Clarity in Crisis Marc E. Polymeropoulos,2021-06-08 Meet your next crisis head on and get through it stronger than ever by using the hard-earned strategies and core principles from Marc Polymeropoulos, a highly decorated, 26-year operations officer with the CIA. Marc Polymeropoulos has had to live with the consequences of decisions made under the most high-stress circumstances you can imagine as a senior intelligence officer in the CIA, retiring from his 26 years of service as one of the CIA's most decorated field officers. Though your crisis situations may not entail international counter terrorism as Marc's did, in our age of social media and a 24-hour news cycle, the consequences of mishandling a crisis can escalate quickly, leaving irreparable damage to a company's reputation and bottom line in its wake. In *Clarity in Crisis*, Marc shares how true leaders need to lead in and through times of crisis and thrive under conditions of ambiguity, rather than message their way out or duck from hard decisions. This book provides proven strategies and core principles that leaders can apply to meet any crisis head on and lead through it, including: The critical elements to managing crisis, such as knowing who you

can always count on to execute under high-stress situations. An understanding of the importance of following and stressing key fundamentals and avoiding shortcuts that often do more harm than good. Implementation guidance from the “Mad Minute” section at the end of each chapter that summarizes key points and action items you can begin applying right away. How to gain confidence that you are ready for the next crisis and embrace any situation with no fear. Far from mere theory, *Clarity in Crisis* outlines the unique mindset and strategies Marc himself practiced and honed throughout his remarkable career. The core principles outlined in these pages will help you find unshakeable clarity in crisis and lead when others want to flee.

*Mr. Lincoln's Brown Water Navy* Gary D. Joiner,2007-07-26 The Union inland navy that became the Mississippi Squadron is one of the greatest, yet least studied aspects of the Civil War. Without it, however, the war in the West may not have been won, and the war in the East might have lasted much longer and perhaps ended differently. The men who formed and commanded this large fighting force have, with few exceptions, not been as thoroughly studied as their army counterparts. The vessels they created were highly specialized craft which operated in the narrow confines of the Western rivers in places that could not otherwise receive fire support. Ironclads and gunboats protected army forces and convoyed much needed supplies to far-flung Federal forces. They patrolled thousands of miles of rivers and fought battles that were every bit as harrowing as land engagements yet inside iron monsters that created stifling heat with little ventilation. This book is about the intrepid men who fought under these conditions and the highly improvised boats in which they fought. The tactics their commanders developed were the basis for many later naval operations. Of equal importance were lessons learned about what not to do. The flag officers and admirals of the Mississippi Squadron wrote the rules for modern riverine warfare.

**Dear Bob** Martha Bolton,Linda Hope,2021-03-02 Winner of the 2021 Golden Scroll Awards for Memoir of the Year and Christian Market Book of the Year awarded by the Advanced Writers and Speakers Association FIRST PLACE WINNER IN THE MEMOIR CATEGORY OF THE 2022 SELAH AWARDS For five decades, comedian, actor, singer, dancer, and entertainer Bob Hope (1903–2003) traveled the world performing before American and Allied troops and putting on morale-

boosting USO shows. Dear Bob . . . : Bob Hope's Wartime Correspondence with the G.I.s of World War II tells the story of Hope's remarkable service to the fighting men and women of World War II, collecting personal letters, postcards, packages, and more sent back and forth among Hope and the troops and their loved ones back home. Soldiers, nurses, wives, and parents shared their innermost thoughts, swapped jokes, and commiserated with the "G.I.s' best friend" about war, sacrifice, lonely days, and worrisome, silent nights. The Entertainer of the Century performed for millions of soldiers in person, in films, and over the radio. He visited them in the hospitals and became not just a pal but their link to home. This unforgettable collection of letters and images, many of which remained in Hope's personal files throughout his life and now reside at the Library of Congress, capture a personal side of both writer and recipient in a very special and often-emotional way. This volume heralds the voices of those servicemen and women whom Hope entertained and who, it is clear, delighted and inspired him.
