Heritage and Hope Charles Wheatley,2021-11-05 Heritage and Hope: Finding My Purpose in British Virgin Islands culture 1938-1963 revisits life in the British Virgin Islands during the first twenty-five years of Carlos's life. The title reflects life in his home village in East End, Tortola, British Virgin Islands. It covers his experiences from birth, his relationships with his parents, siblings and other persons in the the enclave where he lives. Set in an enclave named James Young, the author takes the reader into the bowels of local life where one can eschew the good, the bad, and the ugly, which is the arena for Carlos's struggle to survive. Carlos refused to be submerged by the vicissitudes of life in James Young but remained immersed in the daily struggles that shaped his life. His story from birth to his twenty-fifth birthday is a focused journey to find his purpose in life, while the arrows and darts of the community veers in his path daily. His survival speaks to the fortitude of his character, and his altruistic responses to his friends relationships. His desire to see other people excel in life motivated him as he searched for his own purpose. The school and church families and three special friends with whom he interacted daily give the reader yet another glimpse into Virgin Islands cultural features. He faces and eventually subdues the environmental pressures, and friends not in sync with his deep beliefs in simplicity, humility and integrity.

Virgin Islands diego pagani,2012-11-05 My camera and the paradise.Virgin Islands 2010

My Beautiful Virgin Isles Arundell Donovan,2019-05-24 These islands were discovered by Christopher Columbus in 1493, and because there were so many, they reminded him of St. Ursula and her eleven thousand virgins. The Virgin Islands are some of the most beautiful islands in the West Indies. The British Virgin Islands is known as the yachting capital of the world. Many people come here on vacation or on a cruise because of the beauty, the healthy climate, the friendliness of the people, and the serenity they can have when they make the place their home. As you read these poems, you will see the beauty and feel the friendliness that make up these beautiful islands.

Land of Love and Drowning Tiphanie Yanique,2015-07-21 A critically acclaimed debut from an award-winning writer—an epic family saga set against the magic and the rhythms of the Virgin Islands. In the early 1900s, the Virgin Islands are transferred from Danish to American rule, and an important ship sinks into the Caribbean Sea. Orphaned by the shipwreck are two sisters and their half brother, now faced with an uncertain identity and future. Each of them is unusually beautiful, and each is in possession of a particular magic that will either sink or save them. Chronicling three generations of an island family from 1916 to the 1970s, Land of Love and Drowning is a novel of love and magic, set against the emergence of Saint Thomas into the modern world. Uniquely imagined, with echoes of Toni Morrison, Gabriel García Márquez, and the author’s own Caribbean family history, the story is told in a language and rhythm that evoke an entire world and way of life and love. Following the Bradshaw family through sixty years of fathers and daughters, mothers and sons, love affairs, curses, magical gifts, loyalties, births, deaths, and triumphs, Land of Love and Drowning is a gorgeous, vibrant debut by an exciting, prizewinning young writer.

Tradesmen of St. Croix Karen C. Thurland,2018-12-13 St. Croix, US Virgin Islands, a Caribbean island, had a large number of black tradesmen who operated their own shops in its towns. These men passed on vital technical skills to their sons and apprentices, so those colonial crafts persisted during the Danish era. A few trades have continued for over a hundred years of American rule. Two of the tradesmen featured in this book, Peter G. Thurland Sr. and Alphonso Forbes, participated as musicians in the transfer ceremony of the Danish West Indies to the United States in the town of Christiansted, St. Croix, on March 31, 1917, while one tradesman, Carlos H. McGregor, observed the event. The tradesmen documented in this publication include a blacksmith, mason, shoemaker, tailor, two goldsmiths, and two joiners. They started out as young apprentices and went on to master a trade and operate their own workshop or business. These native black men contributed to the economic, social, and political life of St. Croix through periods of prosperity and financial hardships. These tradesmen were respected by people in the community and are a vital part of the island’s history and culture.
