If you've got a book to promote, stop what you're doing right now and start reading *Your First 1000 Copies*. — Daniel H. Pink, New York Times bestselling author of *Drive* and *When Your First 1000 Copies* is a must-read for authors trying to build a connection with their readers. — Dan Heath & Chip Heath, co-authors of *Made to Stick*, *Switch*, and *Decisive* I watched in awe as Tim Grahl had 5 clients on the New York Times bestseller list in the same week. There is no one I trust more to learn about book marketing. - Pamela Slim, Author, *Body of Work* Tim was an early pioneer in teaching book authors how Internet marketing actually works. - Hugh MacLeod, author of *Ignore Everybody* and *Evil Plans* Imagine if you had a direct connection with thousands of readers who loved reading your books. And imagine if those readers eagerly awaited the launch of your next book. How would that direct relationship with your readers change your writing career? How would you feel knowing that every time you started a new book project, you already had people excited to buy it and ready to recommend it to others? In *Your First 1000 Copies*, seasoned book marketing expert Tim Grahl walks you through how successful authors are using the online marketing tools to build their platform, connect with readers and sell more books. Tim has worked with over 100 different authors from top best sellers such as Hugh Howey, Daniel Pink, Barbara Corcoran Charles Duhigg, Chip and Dan Heath, Ramit Sethi and Pamela Slim to authors just get started on their first writing project. He has worked with authors across all fiction and non-fiction genres. Along with his client work, he has studied many other successful authors to learn what works and what doesn't. The result is *Your First 1000 Copies* where he walks you through the Connection System, a plan that every author can immediately start using. The plan looks like this: - Permission - How to open up communication with your readers where you can reliably engage them and invite them to be involved. - Content - How to

use content to engage with current readers and connect with new ones. - Outreach - How to ethically and politely introduce yourself to new readers. - Sell - How all of these steps can naturally lead to book sales without being pushy or annoying This is a system that any author can immediately put in place to start building their platform. Whether you're a seasoned author looking to step into the new publishing landscape, or you're a brand new author, Your First 1000 Copies will give you the tools to connect with readers and sell more books.

The Top Books of the Year My Social Media The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. My Social Media : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. My Social Media : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in

love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
