The Art of the Photograph Art Wolfe, Inc.,Rob Sheppard,2013-12-03 Learn to take better pictures in this step-by-step, how-to photography guide filled with tips on lighting, equipment, inspiration, and more. Featuring more than 200 of master photographer Art Wolfe's stunning images, The Art of the Photograph helps amateur photographers of all levels break bad habits and shatter common yet incorrect assumptions that hold many photographers back. This is Wolfe's ultimate master class, in which he shares the most important insights and techniques learned in four decades of award-winning photography. Along with co-author Rob Sheppard, Wolfe challenges us to stop focusing on subjects we feel we should photograph and instead, to “see like a camera sees,” seek out a personal point of view, and construct stunning, meaningful images. You'll also learn how to:

- Reexamine prejudices that define (and limit) what you photograph
- See beyond the subject to let light and shadow lead you to the right image
- Find inspiration, including the story behind Wolfe's own photographic journey.
- Use formal art principles to build more compelling images.
- Choose the right camera and lens for the image you see in your mind's eye.
- Recognize the 10 deadly sins of composition—and how to avoid them.
- ...and even get a behind-the-lens look at Wolfe's equipment and workflow.

More Beautiful Mark D. Sikes,2020-09-01 The author of Beautiful is back with a new book of his interiors, filled with blue-and-white vignettes, wicker, saturated color, and pretty patterns. Interior designer Mark D. Sikes burst onto the publishing scene with his New York Times best-selling first book, Beautiful. His new book, aptly titled More Beautiful, picks up where the first left off, in a celebration of classic, all-American decorating. The rooms featured in More Beautiful are divided into five distinct styles, all of which exude the happiness that comes with surrounding oneself with things you love. Traditional is chockablock with vibrant color, antique furniture, and heady doses of trim and pattern. Country is a new take on the style, where distressed finishes and modern silhouettes mingle for a warm welcome. Coastal is streamlined, with natural woven fibers, sun-faded linen and neutrals, and blues and whites galore. Mediterranean evokes faraway lands, with a saturated palette, ornate tiles and ikats, and iron details. Finally, there's Beautiful: a peek inside Mark's own Hollywood Hills home, which nods to all of his favorite design signatures—including Italian wicker, blue and white, Anglo-Indian antiques, and more. With all-new photography by Amy Neunsinger, the book will inspire with rooms that are light-filled and crisply patterned, chic yet

comfortable, and just the way people want to live today.
