Moonlight: Abraham Lincoln and the Almanac Trial John Evangelist Walsh,2015-05-05 On August 29, 1857, in the light of a three-quarter moon, James Metzger was savagely beaten by two assailants in a grove not far from his home. Two days later he died and his assailants, James Norris and William Armstrong, were arrested and charged with his murder. Norris was tried and convicted first. As William Duff Armstrong waited for his trial, his own father died. James Armstrong's deathbed wish was that Duff's mother, Hannah, engage the best lawyer possible to defend Duff. The best person Hannah could think of was a friend, a young lawyer from Springfield by the name of Abraham Lincoln. Lincoln took the case and with that begins one of the oddest journeys Lincoln took on his trek towards immortality. What really happened? How much did the moon reveal? What did Lincoln really know? Walsh makes a strong case for viewing Honest Abe in a different light in this tale of murder and moonlight. Moonlight is a 2001 Edgar Award Nominee for Best Fact Crime.

Murder by Moonlight Vincent Zandri,2021-05 Would you try to save your son from a death sentence if he tried to murder you in your own bed? In Murder by Moonlight, Vincent Zandri's cunning detective Dick Moonlight returns with his toughest case yet: proving an open-and-shut murder investigation isn't over at all. Joan Parker is the last woman private eye Dick Moonlight would ever expect to see in his Albany office. From the right side of the tracks-neighboring Bethlehem-she bears her upper class upbringing as effortlessly as a string of pearls. She also bears a scar running down her head and face-a brutal reminder of the ax attack that took the life of her husband. Her twenty-one-year-old son, Christopher, now sits in jail charged with the crime. According to the official report-based on Joan's answers to police when they arrived at the house and found her barely alive-she identified Christopher as the culprit. But sitting in Moonlight's office, she reveals that she has no recollection of the event, yet is certain of one thing: Christopher didn't do it. Moonlight knows a thing or two about being nearly dead. And he also knows the tragedy of the police jumping to the wrong conclusions-a past case of a falsely accused client still haunts him-so he agrees to take the job and get to the truth of what happened that day. At first the trail of clues-from the crime scene to Joan's original accusation-keeps the finger pointed at Christopher. But soon Moonlight turns up something he never expected, something more sinister than anything he's ever come up against. Vincent Zandri's latest Dick Moonlight PI thriller, Murder by Moonlight is a fast-paced, whip-smart tale of a guy who can't always remember getting into trouble-and can't seem to stay out of it. For fans of Robert B. Parker, Michael Connelly, Ace Atkins, Brett Battles, Don Winslow, and more comes an unputdownable mystery based on a true story that's sure to keep you up all night...in a good way.

Never Seen the Moon Sharon Hatfield,2005-01 The death of domineering Trigg Maxwell in 1935 Wise, Virginia, became a national cause celebre' surrounding his free-spirited daughter Edith. Edith Maxwell returned home past her curfew late one July night, but it was Trigg who ended up dead on the kitchen floor. Amid Edith's claims that she was defending herself and her mother Ann from Trigg by using her high-heeled shoe to beat him, Edith also reported long-term physical and verbal violence from her father. Hatfield writes about the southwest Virginia murder trial, and how the trial addressed perspectives on domestic abuse in Depression-era America. Nationally, Edith was held up as a martyr, before her case stirred a lingering resentment toward a mountain code of justice.

Trial by Fury Craig Rice,2018-03-20 A Chicago lawyer must save his big-city friends from small-town corruption in this “triumphantly rowdy” mystery (Time) that’s also “exciting [and] hard as nails” (The New Yorker). When club owner Jake Justus and his wife, Helene, flee a sweltering Chicago summer for rural Jackson County, Wisconsin, they expect sweet-as-apple-pie locals and calm lakes for fishing. Instead, they become the bait: When the town’s two-term senator is shot to death, Jake and Helene are held as material witnesses—and, if the fathead sheriff has anything to say about it, suspects. Attorney John J. Malone comes to help out his friends, but in a town where everybody knows everybody—be it by blood, sex, or church socials—only out-of-town strangers are fit to be accused. Oh yeah? So what’s their motive for the second murder? Or the third? And the fourth? To find out, Malone will turn Jackson County upside down—with pleasure—and give it a good shake. It might be easier than finding a decent bar! “The Dorothy Parker of detective fiction” is back with the unbeatable trio of sharp-witted attorney John J. Malone and snarky high-society couple Jake and Helene (William Ruehlmann). Trial by Fury is the 5th book in the John J. Malone Mysteries, but you may enjoy reading the series in any order.

Silence in Court Patricia Wentworth, 2016-04-05 This London courtroom drama alternates between a murder trial and the events leading up to the crime When Carey Silence first arrived at No. 13 Maitland Square, she was orphaned and penniless. Being taken in by her cousin, the very rich and domineering Honoria Maquisten, seemed the answer to her prayers. But what Carey encounters is hardly the safe haven she imagined. Mystery and scandal hang over the household like a shroud. And what is she to make of Jefferson Stewart, her handsome, self-appointed protector? Then Honoria shows Carey a magnificent diamond-and-ruby necklace that she promises will one day belong to her. The next day Honoria announces she's going to draw up a new will. The Murder of Mr Moonlight Catherine Fegan, 2019-10-31 THE NUMBER ONE BESTSELLER 'I was a very vulnerable young woman with three small children. I was lost ... Pat Quirke tried to come in and control everything' Bobby Ryan's disappearance in rural Tipperary in June 2011 mystified all who knew him. The truck-driver and part-time DJ (known as Mr Moonlight) was an easy-going fellow with no enemies. Or so everyone thought. When Ryan's body was found 22 months later on the farm of Mary Lowry, the wealthy young widow he had been seeing, it was clear that he had met a violent end. And the most likely person to have brought about that end? Pat Quirke, the man who had 'discovered' the body - Mary Lowry's brother-in-law, financial advisor, tenant and one-time lover. Following the longest running murder trial in Irish criminal history Quirke was convicted of murder in May 2019. Getting to that day had taken years of exhaustive work by gardaí. The Murder of Mr Moonlight is the definitive account of their investigation as well as the compelling story of how an innocent man paid the price for another man's obsessions. _____ 'Absolutely compulsive reading ... a page-turner' Eamon Dunphy '[An] excellent book that shows all the colours of the story that intrigued the nation' Irish Daily Mail 'Well-researched and highly readable ... Fegan proves her journalistic mettle, delivering forensic detail in accessible language ... Anyone who followed the trial will not be disappointed by Fegan's book' Business Post

The Texarkana Moonlight Murders Michael Newton, 2013-05-21 In 1946, years before the phrase “serial murder” was coined, a masked killer terrorized the town of Texarkana on the Texas-Arkansas border. Striking five times within a ten-week period, always at night, the prowler claimed six lives and left three other victims wounded. Survivors told police that their assailant was a man, but could supply little else. A local newspaper dubbed him the Phantom Killer, and it stuck. Other reporters called the faceless predator the “Moonlight Murderer,” though the lunar cycle had nothing to do with the crimes. Texarkana’s phantom was not America’s first serial slayer; he certainly was not the worst, either in body count or sheer brutality. But he has left a crimson mark on history as one of those who got away. Like the elusive Axeman of New Orleans, Cleveland’s Mad Butcher of Kingsbury Run, and San Francisco’s Zodiac Killer, the Phantom Killer left a haunting mystery behind. This is the definitive story of that mystery.

Moonlight Rises Vincent Zandri, 2012 A gang of Obama-masked thugs in a downtown Albany alley gave Dick Moonlight a one-way ticket to the Pearly Gates. But when his hovering spirit slips back into his bruised body, the real trouble starts. A private detective with a short-term memory problem, Moonlight knows he's still in danger. He's got plenty of enemies to keep him guessing why--even the latest love of his life, Lola, can't be trusted. But the goons who snuffed him want something else: Moonlight's latest client, a handicapped nuclear engineer, had a top-secret box the gang believes is in Moonlight's possession. Moonlight can't remember any box--but that doesn't mean he doesn't have it. He just better figure out where it is before he winds up dead for the last time.

Death by Moonlight Virginia Dyer Vogt, 2012-09-01 *Death By Moonlight* is a double mystery. Two terrible crimes mirror each other across nearly two centuries, and both must be solved to rescue a young girl threatened by an age-old evil. At the heart of this contemporary novel is an infamous crime that occurred in a small New Jersey town in the early nineteenth century. A suspect was captured and suffered a particularly brutal public execution. However, the trial record hints at historical headwinds and human weaknesses that may have predetermined the verdict. These dark currents swirl around Anya Gregory, a beautiful young performance artist born with a rare sensibility to events both past and present. Anya possesses an uncanny way of knowing things outside her experience. This unbidden knowledge insinuates itself into her increasingly vivid and violent dreams. But why should Anya's dreams of long ago make anyone uneasy? Perhaps it is because the more things change, the more they remain the same - as history so often demonstrates. As the past leaks into the present, Anya Gregory becomes the focus of the secret desires and fears of many of those around her. There are some who want to help Anya, but there are others who wish to end her pursuit of the truth at any cost. *Death By Moonlight* is a deeply satisfying read, rich in character, plot, and action - it will keep the reader turning pages until the final revelation.
