My First 100 Words Ling Lee, Eric Lee, 2022-01-06 Foster image and word recognition with your little ones through engaging, full-color photographs of common first words in Simplified Chinese and English. Books are also available in Traditional Chinese.

1500 Basic Chinese Words Sk Mishra, 2019-07-11 Learning Mandarin Chinese requires a command over a vast amount of Chinese words. This book provides a variety of basic and elementary Chinese words in one single volume. In order to master Chinese reading and comprehension fast, the words have been meticulously organized into different word-sets. For example, the set 高 (gāo, tall/high) includes related words such as 高兴 (gāo xìng, Happy), 高贵 (gāo guì, Noble), 高地 (gāo dì, Highland), 高速 (gāo sù, High speed), 高质量 (gāo dàng, High quality), 高校 (gāo xiào, College/university), 高手 (gāo shǒu, Expert), etc. The book includes- 1. More than 1500 Chinese words organized in over 40 Chapters; 2. Word-sets in tabular forms meticulously grouped by related common themes; 3. Pinyin and associated meanings for each of the words; 4. Common words and phrases for dating and relationship in Chinese context; 5. Important WeChat dating phrases; 6. Description of naming conventions of Chinese food. Apart from a strong emphasis on character grouping and usage, the examples are provided in simplified Chinese character forms with meaning and romanization (Pinyin). The book is useful for all types of Chinese learners, including the beginners, advanced, HSK (1, 2, 3, 4, 5, and 6), etc.

Traditional Chinese Medicine Is an Intangible Science Guo Boxin, 2018-08-07 This is a collection of essays written by a skilled TCM practitioner with over 40 years of experience. The author shares his experiences and reflects on his medical career, illustrating in many instances with real-life case examples, in the hope that the book will inspire and benefit TCM learners. The content was previously published in Chinese by China Renmin University Press. The book provides three main viewpoints: 1. Chinese medicine needs to be accurately positioned to guide professionals in practice; 2. The TCM essence of finding a cure with syndrome differentiation and treatment is emphasized; 3. Pulse diagnosis is essential when prescribing for a cure.

My 1st Book Terri Xiang, 2020-05-12 My 1st Book is a great resource for teaching and learning Chinese (Simplified) and English as a second language (ESL). Pinyin is included for an easier way to learn the correct pronunciation of each word.

Introduction to Chinese Si-Yuan Kong, Wei Ping, Si-Yuan, 2014-01-03

Words are divided into handy sections like kitchen, travel, and more, with a special emphasis on including foods and customs you'll find in China itself.

Learn to Read Chinese, Book 2 Jeff Pepper, 2021-01-21 Two friends find a golden nugget on the ground. A young girl meets a fox spirit. A dog saves a life, a tiger takes a life. A girl runs away from her fishing boat. And a boy saves the spirit of his grandfather. Believe it or not, it's possible for you to read and understand the stories in this book even if you start off not knowing a single word of Chinese! We won't lie to you and say it will be easy, but with time and patience you can certainly do it. Each page of Chinese faces a page of pinyin (phonetic spelling), so if you don't recognize a word, you can check the pinyin to see how it's pronounced. You can then look up the word's meaning in the glossary in the back of the book. A full English translation is also included. You can also listen to a complete audiobook of all of these stories, available free on YouTube and downloadable from our website. These stories are written by the best-selling writing team of Jeff Pepper and Xiao Hui Wang, authors of the Journey to the West series of graded readers, translations of Chinese classics including the Dao De Jing, the Art of War and the San Zi Jing, and lots of other great books. To learn more, visit

How foreigners learn Chinese through the PinYin System HUI LING CHEN COMPILED, 2014-01-16 Now we are in multicultural community. We need understanding and communication among countries. As a Chinese teacher, I have learnt a simple way through tried and error to learn Chinese which is suitable for western people. We can learn Chinese Pinyin by the Method of Chinese Learning by Transfer from English International Phonetic Alphabet to Chinese Pinyin, So I want to recommend the book «Elementary Chinese» to you. Let the world know China better and let China reach out to the world. With the further Reform and Opening, more and more foreigners want to know China and study the Chinese language. From my years of English learning, I have noticed studying Chinese with the help of Transfer. Among the English International Phonetic Alphabets, many alphabets are similar to the Chinese Phonetic Alphabets. The Transfer has obvious effects for the foreign beginners in reading the words correctly and improving their self-taught abilities. There are three parts in this book. The first part is how to learn Pinyin by the Method of Chinese Learning by Transfer from English International Phonetic Alphabet to Chinese Pinyin, The second part is to grasp Chinese spelling by practicing Pinyin. The third part is to learn how to write Chinese by "Chinese Basic Strokes." An Introduction to the Method of Chinese Learning by Transfer from English International Phonetic Alphabet to Chinese Pinyin 1. Contrast between the Chinese Pinyin and English International Phonetic Alphabet There are 48 phonetic alphabets in English with 20 vowels and 28 constants, 20 vowels including 8 double vowels and 12 single vowels. Vowel is the critical phoneme in forming syllable and word and its right reading is the key in studying standard English pronunciation. There are 47 Chinese Pinyin, 6 simple finals with the same function as the 12 single vowels in English phonetic alphabets, 9 compound finals and 9 nasal finals with the same function as 8 double vowels, and 23 initials just like the 28 constants. The precise sounds of the finals are key in Standard Chinese pronunciation. 2. Chinese pronunciation is termed Voice Front Approach, that is, the front of the oral cavity exercises more and pronounces. While English pronunciation is termed "Voice Rear Approach", that is, the rear of the oral cavity exercises more and pronounces. The book will talk about the learning of Chinese Pinyin by Label of English Phonetic Alphabet Sound Symbolism Approach and Phonetic Alphabet Transfer Approach. It will help the foreigners learn the Chinese Pinyin and know the ways to read Chinese characters from the comparison of the places of articulation in phonetic alphabets and Pinyin. With the purpose of transfer, the book will teach the foreigners to learn Chinese by Phonetic Alphabet Sound Symbolism Approach of the English International Phonetic Alphabets and the Chinese Pinyin. From my point of view, the greatest advantage of the method is that it is simple, practical, and easy to understand, with operability. Surely, it will give a shortcut for the westerners to study Chinese. I have intended to continue with Volume 2 and Volume 3, which will show the Chinese long history, brilliant culture and traditional customs to the world and make China known to the world.

The 5000 Most Common Words in Spoken English (in Simplified Chinese) Kiko Arocha, 2023-07-07 English teachers will be able to construct sentences that are appropriate for each level. It is in the best interest of English language learners and teachers to know the most commonly used words to accelerate learning. By learning the most commonly used words first, you can shorten the time it takes to master a new language. Of course, a language cannot be learned by knowing individual words, but a smart English teacher will be able to build the first sentence with the initial words on the list and then gradually add words in decreasing order of frequency of use. (In simplified Chinese)

The Love Triangle Jeff Pepper, 2020-12-25 Sang is a young scholar living alone in a small village in 18th century China. One night a strange and beautiful woman arrives at his house, and he soon falls deeply in love with her. But later, a second even more beautiful woman arrives, and things become extremely complicated. This is a story about fox spirits and ghosts, love and lust, and the unpredictable nature of the human and the not-quite-human heart. This book is a retelling of a Chinese short story called Lotus Fragrance, from Strange Tales from a Chinese Studio, a book written by Pu Songling and published in 1740. It's written using the 1200-word HSK4 vocabulary, making it accessible to advanced beginner or intermediate students of Chinese. A glossary of all words is included, along with an English translation. And a free audiobook is available on YouTube on the Imagin8 Press channel. The authors are the best-selling writing team of Jeff Pepper and Xiao Hui Wang, co-authors of the 12-volume Journey to the West series of graded readers, and translations of Chinese classics including the Dao De Jing, the Art of War, and the Sanzi Jing.

Mandarin Chinese Characters Made Easy Michael L. Kluemper, Kit-Yee Nam Nadeau, 2016-10-18 This highly-visual book introduces an effective new method for learning Chinese characters using visual stimuli and pictographs. Learning the necessary characters used to write even simple Chinese sentences can be a long and arduous process. Chinese Characters Made Easy makes the learning process fun and easy by presenting the 1,000 most common characters using a new mnemonic approach that associates each character with a memorable visual and verbal clue--making memorization easy. The character for person, for example, is superimposed over a sketch of a man representing a person standing on two legs--drawing the reader's attention to the distinctive shape of the character and associating the sketch with the character's meaning. The Chinese characters are presented in groups or clusters all sharing common elements and meanings, for context and ease of identification. These groups of characters all share common root symbols known as radicals or relate to a particular theme or topic such as colors, numbers, animals, or body parts. Pronunciations, meanings and vocabulary compounds are provided for each character in the group. Key features of Chinese Characters Made Easy include: An introduction to the history and structure of the Chinese writing system 1,000 characters and over 3,000 words for beginning learners of Chinese This Chinese character book's visual approach is a powerful learning tool. It can be used by serious students and is entertaining and useful to general readers who are curious about how the Chinese writing system works and how it developed.

My First Book of Mandarin Chinese Words Katy R. Kudela, 2010 How do you say hello in Mandarin? Explore the pages of this Mandarin Chinese English picture dictionary to learn new words and phrases. Colorful photographs and simple labels make learning Mandarin fun.

Chinese Language for Beginners Lee Cooper, 1989-12-15 A simple introduction to Chinese writing, pronunciation and intonation using short stories. Appropriate for beginner Chinese students of all ages. Reading basic Chinese becomes simplified in this highly attractive and unique manual designed for readers of all ages. Chinese writing, pronunciation, and vocabulary are described here in an entertaining and interesting manner to help beginners learn Chinese quickly. The author starts with simple characters and then combines these to make sentences and stories. This step-by-step process allows the reader to develop a basic knowledge of the complex Mandarin Chinese language with maximum comprehension. A section dealing with pronunciation and intonation and a vocabulary list of the

characters used in the book are included as an aid for the reader. Beautiful, imaginative Chinese characters, hand painted by a professional calligrapher and amusing illustrations by the author supplement the text and make learning to read Chinese fun along with fancy.
