Insiders' Guide® to Myrtle Beach and the Grand Strand

Janice McDonald, 2009-12-22 is the essential source for in-depth travel and relocation information to this popular South Carolina vacation destination. Written by a local (and true insider), it offers a personal and practical perspective of Myrtle Beach and environs. Fully revised and updated, the 10th edition also features a new interior layout and a new cover treatment.

Lost Myrtle Beach Becky Billingsley, 2014-06-10 Myrtle Beach has long been a favorite vacation spot for families across America, giving parents and children alike a lifetime of memories. The Myrtle Beach Pavilion, considered by many to be the heart of the city since 1908, was demolished in 2007. The Ocean Forest Hotel was as beautiful as a castle, and resembled one, during its forty-four-year span. Members of World War II's Doolittle Raid trained at the Myrtle Beach General Bombing and Gunnery Range, which eventually became Myrtle Beach Air Force Base until its closure in 1993. Join author Becky Billingsley for a trip back in time as she examines some of the city's most memorable attractions.

Myrtle Beach Pavilion Lesta Sue Hardee, Janice

McDonald, 2010 For almost a century, the heart of Myrtle Beach was defined by a place simply called the Pavilion. From the original structure built in 1908, the Pavilion was the center of the resort town's growing tourism industry. It was a destination point for anyone coming to the Grand Strand. Here you could stroll the Boardwalk, play arcade games, make faces in fun mirrors, ride rides, dance the Carolina Shag, or sit on a bench and watch everyone else do all of the above. The Pavilion underwent several incarnations. The first ones were wooden and vulnerable, but the final was concrete and seemingly indestructible, standing for nearly 60 years. Hardly an architectural marvel, what the Pavilion lacked in grandeur, it made up for in pure old-fashioned fun. The beloved structure and its rides fell prey to economics and a wrecking ball in 2006. Myrtle Beach natives Lesta Sue Hardee

and Janice McDonald trace the origins of the Pavilion from its early days as a recreational site for guests of Myrtle Beach's first hotel, the Sea Side Inn, to its heyday as the location for beach activities on the East Coast, and finally to the Pavilion's Farewell Season. The Images of America series celebrates the history of neighborhoods, towns, and cities across the country. Using archival photographs, each title presents the distinctive stories from the past that shape the character of the community today. Arcadia is proud to play a part in the preservation of local heritage, making history available to all.

Fixing the Fates Diane Dewey, 2019-06-04 The secrets, lies, and layers of deception about Diane Dewey's origins were meant for her protection—but eventually, they imploded. Living with her family in suburban Philadelphia, Diane had grown up knowing she was born in Stuttgart and adopted at age one from an orphanage. She'd been told her biological parents were dead. Then, in 2002, when she was forty-seven years old, Diane got a letter from Switzerland: her biological father, Otto, wanted to bring her into his life. With that, her world shifted on its axis. In the months that ensued, everybody had a different story to tell about Diane's origins, including Otto when they met in New York City. She struggled to understand what was at stake with the lies. Like a private eye, she sifted through competing versions of the truth only to find that, having traveled throughout Europe and back, identity is a state of mind. As more information surfaced, the myths gave way to a certain elusive peace; Diane discovered a tribe in her mother's family, found a Swiss husband, gained a voice, and, for the first time, began to trust in the intuition that had nudged her all along. One-part forensic investigation, one-part self-discovery, *Fixing the Fates* is a story about seeing behind artifice and living one's truth.

The Wife's Tale Lori Lansens, 2009-08-18 It's the eve of her twenty-fifth wedding anniversary and Mary Gooch is waiting for her husband, Jimmy, to come home. But Mary isn't just waiting for Jimmy. She is waiting for a mother who accepts her, children she is unable to have, a life beyond the well-worn path from her bedroom to the refrigerator. Mary is waiting for her life to start. As she waits for Jimmy, the night passes into day and it becomes clear that he isn't coming home. A letter left in the mailbox confirms her worst fears and Mary is left alone to make a difficult decision. Should she break free from her inertia and salvage her marriage? Or is the pull of the familiarity of her home, the predictability of her daily routines, too strong to resist? For the first time in her life, Mary decides to leave and boards a plane to California. She flies across the country in a desperate attempt to find her husband. The clothes, the marriage, the home that had given her a place to hide for so long are all gone. Mary soon finds that the bright sun and broad vistas of California force her to look

up from the pavement, stop waiting and start living. What she finds when she does is an inner strength she's never felt before. Through it all, Mary not only finds kindred spirits, but reunites with a more intimate stranger no longer sequestered by fear and habit: herself.

Myrtle Beach Series, Cherry Grove, Ocean View, Silhouette (Complete) Jessica Caryn,2020-08-05 Hayden & Krista Hayden Buchanan had a crush on his neighbor, well, it was more than that, but Krista was shy, so it took months to have random conversations with her. Hayden was surprised when Krista knocked on his door. She gave him a bold kiss. The timing was off. Krista avoided him. Hayden wanted to explain. Another kiss happened with a promise to talk things out. Krista had plans, but her night ended in a confusing situation. Hayden's reaction will prove Krista can trust him. Original Release: Krista (Last Night) c 2017 Dex & Tammy Their relationship started with no-holds-

barred sex that led to an intimate connection. It's been romantic sunsets and cozy mornings until Dex's work obligations caused strain on their quality time. Date nights were cancelled, and heartfelt apologies were made, but an unwanted guest comes to the beach resort. Tammy's past will get tangled with Dex's professional life. Original Release: Tammy (After Last Night) c 2019 Murphy & Juliana Murphy Hayward was open to whatever the night would bring. A dark-haired beauty drew his attention. One provocative dance with Juliana De Araújo led to a night in bed. She left without leaving her number. Myrtle Beach Resort & Villas was Juliana's last known location. Murphy's work week went to hell and there were issues at the Corporate Residence. Murphy rented a suite at the resort in hopes he and Juliana would reconnect. Luck was on his side. She was there. Will it be better the second time around? Flynn & Kimber He was surprised when she asked about him renting a place. Flynn wanted Kimber, so friends-with-benefits wasn't an option. They figured it out, and it was a win-win until he got off work early one night. Kimber will feel what it's like to be with a man who takes her desires to heart. Keith & Desiree Things never came easy for Desiree Leroux. She spent three years managing Silhouette with Keith while hiding her feelings for him. A woman in her right mind would keep making her cash, but her heart didn't agree. Desiree wanted it all. Keith Fuller always put business first, but the tension with Desiree reached its breaking point. It happened at the worst time. There was a thin line between work and lust. Jealousy fuels the existing heat between them. Keith will prove his loyalty. Joey & Ashley Ashley rented a studio apartment and was paying off her debt. She wasn't in the holiday spirit and would've been okay with staying in Myrtle Beach for Christmas. Joey talked sense into her. Ashley went home to spend time with her family. Things were good until she found out Joey was at a party with his ex-girlfriend. He ended the call without explaining. Ashley's feelings were hurt. She went out to let off steam and ended the night in her ex-

boyfriend's bed. Sometimes, things aren't what they seem, and earning Joey's trust might be easier said than done. Kildare & Calista Everything was falling into place for Calista Montoya. She didn't like being messy and was open and honest about dating. A last-minute cancellation had her ringing in the New Year with friends. Calista was ready for everything the night would bring but didn't expect to meet Kildare Jackson. He was quiet one minute and passionate the next. Calista was determined to have all her heart desired. Kildare Jackson's life was work, sex, repeat. He checked Calista out before she sent her number his way, but there's trouble around the corner. Kildare didn't think twice about protecting Calista. He knew having her in his space could cause stress and expose issues he wanted to hide. Kildare will have to decide if she's worth the risk. Chrystal and Cashmere Butch Tweedy,2024-04-05

Cashmere Dee Crawford was born in Kentucky and lived in New York City. At an early age, she was a very successful roller-skating champion until a car accident ended her career at fourteen years old. There was a painful and long rehabilitation period following, and she never completely recovered. It was not until four years later after graduating from high school that she decided to take a road trip and met a part-time model and waitress named Chrystal Lea Stevens who had also been a skating champion when younger. The two quickly bonded, and Chrystal decided to chase the gold again after a five-year hiatus--with Cashmere as her coach. They were astonished at how intrinsically difficult life could be when adulthood supervened. Together through hardships and joy, they pursued their dreams, which ended completely different from what they expected.

Twenty Thousand Roads David Meyer,2008-01-29 "A terrific biography of a rock innovator that hums with juicy detail and

wincing truth. . . . Page after page groans with the folly of the '60s drug culture, the tragedy of talent toasted before its time, the curse of wealth and the madness of wasted opportunity."—The Atlanta Journal-Constitution

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE LOS ANGELES TIMES

• NAMED ONE OF THE FIVE BEST ROCK BOOKS OF THE YEAR BY ROLLING STONE

As a singer and songwriter, Gram Parsons stood at the nexus of countless musical crossroads, and he sold his soul to the devil at every one. His intimates and collaborators included Keith Richards, William Burroughs, Marianne Faithfull, Peter Fonda, Roger McGuinn, and Clarence White. Parsons led the Byrds to create the seminal country rock masterpiece *Sweetheart of the Rodeo*, helped to guide the Rolling Stones beyond the blues in their appreciation of American roots music, and found his musical soul mate in Emmylou Harris. Parsons' solo albums, *GP* and *Grievous Angel*, are now recognized as visionary masterpieces of the transcendental jambalaya of rock, soul, country, gospel, and blues. Parsons named "Cosmic American Music." Parsons had everything—looks, charisma, money, style, the best drugs, the most heartbreaking voice—and threw it all away with both hands, dying of a drug and alcohol overdose at age twenty-six. In this beautifully written, raucous, meticulously researched biography, David N. Meyer gives Parsons' mythic life its due. From interviews with hundreds of the famous and obscure who knew and worked closely with Parsons—many who have never spoken publicly about him before—Meyer conjures a dazzling panorama of the artist and his era. Praise for *Twenty Thousand Roads* "Far and away the most thorough biography of Parsons . . . skewers any number of myths surrounding this endlessly mythologized performer."—Los Angeles Times "The definitive account of Gram Parsons' life—and early death. From the country-rock pioneer's wealthy, wildly dysfunctional family through his symbiotic friendship with Keith Richards, Meyer deftly illuminates one of rock's most elusive figures."—Rolling

Stone “Meticulously researched . . . Though Meyer answers a lot of long-burning questions, he preserves Parsons’ legend as a man of mystery.”—Entertainment Weekly “Meyer gives Parsons a thorough, Peter Guralnick-like treatment.”—New York Post
