NBA Jam T.E. Carlton, Chris Rice, 1995

From Pinballs to Pixels Ken Horowitz, 2023-04-27 From early classics like Contact to marvels like High Speed, gaming publisher Williams dazzled arcade goers with its diverse range of quality pinball games. The age of video games catapulted the company into legend with blockbusters like Defender and Joust, and by the end of the 1980s it was the largest coin-op publisher in North America. Williams' acquisition of Bally/Midway began a period of hits that included Mortal Kombat and NBA Jam, as well as the best-selling pinball machine of all time, The Addams Family. The history of Williams spans nearly six decades and is filled with great games, huge gambles and technical innovations that impacted every aspect of pinball and arcade video games. With interviews of 40+ former designers and executives from Williams/Bally/Midway, as well as information from hundreds of contemporaneous news reports and documents, this book presents a never-before-seen chronology of how the small company became a coin-op juggernaut. Thirty pinball and 26 video game classics are examined in depth with direct input from the people who made them, along with the story of the events that shaped one of gaming's greatest publishing houses.

NBA Jam Reyan Ali, 2019-10-22 When NBA Jam dunked its way into arcades in 1993, players discovered just how fun basketball can be when freed from rules, refs, and gravity itself. But just a few years after the billion-dollar hit conquered the world, developer Midway, publisher Acclaim, and video arcades themselves fell off the map. How did a simple two-on-two basketball game become MVP of the arcade, and how did this champ lose its title? Journalist Reyan Ali dives deep into the saga, tracking the people and decisions that shaped the series. You'll get to know mischievous Jam architect Mark Turmell, go inside Midway's Chicago office where hungry young talent tapped into cutting-edge tech, and explore the sequels, spin-offs, and tributes that came in the game's wake. Built out of exhaustive research and original interviews with a star-studded cast—including Turmell and his original development team, iconic commentator Tim Kitzrow, businessmen and developers at Midway and Acclaim alike, secret characters George Clinton and DJ Jazzy Jeff, Doom co-creator John Romero, and 1990s NBA demigods Glen Rice and Shaq—Ali's NBA Jam returns you to an era when coin-op was king.
