Webcam Jan Tighe, 2016-12-23 Welcome to Central Park in New York City, where a tiny creature weaves a spiritual and mystical Web. He is a photographer of sorts and a secret admirer of his surroundings. He's especially intrigued by human creatures who inhabit the earth but are unaware of their shared dependency. Chosen and anointed by a Higher Power, the creature's Web captures humans who will discover and embrace their greatest virtue to make a difference on the planet. During a terrorist attack on New York City, the voice of humanity will become stronger than the voice of the enemy. Ordinary people, unaware of a protective and supportive Web beneath their feet, tip the scales of suffering and war with their compassion and love. Webcam is for you.

Four Years of Despair Jalesa Morrison, 2019-04-26 Jaunell Morris was a typical kid: hanging out with friends and going to school. Although being teased occasionally and living in one of the poorest and dangerous towns in southern Illinois, Jaunell was a happy and talented child. Things turned for the worse for Jaunell shortly after her thirteenth birthday. Joan, Jaunell's mother, believed that Jaunell was going through a phase. But Jaunell's increasingly violent behavior proved her wrong. Obnoxious behavior and suicidal thoughts led Jaunell to Chestnut mental health hospital where she was diagnosed with bipolar disorder. After being discharged from Chestnut, Joan felt like she had her daughter back. But that was far from the truth. Things went from bad to worse for the Morris family throughout the years. Refusing to take medication, fighting, truancy, and suicide attempts led to multiple hospitalizations for Jaunell. As Jaunell began to deteriorate, the people who were supposed to help her began to belittle her and calling her names no child should hear. After multiple hospitalizations Joan had reached her breaking point. She founded a long-term residential center out of state that will give Jaunell the help that she needs. But the cost is making it difficult. Will Jaunell receive the help that she desperately needs?

Jesus, What Is Happening? Thomas Warner,2020-10-05 One quick look through this book will instantly tell you it is a diary of sorts. With little to do in this lockdown I wanted to keep a record of what was happening for myself as we are now living in some kind of new world, and not for the better it seems and I also wanted my family and grandchildren to know what I is like to live through something like that on one's own. I cannot say it was easy to write giving the circumstance and the great loss of life worldwide. After the stroke I had I had to cut back somewhat with the major loss of energy I was experiencing. I Dedicate this book with all the restored energy and love to my wonderful daughter Jacqueline and her brilliant husband Pat. Thank you guys for all you have done. It will never be forgotten.
