**The Quran Journal: 365 Verses to Learn, Reflect Upon, and Apply** The Dua Journal, 2019-02-26 The Quran is the foundation of our faith and the source of our guidance as Muslims, but many of us struggle to create or maintain a relationship with the words of Allah in our daily lives. Quran journaling is a great way to cultivate that relationship - it gives you flexibility to connect with the Quran on your terms and the ability to see how verses apply specifically to you and your individual circumstances. This journal will be your guide on that journey to connect with the Quran in a meaningful way. With relevant monthly themes and selected verses for each day, this journal will help you to get started creating that relationship, without the overwhelm of not knowing where or how to start. Make the intention that the 365 daily verses in this book will be your starting point on your lifelong journey to connect with Allah's words in ever deeper and more meaningful ways. That they will be your reminders when you feel like you have wandered off the path. That they will be your foundation and your grounding in a world that seems ever more hectic.

**Bismillah.** - Theme and Verse Number: At the top of each page, you will find the theme for the month and the number of the verse in the Quran which you can use to look up the verse. - Arabic: Regardless of the level you are, practice Arabic writing by copying down the verse. - Translation: Write down

the translation you best understand and connect with. - Tafsir: Read through and write the background, context, and explanation of each verse. The most well known authentic resource for tafsir is Tafsir Ibn Kathir. Th is can be purchased online or in many Islamic bookstores. Tafsir Ibn Kathir can also be found for free online in various places. - Application: Reflect on and apply the verse of the day to your life. How does this verse connect to you and your experiences? How does it relate to the overall theme? Are there any other verses, hadith, or quotes that this brings to mind? How does it make you feel? How can you act on it? These are some questions to get you started, but of course you can write whatever feels right. - Dua: Write a short dua to help you put your learnings about the verse into action. Ameen. May Allah accept all your efforts in better connecting with the Quran.

*Quran* Talal Itani, 2014-08-17 Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was

translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. This Quran translation is available in two editions. This edition (A) uses the word Allah to refer to the Creator. Edition (B) uses the word God. Quran Sura 91. The Sun. ash-Shams. In the name of Allah, the Gracious, the Merciful. 1. By the sun and its radiance. 2. And the moon as it follows it. 3. And the day as it reveals it. 4. And the night as it conceals it. 5. And the sky and He who built it. 6. And the earth and He who spread it. 7. And the soul and He who proportioned it. 8. And inspired it with its wickedness and its righteousness. 9. Successful is he who purifies it. 10. Failing is he who corrupts it. 11. Thamood denied in its pride. 12. When it followed its most wicked. 13. The messenger of Allah said to them, This is the she-camel of Allah, so let her drink. 14. But they called him a liar, and hamstrung her. So their Lord crushed them for their sin, and leveled it. 15. And He does not fear its sequel. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.
