Bad Angel Julie Light, 2020-11-13 One stupid hell-portal I can't close. A super-hot movie star I can't get out of my head. A whole lot of demons I can't de-possess fast enough. Being a demon-hunting angel in Hollywood just got a lot more complicated. I've spent weeks trying to forget about Phoenix X, the movie star who might be an angel and the one woman I can't be with. I've hunted demons, consulted with priests, hired witches and psychics. I've picked up random women on the Sunset Strip. Now a high school buddy shows up at my P.I. office, asking for my help. His wife, another old friend, mysteriously disappeared. I can't say no to him, or to finding her. And, wouldn't you know it, demons are behind that, too. What I don't know yet, is that things are about to get a lot more complicated. And bloody. And covered in feathers. Bad things are heading my way. Demon pool parties, mystical anti-angel drugs, illicit make-out sessions, and guns, a lot of guns... and I really hate guns. Bottom line, all those hell-portal demons are about to fight back. If I don't get better, fast, at using my angelic powers, I might not make it out alive. * BAD ANGEL is book #2 in the Angels in L.A. series, a gritty angel

urban fantasy, ideal for fans of K.F. Breene, Shayne Silvers, Patricia Briggs, C.N. Crawford, Linsey Hall

Angel Who Fell Jc Andrijeski, 2021-12-04 I have no memory of being this evil thing, this creature king of lower realms, bringing darkness and death to Earth... who has fallen from the Light of Heaven. Dags Jourdain finally learned the truth of who he was--and it broke him. Forced to see himself damned, his life damned, his relationships damned. Unable to stomach the thought of doing that to others. Unable to accept his sole purpose might be to bring darkness and chaos to everyone he loves. So he left. He left his girlfriend, his friends, anyone who might end up his collateral damage. He couldn't be what his dark brother wanted him to be, either. As much as Uri tried to convince him it was fate, Dags couldn't embrace the supposed joy of being the most evil thing in existence. Then homicide detective Kara Mossman calls, needing his help. Dags can't say no, and soon finds himself in the middle of a murder investigation, where the prime suspect is a ten-year-old child. The deaths appear

savage, motive-less, with all the markers of supernatural badness. Determined to save the boy from a fate worse than death, Dags reluctantly rejoins the world and faces the truth he's spent weeks fighting to avoid. He also gets hit by the fallout from everyone he left behind... including his movie star girlfriend, Phoenix X, who didn't exactly cope well with his vanishing act, either. * ANGEL WHO FELL is book #5 in the Angels in L.A. series by USA Today and Wall Street Journal bestselling author, JC Andrijeski.
