Here Is Real Magic Nate Staniforth,2018-01-16 An extraordinary memoir about finding wonder in everyday life, from magician Nate Staniforth. Nate Staniforth has spent most of his life and all of his professional career trying to understand wonder--what it is, where to find it, and how to share it with others. He became a magician because he learned at a young age that magic tricks don't have to be frivolous. Magic doesn't have to be about sequins and smoke machines--rather, it can create a moment of genuine astonishment. But after years on the road as a professional magician, crisscrossing the country and performing four or five nights a week, every week, Nate was disillusioned, burned out, and ready to quit. Instead, he went to India in search of magic. *Here Is Real Magic* follows Nate Staniforth's evolution from an obsessed young magician to a broken wanderer and back again. It tells the story of his rediscovery of astonishment--and the importance of wonder in everyday life--during his trip to the slums of India, where he infiltrated a three-thousand-year-old clan of street magicians. *Here Is Real Magic* is a call to all of us--to welcome awe back into our lives, to marvel in the everyday, and to seek magic all around us.
