**The Last Lecture** Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

### **Schedule of My Favorite TV / Radio Shows** Ray L.

Winstead, 2014-05-07 In "Section I: List of Favorites" this book provides space for you to write the scheduling information, such as day of the week and time, for each of your favorite TV / Radio shows. Section I consists of eighty pages (one show per page). Space is also provided for a few notes or comments about each show, e.g., notes about main characters. Enter the scheduling information from this section into section III for the appropriate day of the week. "Section II: Specials Scheduled" consists of space for scheduling information about forty "special shows" (not regularly scheduled) on twenty pages. "Section III: Daily Favorites" provides space for you to record scheduling information for your favorite shows in a format that emphasizes each day of the week and each half-hour time period over the course of that day of the week. Recognizing that shows change over time or that alternatives may become available, the format provides the flexibility to include up to five shows for each half-hour time period in a day. This section is seventy pages long (ten pages for each day of the week). The design of the book is useful, flexible, and functional. Besides being a repository of useful information, possibly to be consulted periodically on a daily basis, the designer hopes you will enjoy future reflections on the entries. Ray L. Winstead, Designer

*My Paperback Book* JERRY JONES, 2015-07-24 Since it's founding, development and continued transformation, Needmore had been the apex of African American culture throughout Starkville, Oktibbeha county and Mississippi. This also, focuses on Negroes' struggles to become Black and their transition to African

Americans. What is the origin of the name Needmore? Many think it means the community needs more of everything and that poverty is the essence of it's meaning. Needmore is a railroad term which means that the towns near the tracks need more people to come and take up residence. Needmore's rich and diverse culture that continues to impact the growth and development of the youth and the infrastructure of the city of Starkville. The rush to record the history of the Needmore community presented a sense of urgency to write this book. It's umbilical cords are expiring and their repository of history is critical in completing this book that links future generations to their past.

*The List* Sherri L. Lewis, 2013-06-20 Single and satisfied? Not Michelle, Angela and Lisa. These saved but sexy, successful black women think they're getting too old to keep waiting on God to send their soul mates. Under the protective eye of their more spiritual sister-girlfriend, Vanessa, and the scrutiny of newly saved but still sarcastic manhater, Nicole, the ladies go on a hilarious adventure to be found by their husbands. Armed with their list of essential must-haves, would-be-nices, icing-on-the-cakes, and deal-breakers, they start their search . . . but soon encounter issues specific to the saved woman on the dating scene. Is online dating okay for Christians? How long do you wait before you tell the hottie you just met that you're celibate and plan to stay so until married? He's too fine to pass up; how saved does he really need to be? And of course, how do you keep things holy when he's oh-so-sexy? It's not long before they realize they still have to trust God to know what's best for them, and that He loves them enough to send them everything on The List.
