From Yes to I Do Lucy Tobin,2013-12-24 This is a new wedding planning guide for brides-to-be. The savvy, the surprising and the downright ingenious ideas that will make your wedding stand out from the crowd. Not to mention some behind-the-scenes secrets that put this guide on the side of the bride, not the wedding industry. Want to know what photographers, venues and caterers say you should ask them if you want the best service at the lowest price? Want a wedding with a personal touch, not off the peg? Lusting after luxury but smart about saving? Favour a home-made feel but haven't got the know-how? Lifting the veil on everything from the entrance music to the honeymoon getaway, Lucy Tobin teaches you how to dream big, shop smart and do-it-yourself - all in the down to earth style of the kind of girl you'd want as your own bridesmaid. Get ready to go up the aisle in style with this essential wedding planner!

Virtually Free Marketing Philip R. Holden,2015-01-23 Web 2.0 is changing the way information is perceived about products and companies. The evolution of e-commerce, wikis, blogs and social networking sites means that the focus has shifted from 'impact' to 'engagement' and 'involvement'. Virtually Free Marketing takes a look at how leading lights in e-commerce such as Amazon, Google and YouTube have made their mark, drawing lessons that all business owners can benefit from. It takes the reader step-by-step through marketing their own products and services effectively and cheaply using the level playing field of the Internet and will be a must-have ready for all small business owners and managers.

Make Your Website Sell Jed Wylie,2012-02 Statistics amply demonstrate that most web owners don't understand the fundamental principles of running and marketing a website. But at a time when your website is rapidly becoming a fundamental sales channel, no business (large or small) can afford to get this wrong for much longer. This practical and sales-oriented book aims to resolve two simple problems most web owners face: how to get a website built well and then how to market the site in order to generate sales. The author presents a non-technical, easy-to-implement blueprint to help any business achieve online sales success. Starting with choosing the right web developer, to understanding the key principles of web marketing, to getting long lasting traffic, to writing compelling online copy, to more advanced marketing strategies and analytics, this book will make a lasting difference to a company's web-based sales.

Sustainable Marketing Planning Neil Richardson,2024-04-16 This book provides practical insights, tools and frameworks to help readers produce tactically and strategically appropriate marketing plans. Showing how to embed sustainability in these plans, students will be shown how to implement changes while being encouraged to reflect on why they are needed. The text reflects on contemporary themes that impact on sustainable marketing planning, including consumer behaviour, entrepreneurialism, internal marketing, services, international marketing, event management and digital marketing. The second edition has been fully updated with a greater focus on the issues surrounding sustainability, including the environmental challenges facing businesses, sustainable accreditation and integrating the UN SDGs. It provides background on the value discourses that underpin sustainability, incorporates new examples and case studies from broader regions around the world and introduces TBL-based loyalty. Full of tools and frameworks to improve comprehension, including chapter-by-chapter learning outcomes, summaries, exercises, applied activities and mini case studies, it bridges the gap between theory and practice effectively and accessibly. Presenting contemporary themes and challenges at the cutting edge of business research and practice, this book provides core reading for advanced undergraduate and postgraduate students of sustainable marketing, marketing planning and marketing strategy, as well as professionals seeking to improve the competitive advantage of their organisations. Online resources for the use of instructors include PowerPoint lecture slides and a multiple choice questions section.

Spendsmart Benjamin Fry,Jay Hunt,2009-06-04 Do you dread opening bills and statements? Do you feel like your debts are spiralling out of control? Do you wish you had more money left at the end of the month? 'Spendsmart' authors and money experts Benjamin Fry and Jay Hunt take a unique and holistic approach to helping you deal with all your financial worries. Firstly, Benjamin examines the real reasons behind your overspending, so that you can understand how to change, and then Jay provides you with practical and realistic solutions for spending less. By following their proven 5-step plan, you will be able to identify your debts, learn how to live on a budget without depriving yourself and apply their strategies to the way you continue to spend money in the future. Packed with budgeting suggestions, helpful questionnaires, realistic tips, and fun ideas, 'Spendsmart' is a must-read for anyone who wants to make their money go further.

Customer-Centric Marketing Neil Richardson,Jon James,Neil Kelley,2015-02-03 Two of the major parallel challenges facing businesses today are how to adapt to the changes of fast-paced, fragmenting markets and how to grow a business whilst engaging in recognisably sustainable practices. It is not enough to just be sustainable, it is about communicating it and getting the customer involved in the message. Customer-Centric Marketing shows readers how sustainable development practices and digital marketing techniques work naturally together to add value, leading to improved customer satisfaction, better professional relationships and increased effectiveness. Ideal for senior marketing professionals and students on digital marketing or marketing strategy modules who wish to utilise the benefits of sustainable development and forms of digital marketing, this accessible and straight to-the-point book uses case studies to show how the marketing theories and tools work in actual business scenarios. Customer-Centric Marketing covers contemporary issues such as the increasing use of mobile, QR codes and social network sites for consumers interested in ethical, environmental and sustainable marketing.
