The Trip Robert W. White, 2015-10-19 Bob White started out as a young man, with an idea that he could do a 25,000 mile road trip from the Arctic to the bottom of the earth across the Straits of Magellan to the southern most place on earth where people live. Fifty years ago, before there was a road, he made this epic journey; encountering bull fights, bandits, bullets, and bad roads, and finally ending as a MAN. One will enjoy riding with him in his old Chevy pickup, as he drives The Trip.

Mu Waun Michael Patrick, 2018-04-04 Edwin Stratton grew up in rural Iowa, where he experienced both the love and loss of his family. When he turned eighteen, Edwin left his small hometown to experience the world. His adventures began in Omaha, Nebraska, where he saved the life of a police officer and began work translating the German language for the local police department and the local hospital. Edwin also became a part of the Chinatown community, where he learned the language and met the love of his life, Mu Waun. Edwin had been courting Mu Waun for almost a year when he received word that Mu Waun and her parents had been killed during a trip to China. In an effort to deal with this devastating loss and move on with his life, Edwin left Omaha to live and work in Promontory, Utah. As he began to leave the memory of Mu Waun behind, he received word that Mu Waun and her parents were alive in China and being held captive. The information was old, and Edwin realized he must go to China to find out once and for all if Mu Waun is alive or dead. Beginning in 1852 and spanning more than seventy-five years, this is a story filled with adventure,

romance, danger, and unforgettable characters. It explores the human spirit and celebrates the bonds of family and the loyalties of friendship regardless of culture or location.

Clown Horror 152 I. D. Oro,2022-01-23 Osvaldo is a genius even if his wife Sariyah likes to make fun of him for his lousy job as a dish washer in a restaurant. Osvaldo does not care about his boring job since it is just a cover for his real job. Smuggling people in his Chevrolet Suburban`s secret compartment is his real job. His challenge is in beating the government and making money. He is a capitalist who is only interested in making money and getting paid. It does not matter who wants to get across if they pay him. This side hussle is the only thing that is paying his bills in southern

California since his regular job is only a minimum wage job. A friend from Seattle, Washington arrives to ask Osvaldo to pay him a favor that he owes. Osvaldo is not sure that he is up to the task but he must pay his favor to get his annoying friend to stop bothering him. A new challenge arrives which puts him in the dangerous job of rescuing people from the Devilcare Death Panels & Camps. Now his life is in real danger once President Führer Devil-Eggs signs an executive order that will punish anyone who rescues people from inside of there with a firing squad. Osvaldo must deal with the stress and the danger while he makes sure that his wife will not tell the government about his new side hustle. He does not want to end up dead since his wife has panic attacks when they are doing illegal activities. (Word Count 66,749)

Reminiscing the Red Dirt Roads Neal Murphy, 2011-08-04 Red dirt. What can one say about red dirt? The small town of San Augustine, Texas, sits on a twenty-six-mile swath of red clay. Once this red dirt gets into your system it is difficult to leave it behind, and if you do there is a tendency to return in your golden years. The town was organized in 1834 and was the gateway to early settlers after crossing the Sabine River into Texas. Most everyone who entered Texas in the early years passed through the town on the El Camino Real, the King's Highway. Many settled here while others made their way to San Antonio. It was into this area of Texas that I was born and reared. This book contains 110 short stories of my experiences while growing up during the 1940s and 1950s in the town of red dirt. I have included stories of my married life as we lived in several different states through the years. A few stories of humorous events while working in law enforcement are also included. San Augustine, Texas, claims on good authority to be the oldest Anglo-Saxon town in Texas. The neighboring city of Nacogdoches is said to be the oldest town having had an Indian settlement there earlier than 1834. The debate will probably never be settled to everyone's satisfaction.

Nonbillable Hours Ronald B. Schram,2005-06 *SWORDS AND PLOWSHARES* is an epic tale of one family's struggles in the cauldron that shaped modern America: The Civil War. More than merely a war novel, though, *SWORDS AND PLOWSHARES* traces three generations of the Barger family in an historically accurate narrative that extends from Tennessee to Missouri, and from the 1820's into the twentieth century. The book focuses on the lives of two remarkable men, Allen Barger and his son James. It is a story of their triumph over the rigors and hardships of frontier life during the 19th century, of their love and sorrow, their struggles and battles, their successes and failures, and of the abiding religious conviction that gave them the strength to endure. From a genealogical prospective, the book is a living family history--historical and genealogical research have been combined to bring to life generations of an American family. From an historical perspective, the novel provides a grippingly realistic portrayal of life in mid-nineteenth Century America and of the hardworking, God-fearing people who built this nation and held it together when it was torn asunder. Allen Barger and James Barger typify countless nameless legions of the common folk that made America what it is today, and the retelling of their story honors every family descended from the stalwart stock of the American frontier.
