Global Knowledge Work Katerina Nicolopoulou,Mine

Karata--Ozkan,Ahu Tatli,2011 Global Knowledge Work is an up-to-date account of theoretical approaches and empirical research in the multi-disciplinary topic of global knowledge workers from a relational and diversity perspective. This informative volume includes contributions from international scholars and practitioners who have been working with the concept of global knowledge workers from a number of different perspectives, including personal and academic life trajectories. They reveal that the relational framework of the three dimensions of analysis (macro-meso-micro) is relevant for analyzing the phenomenon of global knowledge workers, as expertise and specialised

knowledge and its innovative application, together with the attraction and retention of talent remain key topics in the current socioeconomic conditions. With a wealth of original research, this book will strongly appeal to researchers, practitioners, academics and managers in the fields of diversity, organizational studies, knowledge management and human resources.

The Perfect Pill Gauri Chaudhari, 2023-07-19 How can I build my brand when it is just another me-too? is the quintessential question asked by pharma and healthcare marketers operating in the branded generic markets. In highly saturated markets with hundreds of similar brands, establishing a competitive edge and building a strong brand is often a challenging task. The Perfect Pill propagates a robust 10-step healthcare brand-building model that helps you create much-needed differentiation and a unique value proposition for patients and physicians. The steps suggested in the book help establish an ultimate win-win situation for patients, physicians, and sales and marketing professionals. A must-read for pharmaceutical, medical device, diagnostic, over-the-counter, surgical, hospital, nutrition, and wellness brand marketers.

A First Course In Computers (Based On Wi Sanjay Saxena, If you are one of those who love technology, not for technology's sake, but for what it can do for you, and if you want to be able to say that you "Know Computers" instead of "No Computers", this is the book for you! A First Course in Computers is a computer manual, quick guide, helpdesk and your computer teacher, all rolled in one. Just keep the book in front of you, look at the sample exercises given at the beginning of each section and start following the step-by-step visual instructions to complete the exercise. Learn easily and effectively "learn by doing."

Next Orbit of an Entrepreneur Vikas Chandra Shah, Narendrasingh Shekhawat, 2020-08-29 An entrepreneur's journey is full of ups and downs. They need to learn fast, and the only way

to do that is to fail fast, and another way is to learn from other people's mistakes. If you want to shorten the learning curve, then you should definitely read this book. This book guides entrepreneurs and especially the wannabe tech-entrepreneurs to help them "navigate life more smoothly." This book throws light on: - Few tech startup opportunities that are still unexplored. - How to handle financial and emotional health. - How to deal with VCs. Kranti Nation Pranjal Sharma, 2017-11-02 In the seventy years of its independence, India has leapfrogged to become a high-growth economy fuelled by advanced business and consumer technologies. Since smartphones and cloud computing became popular five years ago, the fourth industrial revolution has been creeping into almost all sectors of the Indian economy.

Technologies like artificial intelligence, the Internet of Things (IoT), 3D printing, advanced robotics and neuroscience are transforming businesses faster than we realize. Kranti Nation: India and the Fourth Industrial Revolution is the first book to chronicle, through more than fifty examples, how visionary leadership in Indian industry is deploying these technologies. From water pumps to railway coaches, chai shops to burger chains, and telecom towers to warehouses, economic analyst

Pranjal Sharma profiles organizations that have transformed their processes, products and services while delivering the best to consumers.

Role Stress And Role Satisfaction Among It Employees

Dr Prasad Hk,

Dance of Disruption and Creation Nandu Nandkishore, Neeraj Chandra, 2023-08-18 It's an exciting time to be alive! We are witness to an epoch of change, a dance of disruption and creation, that is re-imagining our world. Where are these disruptions coming from? What opportunities do they uncover? How can one make sense of them? And most importantly, how should one prepare and act? This book, written by two influential business leaders, unpacks these epochal changes and how they represent a

defining moment of opportunity for the world of business. Nandu Nandkishore and Neeraj Chandra draw upon diverse sources, academic literature, discussions with CEOs, startup founders and experts, in order to understand the significant pivots of change emerging from a wide canvas and then stitch together a perspective of an exciting, brave new world. Unlike many other books that focus only on emerging technologies, the authors here look at disruption through several lenses: technology, demographics, economic change, the changing nature of institutions, and the interplay of technology as it fundamentally shapes consumers and society. The book goes beyond describing changes taking place. It explores the why so and so what to provide an understanding of the shifts taking place, and crucially, the implications for the world of enterprise. Using simple examples and frameworks throughout, the book provides specific, action-oriented solutions that businesses can employ. This book will be of specific interest to business leaders, strategists, investment professionals, as well as social scientists and public servants. It is for change-makers who are excited to seize the unique opportunity that this change represents – to build competitive advantage, re-invent markets and enterprise, and indeed, to make the world a better place. A selection of reference links and material for the book is accessible at www.routledge.com/9781032184791.
