the earth's. To fail, will bring destruction. To succeed, will bring war.

The Hidden Hand Carroll John Daly,2017-11-12 Race Williams had run across criminals before, and a few shots to the head always took care of such threats. But how can Race deal with four separate rogues at once? And what of their ultimate leader, The Hidden Hand? Story #19 in the Race Williams series. Carroll John Daly (1889–1958) was the creator of the first hard-boiled private eye story, predating Dashiell Hammett's first Continental Op story by several months. Daly's classic character, Race Williams, was one of the most popular fiction characters of the pulps, and the direct inspiration for Mickey Spillane's Mike Hammer.

Hide and Secret Kathleen Fuller,2011-09-19 Anna Mae Shetler is a tomboy who loves nothing more than exploring the woods with her two best friends, Amos and Jeremiah. During a game of hide and seek they stumble upon a mystery that will threaten to tear apart their friendship, and—as they soon discover—it's a mystery that caused a rift in their families decades earlier. Anna Mae and her friends are playing in the old tree house in the woods when a floor board suddenly breaks. No one is seriously hurt, but when they take a second look, they see that a metal box of money and a diary are hidden under the floor in the crook of the tree branches. Upon further inspection, they discover that it is a lot of money. As the three set out to solve the mystery, they learn that Jeremiah and Anna Mae's grandmothers were once great friends, something they would have never guessed since the two women have only been distantly civil to each other in their lifetimes. As they search further, Jeremiah and Anna Mae realize there is a missing third party who must certainly hold the answers to this puzzle. Before they can find out, the money disappears again and threatens the trust of the three friends. Can Anna Mae solve this mystery before it tears apart more relationships? And can God heal decades-old pain and distrust?

Reigns of Utopia Elsie Swain,2020-09-14 In 2154, it has been over a century since the history of Homo sapiens was re-written due to an illegal scientific organization known as The Cult. They broke all the rules to experiment on humans and create genetically enhanced anthromorphs, mixing animal and human gene traits to create a superior race. Naïve and isolated, Kate Parker believes the solution to dealing with her problems is ignorance. Growing up as the only child of two A-list Hollywood stars, limelight has always enveloped her like a glorified prison cell, so she finds solace in self-made solitude while coping with her mother's death. When she begins college, she meets bianthromorph James Taylor, and their bond redefines the course of Homo sapiens history. When The Cult targets Kate to assist in their dark objective, she must turn from ignorance into full knowledge of a world erupting in chaos where issues of right and wrong are no longer clear. James has always been isolated due to his differences; Kate once chose to isolate herself. Now, they enter the fray in order to preserve what's left of humanity and stop an evil super power.

The Perfect Three Catherine Lievens, 2019-04-28 Lance needs a vacation from DC and his job. He's lost his passion to work there now that shifters and humans have equal rights, and he's thinking about retiring, even though he's only forty-seven. Of course, that means he has to deal with the people who want him to run for president—something he has no intention of doing. Matt was only supposed to stay in Hope for a few weeks, but he ends up accepting the sheriff job, even though the station isn't even finished yet. He was looking for a change from his job as a detective anyway, and he likes Hope, the friends he has there—and the two men he just met. Monty has a lot to deal with as the only healer in Hope, but that doesn't stop him from deciding he wants to see where things go when he meets Matt and Lance. He knows being in a relationship with two men isn't usual and that it's not going to be easy, but he wants it to work. Matt, Monty, and Lance have hurdles to get over, though. Lance's job means he can't come out, especially not as being in a threesome when one of his men is a shifter. Humans still aren't accepting of them, no matter what the law says. And even though he's been thinking about retiring, Lance has to make a hard choice between the possibility of making other peoples' lives better or making his better. He has a hard time accepting the possibility of being in a throuple, but once he lets go of his fears, the stakes rise. Will Lance choose happiness over duty? Will Matt and Monty be willing to give him time to work things out? And what will happen when he is outed against his will?

The Columbia Anthology of Modern Chinese Drama Xiaomei Chen, 2014-03-25 This condensed anthology reproduces close to a dozen plays from Xiaomei Chen's well-received original collection, *The Columbia Anthology of Modern Chinese Drama*, along with her critical introduction to the historical, cultural, and aesthetic evolution of twentieth-century Chinese spoken drama. Comprising representative works from the Republican era to postsocialist China, the book encapsulates the revolutionary rethinking of Chinese theater and performance that began in the late Qing dynasty and vividly portrays the uncertainty and anxiety brought on by modernism, socialism, political conflict, and war. Chosen works from 1919 to 1990 also highlight the formation of national and gender identities during a period of tremendous social, cultural, and political change in China and the genesis of contemporary attitudes toward the West. PRC theater tracks the rise of communism, juxtaposing ideals of Chinese socialism against the sacrifices made for a new society. Post-Mao drama addresses the nation's socialist legacy, its attempt to reexamine its cultural roots, and postsocialist reflections on critical issues such as nation, class, gender, and collective memories. An essential, portable guide for easy reference and classroom use, this abridgment provides a concise yet well-rounded survey of China's theatricality and representation of political life. The original work not only established a canon of modern Chinese drama in the West but also made it available for the first time in English in a single volume.

The Son & His Hope Pepper Winters, 2019-02-12 A Sweeping Standalone from New York Times Bestseller Pepper Winters. "Things you should know about me from the very beginning: I was born to true love, witnessed the destruction it causes, and vowed never to let such agony happen to me. I am not a story-teller like my father. I am not a writer like my mother. I am just a son—their son. I am happy being alone. And that is all I ever want to be." JACOB The day he was born, Jacob learned his hardest and longest lesson. It wasn't a lesson a boy should learn so young, but from his earliest memories he knew where happiness lives, so does tragedy. Where love exists, so does heartbreak. And where hope resides, so does sorrow. That lesson carved him from the kid to the teen to the man. And nothing and no one could change his mind. HOPE I first met him when he was fourteen at a movie premiere of all places. A movie based on his parent's life. He was stoic, strong, suspicious, and secretive. I was only ten, but I felt something for him. A strange kind of heartbreak that made me want to hug and heal him. I was the daughter of the actor hired

to play his father. We shared similarities. I recognised parts of him because they were parts of me. But no matter how many times we met. No matter how many times I tried. He stayed true to his vow to never fall. 5 Stars The Son & His Hope will ruin you in the best possible way. -- The Romance Rebels 5 Stars You need to experience this amazing, powerful, once in a lifetime series. --Heather, Goodreads 5 Stars Epically beautiful and unforgettable. This story is beyond anything you'll ever read. --Melissa, Goodreads

Burning Muses: Age Gap Small Town Romance J.R. Rogue,2016-04-03 Don't let fear sway you. You're not your past. Seraphina Daniels feels like running--the kind of running that doesn't include a set destination. So, when her childhood friend calls in distress, she's more than prepared to leave behind her failed--and famous--relationship, her writer's block, and her impending thirtieth birthday. But upon her return to the Ozarks--a sharp contrast to New York City--she discovers that everything's changed. I think I wanted you before I even knew what it was like to want someone. The homecoming brings Sera to Chace Holloway: the man who's made a home out of the place that was once hers. Romance isn't an option, but friendship comes easily with the twenty-two-year-old songwriter--despite the attraction they both feel. He is music, and I am merely madness and melancholy. What started as an escape becomes more of a trap when the past begins to wrap around the present. As hope blooms, Sera and Chace face their biggest obstacles--what they each fear, and what old lovers desire. Burning Muses is Book 1 of the Muse & Music Series. It can be read as a standalone.

Background Music J.R. Rogue,2017-03-09 You're more than background music for someone else's life. Katarina Roberts wants to move on--and for the men of her past to let her. So, the shop owner keeps to herself, staying busy with the day-to-day tasks of keeping her store afloat in the heart of the Ozarks. But the sound of a knock on her bedroom window changes everything. You never truly know how you will react to the demons in your life until you are face to face with them. Answering that knock leads to Reese Taylor: the man who spends his nights as the lead singer of the band New Leaf, while wanting to turn over one of his own. Take me home and take me without hesitation. Like I'm a song. Like I've never been a regret. What started as an encounter becomes more of an entanglement when a sense of safety disrupts their solitude. As their relationship deepens, echoes from a violent past threaten to break down everything they've rebuilt. Background Music is Book 2 of the Muse & Music Series. It can be read as a standalone.

Beyond Words Kristen Johnson Ingram,2004-09 Prayer can go far beyond words, and Johnson shows how to do prayer while sitting, walking, listening, and more.

Crying into the Saucepan Nikki Hayes,2017-10-06 Well-known DJ Nikki Hayes has lived most of her life with Borderline Personality Disorder (BPD), a serious mental disorder marked by a pattern of ongoing instability in mood, behaviour, self-image and functioning. BPD is also associated with severe functional impairment and high rates of suicide. Nikki should have been diagnosed aged fifteen the first time she came in contact with the mental health services with anorexia; or aged nineteen, after an attempted suicide; or aged thirty-four when she was diagnosed with post-natal depression. Instead, each time she was given a different diagnosis, none fully explaining her symptoms or actions. Nikki believes her illness went undetected for so long because a lot of how she was feeling and acting was easily explained away by lumping it under the umbrella term of 'depression', or by simply attributing it to attention seeking or just being a little out of control. By sharing her story Nikki hopes to help others see that they are not alone and encourage greater support for people suffering with mental health issues in Ireland. #StrongerTogether

Falling from Grace Ann Eriksson,2011-02-01 Sometimes it's the little things in life that make all the difference, like chromosomes, sperm, bugs or an endangered seabird that nests in old-growth forests. But, what's big or what's little depends entirely on your perspective. Faye Pearson is a three-and-a-half-foot tall female scientist doing entomological research in the tallest trees on Vancouver Island, who is pit with a ragtag group of protesters against the might of a multinational logging corporation. The story of Faye and her struggle to function in a world not made for people her size is poignant and heart-warming. Whether she is lusting after her climbing partner, standing up to a conflicted logging boss, dressing down an insulting interviewee, nurturing a wayward child in the midst of an environmental standoff, or being carted off under the arm of a Mountie, you'll be unable to resist this amazing woman. There is a fall in Eriksson's novel, but also incredible moments of grace. Falling from Grace is a novel of no small achievement.

Better Than Before Gretchen Rubin,2015-03-17 NEW YORK TIMES BESTSELLER • The author of The Happiness Project and "a force for real change" (Brené Brown) examines how changing our habits can change our lives. "If anyone can help us stop procrastinating, start exercising, or get organized, it's Gretchen Rubin. The happiness guru takes a sledgehammer to old-fashioned notions about change."—Parade Most of us have a habit we'd like to change, and there's no shortage of expert advice. But as we all know from tough experience, no magic, one-size-fits-all solution exists. It takes work to make a habit, but once that habit is set, we can harness the energy of habits to build happier, stronger, more productive lives. In Better Than Before, acclaimed writer Gretchen Rubin identifies every approach that actually works. She presents a practical, concrete framework to allow readers to understand their habits—and to change them for good. Infused with Rubin's

compelling voice, rigorous research, and easy humor, and packed with vivid stories of lives transformed, *Better Than Before* explains the (sometimes counterintuitive) core principles of habit formation and answers the most perplexing questions about habits: • Why do we find it tough to create a habit for something we love to do? • How can we keep our healthy habits when we're surrounded by temptations? • How can we help someone else change a habit? Rubin reveals the true secret to habit change: first, we must know ourselves. When we shape our habits to suit ourselves, we can find success—even if we've failed before. Whether you want to eat more healthfully, stop checking devices, or finish a project, the invaluable ideas in *Better Than Before* will start you working on your own habits—even before you've finished the book.
