Kevin Harvick Greg Roza,2009-01-15 Receiving a go-kart as a kindergarten graduation present, Kevin Harvick got behind the wheel early and has been racing ever since. By the age of 20, he became a NASCAR Rookie of the Year in the Featherlite Southwest series. Soon he was racing in all three of NASCAR's most prestigious nationwide series. In two of these series he would win Rookie of the Year honors. Only one year after being named the NASCAR Busch series Rookie of the Year, he would win the Busch series championship in 2001. He'd win it again in 2006. With 11 wins, 5 poles, 51 Top 5 finishes, 105 Top 10 finishes, and almost \$40 million in earnings during his still young NASCAR career, Harvick has certainly delivered on the early promise he showed as a 5-year-old in his go-kart. There's no telling how much farther and faster this speed demon will go!

The History of NASCAR Jim Francis, 2008 Traces the history of NASCAR racing since its beginning in the 1940s, and tracks its growth and development over the years, NASCAR champions, and famous racing families.

Great NASCAR Champions Jim Francis, 2008 Profiles of several NASCAR legends, including Jeff Gordon and Richard Petty.

One Helluva Ride Liz Clarke, 2008-02-12 From its raw beginnings on Southern dirt tracks, NASCAR smacked of a slightly depraved spectacle, as if nothing but trouble could come from the unbridled locomotion of a V8 engine. By the time NASCAR roared into the twenty-first century, it had grown into a billion-dollar sports and marketing colossus, its races attended by hundreds of thousands of fans on any given weekend from mid-February through mid-November, watched on television by the second-largest viewing audience in sports, and bankrolled by the marketing largesse of the Fortune 500's elite. *One Helluva Ride*, a full-throttle account of the rise and reign of NASCAR nation, is award-winning motorsports reporter Liz Clarke's chronicle of how stock car racing exploded from regional obsession to national phenomenon. In covering the sport for more than fifteen years, Clarke has developed a strong rapport with NASCAR's drivers, team owners, and hard-core fans. Through her reporting and analysis, we get to know the public and private sides of NASCAR's most iconic figures, including seven-time champion Richard Petty, who set the standard for treating fans with respect, and the late Dale Earnhardt, whose brazen, bullying tactics wreaked havoc on the track, but whose heart was as big as Daytona's infield. The sports world stopped in its tracks the day Earnhardt was killed on the last lap of the 2001 Daytona 500. Some feared that NASCAR's soul would die with him. But it has raced on, steered by visionary promoters, the all-controlling France family (who founded the sport), and, above all, the next generation of drivers to stir fans' passions: Dale Earnhardt, Jr., son of the NASCAR legend and now, like his father before him, the circuit's most popular driver; Jeff Gordon, the beloved but oft-maligned outsider, bred from the cradle to be NASCAR's winningest modern champion; and Kasey Kahne, a reluctant heartthrob whose confidence derives entirely from an accelerator pedal. Clarke also brings us inside NASCAR's most triumphant and tragic dynasties: the Pettys, the Earnhardts, and the Allisons--and reveals how faith, family, and a deep-seated love of their sport helps them cope with grief and loss. Clarke shows NASCAR to be at a crossroads. In pursuit of a broader audience, NASCAR has severed its sponsorship ties to Big Tobacco, abandoned racetracks in small markets in favor of speedways near glitzy major cities, and welcomed Japan's Toyota into a sport traditionally restricted to American-made sedans. As NASCAR races toward mass appeal, some suggest it is leaving its roots behind. To others, it is boldly extending its reach from the Southern workingman to every man, woman, and child in the world. Whether you're one of the die-hard NASCAR faithful or just a casual follower, nobody brings you closer to the sport and business of big-time stock car racing than Liz Clarke. This book, like the phenomenon it profiles, really is *One Helluva Ride*.

A Little Bit Sideways Scott Huler, 2021-02 Take a rip-roaring ride into the glory years of NASCAR as you travel with the team not only behind the wheel and in the pits at the track but also to the cocktail parties, broadcast booth and beyond. With unfettered access, award-winning author Scott Huler explored the inner workings of a stock car racing team. His insightful, colorful text takes you back to the days when Jeff Gordon, Dale Earnhardt, and more were battling for supremacy. This insider view follows the always colorful Kenny Wallace as he and his Square D team win and lose on-track

battles at Richmond and Charlotte. This dynamic book explores the inner workings of the greatest era in NASCAR racing. Take a wild ride down memory lane--any race fan who remembers the days when stock car racing was king will love *A Little Bit Sideways*.

Richard Petty J. Chris Roselius,2009-01-01 A biography of American NASCAR driver Richard Petty--Provided by publisher.

Dale Earnhardt Jr. Mike Hembree,2013-06-01 Dale Earnhardt Jr.'s name virtually assured that his life would not be ordinary. Over the past decade, he has fulfilled that destiny. His father, one of the most successful drivers in the history of international motorsports, gave his son more than his name. Dale Earnhardt Sr. placed Dale Jr. in position to follow the footsteps and tire tracks he had left from Darlington to Daytona, from coast to coast, from one championship to the next. Entering 2001, Junior was set to turn the sport on its ear. Instead, his world was rocked in the first race of the season when Dale Sr., racing behind him in a wild finish to the Daytona 500, crashed into the outside wall and was killed. The racing world mourned, and Junior's life changed in many ways. *Dale Earnhardt Jr.: Out of the Shadow of Greatness* tells the story of this remarkable young man's journey from teenage dreamer to Winston Cup winner, from Street Stock racer to 200 mph superstar, from son of the greatest to a champion in his own right. Against the backdrop of one of sport's biggest tragedies, he continues to carry the Earnhardt name to new heights. This newly revised edition is a must for any NASCAR fan.

The 200-MPH Billboard Mark Yost,2007-08-15 Demystifies the economics and politics behind NASCAR sponsorship--and shows how corporate deals have transformed NASCAR itself.

50 First Victories Mike Hembree,Al Pearce,2022-08 The careers of all successful auto racers start with their first win--Richard Petty at Charlotte, Dale Earnhardt at Bristol, Jimmie Johnson at Fontana, Chase Elliott at Watkins Glen. Some wait years to finally take that first checkered flag, and the emotion is often more relief than joy. It's a crossroads reached after miles of struggle and work, lap after lap of learning, going faster and faster until that first trophy is realized. *50 First Victories* chronicles the journey of NASCAR's best as they drive their way to that landmark first victory. For some, it came on an out-of-the-way dirt bullring now lost to all but memory; for others the breakthrough win was scored on one of auto racing's giant superspeedways before thousands of fans and the all-seeing eye of television. Journalists Al Pearce and Mike Hembree have been along for the ride for much of NASCAR's long history. With a combined ninety years of coverage of one of America's grassroots sports, they bring a wealth of knowledge and experience to the stories of these fast-and-furious heroes, drivers who ran to the ragged edge--and often past it--in pursuit of the checkered flag that waits at the end of the road. On these pages we meet Mario Andretti, winner of the Daytona 500, who later described that moment as one that stays with you forever. And Ned Jarrett, who won for the first time at tiny Myrtle Beach Speedway but couldn't fully celebrate because fighting the steering wheel all race left his right hand bloody. And Fireball Roberts, who won in only his third race, outrunning the rest of the field at Occoneechee Speedway, one of the sport's fastest dirt tracks. Here are all the sport's stars--Richard Petty, Dale Earnhardt Sr., Dale Earnhardt Jr., Cale Yarborough, Darrell Waltrip, Jeff Gordon, David Pearson, Jimmie Johnson, Junior Johnson--and the stories of their earliest success. Come along for the trip.

Jeff Gordon Laurie Collier Hillstrom,2011-06-13 NASCAR driver Jeff Gordon has been a key figure in the stock car racing industry since his first Winston Cup victory in 1995. With ninety-three wins, Gordon maintains a record career streak in modern era NASCAR racing. This captivating volume provides a balanced biography of Jeff Gordon. Students will learn about how Gordon helped changed the face of NASCAR, how he broke into the sport and became a champion, and how he matured as a driver and team owner.

The Physics of NASCAR Diandra L. Leslie-Pelecky,2008 Draws on the author's expertise in physics, as well as interviews with mechanics, pit crews, and other insiders, to trace the life cycle of a race car and offer insight into the scientific aspects of high-speed racing, in an account that also explains how drivers survive dangerous accidents. 35,000 first printing.

NASCAR Record and Fact Book 2005 Edition Sporting News Editors,Sporting News Staff,2005 2005 NASCAR Record and Fact Book is an officially licensed reference guide for the upcoming 2005 NASCAR season. In it's second year, NASCAR now has an annually updated resource, for media professionals and consumers, which contains a complete history of NASCAR stats and records from 1949 thru 2004. Taking Stock Monte Dutton,2011-07 NASCAR's Winston Cup Series has become one of America's fastest-growing spectator sports, with nationwide television coverage, custom-built race cars, and superstar drivers. Yet the sport's roots are grounded in the moonshiners and farm boys who raced souped-up family cars every weekend on the dirt tracks of the Southeast. The evolution of stock car racing from a band of regional weekend warriors into a billion-dollar industry sponsored by some of the nation's largest corporations is explored by eight of the sport's most respected and experienced chroniclers. Taking Stock includes previously unpublished stories about the past and present of racing, and it provides a close-up look at the characters, rich and poor, prominent and obscure, who possess the stuff of legends. This collection features racing stories by award-winning motorsports journalists Monte Dutton of the Gaston(GASTONIA, N.C.) Gazette, Kenny Bruce of NASCAR Winston Cup Scene, Mike Hembree of the Greenville (S.C.) News, Jim McLaurin of the State (Columbia, S.C.), Jeff Owens of NASCAR Winston Cup Scene, David Poole of the Charlotte (N.C.) Observer, Thomas Pope of the Fayetteville (N.C.) Observer, and Larry Woody of the Tennessean (Nashville).
