My Trade Andrew Marr,2009-09-18 How do you decide what is a 'story' and what isn't? What does a newspaper editor actually do all day? How do hacks get their scoops? How do the TV stations choose their news bulletins? How do you persuade people to say those awful, embarrassing things? Who earns what? How do journalists manage to look in the mirror after the way they sometimes behave? The purpose of this insider's account is to provide an answer to all these questions and more. My Trade, Andrew Marr's brilliant, and brilliantly funny, book is a guide to those of us who read newspapers, or who listen to and watch news bulletins but want to know more. Andrew Marr tells the story of modern journalism through his own experience. This is an extremely readable and utterly unique modern social history of British journalism, with all its odd glamour, smashed hopes and future possibility.

*My Trade Is Mystery* Carl Phillips,2022-11-01 An invaluable companion for writers at every stage of their journey to make the writing life a more complex and cooperative venture In this intimate and eloquent meditation, the award-winning poet Carl Phillips shares lessons he has learned about what he calls an “apprenticeship to what can never fully be mastered,” through forty years of teaching and mentoring emerging writers. He weaves together his experiences as a poet and prose writer with discussions of underexplored elements of the writing life, including ambition, stamina, silence, politics, practice, audience, and community. In the tradition of Anne Lamott's Bird by Bird, Rainer Maria Rilke's Letters to a Young Poet, and Marcus Aurelius's Meditations, this is an invaluable companion for writers at every stage of their journey. Phillips's book serves as a partner in speculation and an invitation to embrace mystery.
