The Descent of Angels Jennifer Smith, 2013-09 For thousands of years, Lazariel-one of the Living Ones-has tried to protect his extended family from the wrath of the fallen angels known as the Watchers. Now, keeping the promise he has made to

an old friend-to make sure his grandson remains safe-is proving to be more difficult than Lazariel expected. Zephaniah Adams remembers most of his grandfather's stories about ghosts, fairies and angels, but he never considered them to be more than invented tales. Yet while clearing out the family home in rural Tennessee, he inadvertently uncovers a long-held family secret. After returning home to New York City, Zeph starts to believe that he is being followed by mysterious dark-suited men. And now his estranged father-a biochemist who apparently has been studying the genetic code of the Watchers and their hybrid offspring, the Nephilim- seems to have gone missing. With the help of his new archeologist friend Jillian, Zeph must find a way to stop the Watchers from carrying out their ancient divine directive: to wipe out all traces of the Nephilim and their descendants.

University of the Damned Chris Oca, 2021-09-06

There are only two types of races which humans are divided to; The Sanctified, who enjoy the normal flow of life, and The Damned, who manifest special abilities the more unstable they are. In a society where being different is a sin, both races are deemed to live apart, one in the city and one in the outskirts, prohibited to meddle with each others' affairs. However, when Melanie, a young lady from a Sanctified family, manifested inhumane abilities, it caused a great disturbance in the norm and as a result, she was exiled to the outskirts where they think she belongs. Will this Sanctified-born girl perish in this downfall? Or will she survive and turn the tables in her favor? Are you willing to risk your sanity in exchange for superpowers? Disclaimer: If morbidity is your cup of tea, you got the right book for you. Read at your own risk.

Pathfinder Adventure Path Richard

Pett, 2015-11-03 With a hideout in the city of Kintargo established, the heroes of the growing rebellion are poised to take back the city. But before their group, the Silver Ravens, can strike against the diabolic House Thrune, a few final preparatory steps must be completed. Forging alliances with nearby tribes of aquatic elves and the free-city of Vyre and closing the mountain pass known as Menador Gap will cut off Cheliah's easy sea and land routes, forcing Inquisitor Barzillai Thrune to rely on his resources at hand to defend his control of Kintargo. Yet nothing is as simple as it could be, and the dangers awaiting the heroes of the revolution in the nearby seas, mountains, and the sin-wracked city of Vyre are not always those you can defeat with a spell or sword. And, of course, Barzillai Thrune won't take these new developments lying down - what

retributive reaction might one of Cheliax's most dangerous inquisitors have in plan for the Silver Ravens? A Pathfinder Roleplaying Game adventure for 7th-level characters, *Dance of the Damned* continues the Hell's Rebels Adventure Path, an urban- and political-themed campaign that focuses on a rebellion against one of the Pathfinder Campaign Setting's most infamous nation - the devil-haunted Cheliax.

Languages Are Good for Us Sophie

Hardach, 2021-01-07 This is a book about languages and the people who love them. Sophie Hardach is here to guide us through the strange and wonderful ways that humans have used languages throughout history. She takes us from the earliest Mesopotamian clay tablets and the 'book cemeteries' of medieval synagogues to the first sounds a child hears in their mother's womb and their incredible capacity for language learning. Along the way, Hardach explores the role of trade in transmitting words across cultures and untangles riddles of hieroglyphics, cuneiform and the ancient scripts of Crete and Cyprus. This is a book about languages, the people who love them and the linguistic threads that connect us all.

'Impeccably researched and engagingly presented... Sophie Hardach tells wonderful stories about words that have travelled vast distances in space and time to make English what it is' David Bellos, author of *Is That a Fish in Your Ear? Translation and the Meaning of Everything*

The Room to the West Lauren Biel, 2022-01-19

Sometimes to go forward, you must go back. So what if I'm jaded? No one ever asks me how I feel,

anyway. They just use me. My clients call me Hannah. I'm an escort, but I refuse to work in a brothel. I always followed the law until I strolled alongside the lawless. I never wanted to be with a man until I met this one. What business do I have with someone over a century my senior? What could we possibly have in common? Everything and nothing at all. Weston's dark and brewing eyes make me forget we're from two different eras. His past bites at our heels, and he will kill again for me. The rugged and desolate Old West is no place for me. For either of us. How can I choose between him and my old life? How much am I willing to give up for the only man who's ever seen my soul? *The Room to the West* is the second novel from Lauren Biel, author of *Shoot Down the Stars*. This book is recommended for readers 18+ due to adult themes. Please see the copyright page for the content advisory information or head to LaurenBiel.com for a comprehensive list. Shoot Down the Stars Lauren Biel, 2021-09-12 From new author, Lauren Biel, comes this tragic tale of grief, sorrow, and ultimately, love. If you want sweet lovemaking, this book isn't for you. This story is raw, gritty, and will leave you wanting more. Emily Maylor is a shy and self-conscious bookworm. David Norstar is an outgoing and popular newcomer. After meeting in high school, they soon

develop an unshakable bond that lasts well into adulthood. But with this bond comes drug addiction, unrequited love, and feelings of jealousy. Will they lose one another, or will they be able to find what they have been missing in each other all along? This contemporary dark romance is recommended for adult readers only. Please refer to the Content Advisory page for content warnings. Shoot Down the Stars was an emotionally raw story about finding yourself and allowing yourself to be loved the way you deserve. The level of realness was heartbreaking, the characters went through so many struggles, yet by the end, I was left with a smile on my face. - Charity B. Author of Skeleton King I never knew I was capable of love, hate, distress and gut wrenching sadness at the same time until I read this book. Proceed with caution. - Beth H. I literally loved and hated every character at some point in this book. The emotional impact is just amazing. - R.N Gosser
