Virtual Girlfriend: A VR Gender Swap Romance Alyson Belle, When you build your pixel-perfect dream girl, it's love at first byte... Michelle's best friend Andrew has always been her idea of a perfect partner—or at least, he would have been if she wasn't a gold-star, card-carrying lesbian. Despite being besties since childhood and knowing each other about as well as two people can, they both know it can never be more than a friendship between them. But when Michelle realizes that the VR gaming technology they both love so much offers her an interesting alternative to the problem, she innocently persuades Andrew to give her a full-mind scan of his brain on a disc, which he does happily, even if he doesn't understand what she wants it for. He knows she'd never hurt him. Whatever she has planned for his digital self, it's got to be all in good fun. When Andrew's copy wakes up in Michelle's VR game world, though, he's shocked to discover that her plans involved some pretty big changes to his physical body! Michelle took Andrew's brain scan and turned him into her perfect VR dream girl, and now "Andrea" is going to have to decide if she can get used to being Michelle's new virtual girlfriend... for the rest of his digital life!

The Best Book on iOS App Marketing Michael Amerson, 2012-04-04 Mike Amerson, Co-Founder and President of WET Productions, Inc., learned the hard lesson that many developers face today: just because you built it, doesn't mean they will come. His game *My Virtual Girlfriend* went nine months with only modest sales until late in December of 2010, when he gathered what he'd learned about app discoverability and used it to propel the game to the Top 100 list for its category. Furthermore, the game has only gained momentum, sitting in the Top 25 for over a year. Though Mike overcame the challenges of

app development, he knows exactly what it's like for a developer to spend time and money on a project that falls flat. Today, he shares his knowledge with other struggling developers, encouraging them to follow their dream to venture out and find success in the iOS space.

I Am Jazz Jessica Herthel, Jazz Jennings, 2014-09-04 The story of a transgender child based on the real-life experience of Jazz Jennings, who has become a spokesperson for transkids everywhere This is an essential tool for parents and teachers to share with children whether those kids identify as trans or not. I wish I had had a book like this when I was a kid struggling with gender identity questions. I found it deeply moving in its simplicity and honesty.—Laverne Cox (who plays Sophia in "Orange Is the New Black") From the time

she was two years old, Jazz knew that she had a girl's brain in a boy's body. She loved pink and dressing up as a mermaid and didn't feel like herself in boys' clothing. This confused her family, until they took her to a doctor who said that Jazz was transgender and that she was born that way. Jazz's story is based on her real-life experience and she tells it in a simple, clear way that will be appreciated by picture book readers, their parents, and teachers.

The Leaping Tom Fletcher, 2013-09-03 An edgy, original and terrifying werewolf novel, the first in a series from a young debut author exploring the darkness that lies beneath Britain's bleak post-industrial northwest. Jack finished university three years ago, but he's still stuck in a dead-end job in a sinister call-centre in Manchester. When the beautiful (and rich) Jennifer comes into his life he thinks he has finally found his ticket out of there. Trouble is that his boss is interested in Jennifer as well, and there's something strangely bestial about him. So when Jennifer buys Fell House, a mysterious old farm out in remote Cumbria, a house party on a legendary scale seems like the perfect escape. But as the party spins out of control on a seemingly neverending night, they must face up to the terrifying possibility that not all their guests may be human--and some of them want to feed. An astonishing and innovative blend of horror, folktale and disturbing realism, *The Leaping* is the first installment in what is shaping up to be a genre-defining series.

Hands Free Mama Rachel Macy Stafford, 2014-01-07 "Rachel Macy Stafford's post *The Day I Stopped Saying Hurry Up* was a true phenomenon on The Huffington Post, igniting countless conversations online and off about freeing ourselves from the vicious cycle of keeping up with our overstuffed agendas. *Hands Free Mama* has the power to keep that

conversation going and remind us that we must not let our lives pass us by.” --Arianna Huffington, Chair, President, and Editor-in-Chief of the Huffington Post Media Group, nationally syndicated columnist, and author of thirteen books
<http://www.huffingtonpost.com/> DISCOVER THE POWER, JOY, AND LOVE of Living “Hands Free” If technology is the new addiction, then multi-tasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it’s no wonder we’re distracted. But this isn’t the way it has to be. In July 2010, special education teacher and mother Rachel Macy Stafford decided enough was enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. She started a blog to chronicle her endeavors and soon saw how both external and internal distractions had been sabotaging her happiness and preventing her from bonding with the people she loves most. Hands Free Mama is the digital society’s answer to finding balance in a media-saturated, perfection-obsessed world. It doesn’t mean giving up all technology forever. It doesn’t mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. It means looking our loved ones in the eye and giving them the gift of our undivided attention, leaving the laundry till later to dance with our kids in the rain, and living a present, authentic, and intentional life despite a world full of distractions. So join Rachel and go hands-free. Discover what happens when you choose to open your heart—and your hands—to the

possibilities of each God-given moment.

Women's Journey to Empowerment in the 21st Century Kristen Zaleski, Annalisa Enrile, Eugenia L. Weiss, Xiyang Wang, 2019-10-03 Women's Journey to Empowerment in the 21st Century offers a global view into the patriarchal attitudes that shape cultural practices that oppress women and continue to take form in the modern era. In closely examining a range of issues--from the college campus rape epidemic in the United States to the climate change effects in Ghana--this book compels readers to utilize a contextual framework in order to take a closer look into contemporary violence and oppression against women in our world. Written through the lens of transnational feminism, it examines the intersections of nationhood, race, gender, sexuality, and economics within the context of a world shaped by globalization and colonialism, causing the redefinition of borders and the realignment of migration patterns. A transnational feminist perspective also supports a definition of global sisterhood based on equity, understanding, and mutual experiences. Students focusing on social justice, social work, women's studies, feminist theory, and/or violence against women will find the book to be an invaluable resource.

My Girlfriend's a Geek, Vol. 2 Pentabu, 2012-02-17 It was two years ago that I met Y-ko. She was my boss at the job I was working at the time. I was a student, and I had no idea what I was doing. After a time, we ended up becoming boyfriend and girlfriend. It turned out she was a fujoshi. Not only that, but a hidden fujoshi, one who didn't show any inkling of the sort around other people... But as a general rule, she never hides it around me. In fact... It seems more like she's intent on dragging me down that path with her. ...And I'll be honest. It's slowly but surely seeping into me.
