My Eyes Are Up Here Laura Zimmermann, 2020-06-23 My Eyes Are Up Here is a razor-sharp debut about a girl struggling to rediscover her sense of self in the year after her body decided to change all the rules. If Greer Walsh could only live inside her head, life would be easier. She'd be able to focus on excelling at math or negotiating peace talks between her best friend and . . . everyone else. She wouldn't spend any time worrying about being the only Kennedy High student whose breasts are bigger than her head. But you can't play volleyball inside your head. Or go to the pool. Or have confusingly date-like encounters with the charming new boy. You need an actual body for all of those things. And Greer is entirely uncomfortable in hers. Hilarious and heartbreakingly honest, My Eyes Are Up Here is a story of awkwardness and ferocity, of imaginary butterflies and rock-solid friends. It's the story of a girl finding her way out of her oversized sweatshirt and back into the real world.

She’s lost her job, her friends, her home. Desperate to pick up the broken pieces of her life, she finds herself on the doorstep of a successful author who has hired her to care for his ailing wife. Tristan Carrington is perfect. His house is immaculate, his career booming, his body ageless. Looks, however, can be

deceiving. Just ask the housekeeper, the ex-wife, or the shadow lurking outside the window. **THE LIE BETWEEN US:** At three in the morning, Detective Ame Bassette receives a panicked call from her sister Delphine who has just killed her drug-dealing boyfriend. Ame makes a snap decision—to risk everything to save her sister from spending life behind bars. Together, they go on the run but quickly discover that some secrets will follow wherever you go. After hours of driving, Ame finds herself lost in the dangerous swamplands of south Louisiana, where she comes across Gramarye Lodge, a run-down hotel with a sordid past—that may be connected to a horrifying cold case Ame once investigated. Soon after checking in, it becomes apparent that someone doesn't want Ame to leave. She begins to question who she can trust... and if it isn't only her sister's secrets that are coming to light. **THE RAVEN'S WIFE:** On a frigid winter night, Daniel Klein was stabbed to death in his penthouse suite by his wife, Julia. At least that's what the police report reads. The truth, however, is far more sinister. After relocating to a remote cabin in the middle of the mountains, Julia's only goal in life is to piece together her broken past. But questions about that fateful night arise when Logan, Julia's brother-in-law, shows up on her doorstep—with evidence that things are not as they appear. It soon becomes apparent that someone else knows the details of that night, and they will stop at nothing to ensure what happened in the dark, stays in the dark. **THE WIDOW OF WEEPING PINES:** Therapist and struggling author Betty Lou Abbott has a secret, one she keeps

locked in the basement of the historic mansion she inherited from her late husband. Her fiancé, Ian, also has a secret: he is having an affair with one of Betty Lou's clients. She thinks so, anyway. As Betty Lou's life becomes intertwined with the beautiful, successful Carmen Marquis, her intention to expose the affair turns into a dangerous obsession. Especially when she learns there is more to Carmen than meets the eye. Caught in the middle of this cunning pair of women is Nicholas Stahl, a crooked detective who is determined to prove the truth—that one of them is a cold-blooded killer.

King of the Mole People Paul Gilligan, 2019-08-27 Paul Gilligan's smart and funny illustrated middle grade series stars Doug, King of the Mole People, who struggles to balance chaos both in school and in the underworld. The Wimpy Kid's got nothing on the King of the Mole People—he's got more laughs and more mud.—Kirkus Reviews Doug Underbelly is doing his best to be normal. It's not easy: he's bad at jokes, he's lousy at sports, and he lives in a creaky old mansion surrounded by gravestones. Also Magda, the weird girl at school, won't leave him alone. And if that weren't enough, he recently got crowned King of an underground race of Mole People. Doug didn't ask to be king—it's a job he can't really avoid, like the eel sandwiches his dad makes for him (with love). If he thought dealing with seventh grade was tricky, it's nothing compared to navigating the feud between Mole People, Slug People, Mushroom Folk and Stone Goons, not to mention preventing giant worms from rising up and destroying everything. How will Doug restore order? It's all a matter of diplomacy! Christy Ottaviano Books

There's a Mystery There Jonathan Cott, 2017-05-16 An extraordinary, path-breaking, and penetrating book on the life and work and creative inspirations of the great children's book genius Maurice Sendak, who since his death in 2012 has only grown in his stature and recognition as a major American artist, period. Polymath and master interviewer Jonathan Cott first interviewed Maurice Sendak in 1976 for Rolling Stone, just at the time when *Outside Over There*, the concluding and by far the strangest volume of a trilogy that began with *Where The Wild Things Are* and *In the Night Kitchen*, was gestating. Over the course of their wide-ranging and revelatory conversation about his life, work, and the fantasies and obsessions that drove his creative process, they focused on many of the themes and images that would appear in the new book five years later. Drawing on that interview, *There's a Mystery There* is a profound examination of the inner

workings of a complicated genius's torments and inspirations that ranges over the entirety of his work and his formative life experiences, and uses *Outside Over There*, brilliantly and originally, as the key to understanding just what made this extravagantly talented man tick. To gain multiple perspectives on that intricate and multifaceted book, Cott also turns to four companion guides: a Freudian analyst, a Jungian analyst, an art historian, and Sendak's great friend and admirer, the playwright Tony Kushner. The book is richly illustrated with examples from Sendak's work and other related images.

When Parents Worry Henry Anderson,2012-09-18 A bird pooped in my daughter's mouth yesterday. Do we need to worry about anything? Sure, kids may say and do the darndest things, but concerned parents definitely take it to a whole other level. While these moms and dads certainly mean well, it's hard for anyone (even a pediatrician) not to dissolve into laughter when they hear weird and unexpected questions like: Betty ate cheese from a mousetrap from which the mouse also ate. Is that anything to worry about? Should my eight-year-old wear boxers or briefs? I dropped off my son's urine sample in a Tupperware container. Can you please give it back when you're done? From

concerns about pickle-shaped poos to the risks of sitting on Santa's lap, Dr. Henry Anderson, a pediatrician in private practice, has heard it all—and now you can, too.

A Shot in the Dark Victoria Lee, 2023-09-05 A passionate and powerful romance featuring a transgender man and an ex-Orthodox woman who find each other through their devotion to art, and fall in love despite all odds, from bestselling author Victoria Lee “A sensual love story about art and passion . . . emotional and heart-aching.”—Ashley Poston, New York Times bestselling author of *The Dead Romantics* Elisheva Cohen has just returned to New York after almost a decade away. The wounds of her past haven't fully healed, but four years of sobriety and a scholarship to study photography with art legend Wyatt Cole are signs of good things to come, right? They could be, as long as Ely resists self-sabotage. She's lucky enough to hit it off with a handsome himbo her first night out in the city. But the morning after their mind-blowing hookup, reality comes knocking. When Wyatt Cole walks into the classroom, Ely realizes the man she just spent the night with, the man whose name she couldn't hear over the loud club music, is her teacher. Everyone in the art world is obsessed with Wyatt Cole. He's immensely talented and his notoriously reclusive personal life makes him even more compelling. But

behind closed doors, Wyatt's past is a painful memory. After coming out as transgender, Wyatt was dishonorably discharged from the military and disowned by his family. Since these traumatic experiences, Wyatt has worked hard for his sobriety and his flourishing art career. He can't risk it all for Ely, no matter how attracted to her he is or how bad he feels about insisting she drop his class in exchange for a strictly professional mentorship. Wyatt can help with her capstone photography project, but he cannot, under any circumstances, fall in love with her in the process. Through the lens of her camera, Ely must confront the reason she left New York in the first place: the Orthodox community that raised her, then shunned her because of her substance abuse. Along the way, Wyatt's walls begin to break down, and each artist fights for what's right in front of them—a person who sees them for all that they are and a love that could mean more than they ever imagined possible.
