Sir George Bolton

**The Assassin's Mark** Sarah Makela,Tavin Soren,2016-06-15 An assassin becomes a protector as he enters a magical world...all for the woman of his dreams. Brigit Ó Ruaidh is the sole heir to the Kingdom of Freehaven. While journeying to visit a lord, she learns her royal parents have been murdered...and she's next. With assassins after her, she tries to prevent her kingdom from falling into anarchy. As she sets her eyes on the throne, her world gets turned upside down when she's rescued by a dangerous man. Edward Emerson is an assassin. His job is to kill those who bring death and suffering to his world. When he finds himself in another world protecting a princess he's seen in his dreams, he vows to move heaven and earth to keep her safe. In return, he hopes to find his way back home. Another claimant to the throne blocks their way, and he will risk everything to make his mark on Freehaven and carve out power of his own. If Brigit and Edward don't work together, they won't live long enough to see her reclaim her destiny...or for their love to blossom.

**The Thief's Gambit** Sarah Makela,Tavin Soren,2020-01-14 A thief working for a local mob boss gambles everything...all for the chance to love his boss's daughter. Timothy Sands is an experienced thief with an old gambling debt. Working for the local mob brings him face to face with a supernatural threat unlike anything he's ever experienced. It'll take all of his skills to complete his assignment and keep his loved ones safe. But his greatest danger will be meeting the mob boss's daughter. Letizia Prosdocimi is the only daughter of an influential crime boss. Her life forever changes when her father acquires a long-lost family heirloom. Not all is well since sinister events surround the amulet and her family. After being saved by the mysterious thief, she finds herself falling for him, but those who get too close to her usually wind up dead. A shadowy entity threatens to tear apart everything Letizia and Timothy hold dear by feeding on the living and turning allies against them. Who can they trust? Only by working together will they have a chance to beat the odds...and let their love grow.

**Lasting Visions: With the 7th Marines in Vietnam 1970** Frederick Fenwick,2019-05 Merriam Press Vietnam War Series. A coming of age story of a farm boy who grew up in the heartland of Kentucky, who enlisted in the Marines in 1969 and experienced Marine boot camp at Parris Island where domineering drill instructors took away the youth in the author and instilled the discipline, training, and motivation necessary to survive in combat. Arriving in Vietnam in March 1970 he was assigned to 3rd Platoon, Mike Co., 3rd Bn., 7th Marines. His story tells of the bravery, camaraderie, and

esprit de corps of this Marine infantry squad. Fred's true accounts take the reader into the jungles, rice paddies, villages, and mountains of Vietnam. Lasting Visions takes you to ground zero of the Vietnam War. 33 photos, map.

Socially Responsible Ai: Theories And Practices Lu Cheng,Huan Liu,2023-02-13 In the current era, people and society have grown increasingly reliant on artificial intelligence (AI) technologies. AI has the potential to drive us towards a future in which all of humanity flourishes. It also comes with substantial risks for oppression and calamity. In response, researchers and organizations have been working to publish principles and develop AI regulations for the responsible use of AI in consequential application domains. However, these theoretically formulated principles and regulations also need to be turned into actionable algorithms to materialize AI for good.This book introduces a unified perspective of Socially Responsible AI to help bridge conceptual AI principles to responsible AI practice. It begins with an interdisciplinary definition of socially responsible AI and the AI responsibility pyramid. Existing efforts seeking to materialize the mainstream responsible AI principles are then presented. The book also discusses how to leverage advanced AI techniques to address the challenging societal issues through Protecting, Informing, and Preventing, and concludes with open problems and challenges.This book serves as a convenient entry point for researchers, practitioners, and students to understand the problems and challenges of socially responsible AI, and to identify how their areas of expertise can contribute to making AI socially responsible.

**Fuel Oil Journal** ,1926

**Firefly** Krystyna Allyn,Heart Eyes Press,2021-08-02 It's my last night in New York. And the woman of my dreams is three feet away, expertly twirling a bottle of vodka behind the bar and making the perfect pour. I've never seen anyone as beautiful as Melody, with her enigmatic eyes and a gorgeous smile. All I have to do is introduce myself. And then... I choke. And my chance for something--anything--with her is gone. Months later, I think I'm dreaming when I see her doing bartender tricks here in Vermont. Now all I can think about is having those long, beautiful, fingers performing their magic on my body. But I'm pretty sure she's hiding something. It's painfully obvious she's keeping me at arm's length just when I need to hold her close. She brings out my protective instincts, but I've got problems of my own. If I'm not careful, I'll destroy everything I'm trying to build. Losing her again might break me this time, because now I can't imagine life without the light of my Firefly. \*\*\* Firefly is a stand-alone novel in the Speakeasy series of Sarina Bowen's World of True North! Stop in for craft brew and romance. The drinks aren't the only things shaking it up around here... \*\*\* For fans of: Sarina

Bowen, True North, Emily Henry, Marie Force, Piper Rayne, Kendall Ryan, Amanda Siegrist, Devney Perry, Carrie Ann Ryan, Rebecca Yarros, Chelle Bliss, Sarah Mayberry, L.B. Dunbar, J.H. Croix, Rebecca Norrine, Lisa Hughey, Erin Wright, BJ Daniels, Kate Pearce, Cora Seton, Vivian Arend, JH Croix, Jennifer Ryan, Diana Palmer, Elle James, Corinne Michaels, Kelly Hunter, Amy Andrews, Lori Wild, Sinclair Jayne, Jeannie Watt, Kristen Callihan, Jane Porter. Search terms: Busy Bean, True North World, World of True North, forbidden romance, contemporary romance, Vermont romance, Sarina Bowen's World of True North, coffee shop romance.

*The Sterling Inheritance* Michael Siverling, 2004-07-01 Winner of the Private Eye Writers of America Best First Private Eye Novel Contest. Private investigator Jason Wilder has the toughest boss in River City: It's his mother. She and her husband were legendary police detectives when Jason was growing up. Wild Bill Wilder has since died, and Mom is running the detective agency they had founded with a loving but definitely iron hand. Working under Mom (also known by her staff as Queen Victoria and Her Highness) is adventurous, no denying that. Jason's present assignment, to locate a missing businessman, leads to some unexpected surprises. He locates the man in a dreary motel, with orders to return him to his worried wife. Instead, the man shoots at him. Before he can recover from the attempt, he is surrounded by police, who punch him, handcuff him, and inform him that his subject is wanted for homicide. From there the case expands, plunging Jason into some twisted bypaths. Why are the members of the suspect's family (including his enchanting sister) fighting tooth and nail over a dilapidated movie house the sister is restoring? Why was the dead man's body found just outside it? Is there something hidden there---and what? With Jason doing the footwork and Mom supplying the know-how, they get dangerously close, and Mom is going to have to take a hand herself.

*A Tangle of Threads* Egathentale, 2022-09-27 Trapped in an artificial-reality battle school, a genre-savvy hero is caught between two girls and four supernatural factions, in this slice-of-life fantasy. Leonard Dunning was supposed to be the comic-relief best friend of the hero in a supernatural harem-comedy narrative. Instead, his rebellious attitude, flirtatious nature, and downright bravado have placed him in a starring role in a fantasy simulation where he possesses superhuman abilities, fights otherworldly creatures, and has won the hearts of two high school girls—Eleanor Dracis, a noble family's princess, and Judy Sennoma, a placeholder character awakened by Leo's interactions. His antics have brought him the attention of four powerful cabals: the magical Magi, dragon-clan Draconians, angelic Celestials, and demonic Abyssals. Each of them is trying to fulfill an ancient prophecy

involving Leo's friend Josh Bernstein—the story's would-be hero—as their chosen one. But Leo's knowledge of the genre's tropes, his array of out-of-context superpowers, and his loyalty to his friends have altered the narrative and made him the center of attention instead. Now, he's been branded Leonard Blackcloak and become entangled in several seemingly disconnected plots. And when a goofy mad scientist's army of robots attacks Leo's friends, it's clear the simulation is trying to reassert control of the story with a sentai genre shift. With two girls to keep happy, the side effects of his powers wreaking havoc on his body, and numerous new enemies and allies joining the fray, Leo must uncover the identities of those in control—and what their endgame truly is. The second volume of the hit slice-of-life romantic-comedy series—with more than two million views on Royal Road—now available on Audible and wherever ebooks are sold!

Stranger in the Room Amanda Kyle Williams, 2012-08-21 “One of the most addictive new series heroines since Stephanie Plum.”—The Atlanta Journal-Constitution Atlanta private investigator and ex-FBI profiler Keye Street wants nothing more than time alone with her boyfriend, Aaron—but, as usual, murder gets in the way. A.P.D. Lieutenant Aaron Rauser is called to the disturbing scene of the strangling death of a thirteen-year-old boy. Meanwhile, Keye, a recovering alcoholic, must deal with her emotionally fragile cousin, who has her own history of drug abuse and is now convinced that she is being stalked. But all hell breaks loose when another murder—the apparent hanging of an elderly man—hits disturbingly close to home for Keye. Though the two victims have almost nothing in common, there are bizarre similarities between this case and that of Aaron’s strangled teen. With

the threat of more deaths to come, Keye works on pure instinct alone—and soon realizes that a killer is circling ever closer to the people she loves the most. **BONUS:** This edition includes an excerpt from Amanda Kyle Williams's *Don't Talk to Strangers*. Praise for Amanda Kyle Williams and *Stranger in the Room* “Keye Street remains the most interesting, cynically funny and smart series detective today. . . . The tension buzzes like cicadas on a hot Georgia night and the pace is relentless.”—*Seattle Post-Intelligencer* “The best fictional female P.I. since Sue Grafton’s *Kinsey Millhone*.”—*The Plain Dealer* “Keye Street immediately puts herself in the top echelon of suspense heroes. She’s a mess of fascinating contradictions—effortlessly brilliant on a case, totally inept in managing her own life. She is brutally funny and powerfully human—one of the most realistic protagonists in crime fiction that I’ve had the thrill to read.”—Tess Gerritsen, *New York Times* bestselling author of *Last to Die* “There’s a new voice in Atlanta, and her name is Amanda Kyle Williams—captivating, powerful and compelling.”—Julia Spencer-Fleming, *New York Times* bestselling author of *One Was a Soldier* “Readers of this fast-paced thriller will be eager for the next Street tale.”—*Publishers Weekly*

**Specifications and Drawings of Patents Issued from the U.S. Patent Office United States. Patent Office, 1876**

*Buried Dreams* Haden James, 2020-12-27 Some American cities thrive on the gilded dreams of young hopefuls. An endless stream of beautiful naïve women, barely out-of-school ebb and flow through their streets, providing a smorgasbord for predators. Few of these women will see their names in lights, the grim realities of city life forcing them to find alternative income sources; improving their chances of being victimized. Rarely do these missing women get noticed. But when over a dozen of these women disappear in a short time to never reappear, even law enforcement notices. The FBI arrives first on the scene, but no bodies leaves the agents impotent. They pass the case along to the Serial Crimes Tracking Unit. Aislinn Cain instantly realizes there are two major difficulties for her and her team: The victims are prostitutes, and most people don’t care if someone is murdering prostitutes, and without bodies it is impossible to make a case that they have become prey for a serial killer. However, after looking through the case files assembled on the missing women, she knows in her bones that Nashville, Tennessee, has a serial killer stalking the streets at night. This case will test Aislinn Cain as she struggles against people who consider themselves morally superior to the victims and work with academics to invent new search techniques to discover their victims’ remains. This will be the first time she’s using the new investigative skills she’s learned, along with trusting her intuition and knowledge of the killers that hunt in the dark.

*NNP Fleet Marine: Six Weeks* G. Van Wallace, 2022-11-03 Earth is in political and economic turmoil after being attacked and successfully repelling two world invasions by the Galleen alien civilization. John Smith is an orphan with no options. He joins the NNP Fleet Marines, seeking adventure to see the universe and as an opportunity to get out of a bad situation. Soon, he is immersed in the notoriously cruel and fast-paced recruit training known as aEURoeSix Weeks.aEUR Smith tells his story, flipping from past to present. Follow him as he experiences his first combat rotation, fighting a ruthless alien race, learns the bond of brotherhood, finds first love, and experiences the pain of having to say farewell.

The book delves into Mylock Utilities. Mylock Utilities is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Mylock Utilities, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Mylock Utilities
- Chapter 2: Essential Elements of Mylock Utilities
- Chapter 3: Mylock Utilities in Everyday Life
- Chapter 4: Mylock Utilities in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Mylock Utilities. The first chapter will explore what Mylock Utilities is, why Mylock Utilities is vital, and how to effectively learn about Mylock Utilities.

3. In chapter 2, the author will delve into the foundational concepts of Mylock Utilities. This chapter will elucidate the essential principles that must be understood to grasp Mylock Utilities in its entirety.

4. In chapter 3, the author will examine the practical applications of Mylock Utilities in daily life. This chapter will showcase real-world examples of how

Mylock Utilities can be effectively utilized in everyday scenarios.

5. In chapter 4, this book will scrutinize the relevance of Mylock Utilities in specific contexts. This chapter will explore how Mylock Utilities is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Mylock Utilities. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Mylock Utilities.
