When Molly reappears in the body of a man during a night of monster-laden devastation, Sam finally learns the truth. **Warhol-isms** Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." *Warhol-isms* separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I've never met a person I couldn't call a beauty.New things are always better than old things.I'm still a commercial artist. I was always a commercial artist.

**Ass Goblins of Auschwitz** Cameron Pierce, 2009-10 It's Monty Python meets Nazi exploitation in a surreal nightmare as can only be imagined by Bizarro author Cameron Pierce. In a land where black snow falls in the shape of swastikas, there exists a nightmarish prison camp known as Auschwitz. It is run by a fascist, flatulent race of aliens called the Ass Goblins, who travel in apple-shaped spaceships to abduct children from the neighboring world of Kidland. Prisoners 999 and 1001 are conjoined twin brothers forced to endure the sadistic tortures of these ass-shaped monsters. To survive, they must eat kid skin and work all day constructing bicycles and sex dolls out of dead children. While the Ass Goblins become drunk on cider made from fermented children, the twins plot their escape. But it won't be easy. They must overcome toilet toads, cockrats, ass dolls, and the surgical experiments that are slowly mutating them into goblin-child hybrids. Forget everything you know about Auschwitz...you're about to be Shit Slaughtered.

**The Pied Piper of Tucson** Don Moser, Jerry Cohen, 1967 It was Life and Time magazines that turned a local story from Tucson, Arizona, into a national abomination. Reporters came from all over, to be sure, but on March 4, 1966, Life printed an ominous photo of the desert landscape where three girls had disappeared and the story of Charles Howard Schmid, Jr., or Smitty, became international news. He had been arrested four months earlier on November 11, just after marrying a fifteen-year-old girl whom he'd met on a blind date. The article was published even before the juries in two separate trials had decided his fate. Dubbed The Pied Piper of Tucson, for his ability to get girls to fall for him, he stood five feet, four inches tall, but added three more inches by padding his stack-heeled cowboy boots with rags and tin cans. He also dyed his reddish-brown hair black, used pancake make-up, whitened his lips, and applied a fake mole to his left cheek—a beauty mark. Arrogant and narcissistic, he came from a wealthy family, so he used the niceties he could buy to impress young high school girls. He adopted the droopy-eyed look associated with Elvis, his idol, and acquired a rock musician's mystique. His tiny house on his parents' property was the scene of many parties. Tucson society was not merely shaken by the murders of three of their young women but by what the details of those murders revealed about its adolescent population—sex clubs, drinking parties, blackmail, cover-ups for murder, and even connections with the crime underworld. Parents suddenly became more strict, more aware now that their kids weren't safe and maybe weren't even behaving properly. When kids looked to someone like Charles Schmid for answers, there was something terribly wrong.
