Huskerville Roger C. Aden, 2007-10-15 This work reveals the storied love affair that has long existed between native Nebraskans and the University of Nebraska football team. The author draws upon his experiences as a devoted Huskerviller, and the insights of more than 500 other Husker fans who shared their ideas through interviews, questionnaires, and Internet communication, to compose a story that highlights how the culture, history, and geography of Nebraska are intimately embedded in fans' devotion to the Cornhuskers. The book features photographs and an extensive bibliography, while an appendix provides 16 essays written by devoted Husker fans.

Radio William A. Richter, 2006 From payola to podcasting, from the advertising office to the DJ booth to the station antenna, *Radio: A Complete Guide to the Industry* offers a concise, one-stop introduction to all aspects of the radio industry. Readers are taken on a lively tour of radio's history from the early experiments with wireless to today's satellite and digital radio. Industry veteran William A. Richter brings readers inside the typical station to explain who does what and how all the pieces fit together. The book also includes some brief interviews from working professionals for more perspective. Richter explains how ratings work, gives an overview of the major industry players, and guides readers through FCC regulations and other ethical and legal issues that impact radio. Written in a crisp, easy style, and including glossaries in each chapter, *Radio* is well suited for a range of courses on radio. It is a valuable resource for anyone interested in radio, from aspiring college DJs to general managers of radio stations.

Four Score And More LaVera Edick, 2018-08-31 These memoirs are written with the hope that they may prove not only interesting to read, but also give you, my family, a better understanding of where you came from. I have attempted to truthfully describe life as it was over the past eighty-plus years. I have tried to make our ancestors come to life as real people, experiencing the good and bad in life, as we all do. The Greeks say, "The dead die when those who loved them stop talking about them. As long as they are talked about and loved—they live."

Nebraskaland, 2008

The Game of the Century Michael Corcoran, 2007-11-01 The acclaimed author of *Duel in the Sun*, hailed as a perfect golf time machine by *USA Today*, takes readers into the bleachers and onto the playing field for an inside look at the legendary face-off between the Oklahoma Sooners and the Nebraska Cornhuskers. On Thanksgiving Day 1971, a record fifty-five million homes tuned in to watch two powerhouse college football teams collide. Defending national champion University of Nebraska was squaring off against the country's second-ranked team, the Oklahoma Sooners. The Huskers were riding a twenty-nine-game unbeaten streak; the Sooners had the number one offense in the country. Both teams were loaded with All-Americans and future NFL stars. The legend of the game that became known as the single finest ever played actually began a few years earlier in Texas, when coach Emory Bellard came up with an innovative plan of attack that would level defenses and give coaches sleepless nights for the next twenty years. The Texas wishbone offense became the talk of sporting America, and when Oklahoma coach Chuck Fairbanks adopted it for his team in 1970, the groundwork was laid for the epic

confrontation with Nebraska. Combining a meticulously researched history of college football with in-depth interviews, author Michael Corcoran tells it all: the play-by-play strategies and techniques, the personalities of the players and coaches who conceived the plans and executed them, the formations and intricate blocking schemes that spelled victory or defeat. Highlights include: Heisman winner Johnny Rodgers's storied punt return, Rich Glover's incomparable twenty-two tackles, Oklahoma's furious comebacks each time they trailed in the game, and the poignant memories of the game after it was over. Nebraska radio play-by-play man Lyell Bremser echoed the nation when he proclaimed, I never thought I would live this long to see this kind of a football game. Filled with vivid details and nail-biting suspense, this book takes us behind the scenes and into the rich history of this practically mythical battle. From the roots of both football teams, to the players, coaches, reporters, spectators, and fans, *The Game of the Century* is a story that will resonate with football fans all across America.

If These Walls Could Talk: Nebraska Cornhuskers Jerry Murtaugh, Jimmy Sheil, Brian Rosenthal, George Achola, Brian Brashaw, 2015-10-01 Firsthand tales of the most memorable moments in Cornhusker football history A traditional powerhouse, the Nebraska Cornhuskers are one of the most successful NCAA football teams, with five national championships and the highest winning percentage of any program over the last half century. Authors Jerry Murtaugh, an All-American linebacker at Nebraska in 1970, Jimmy Sheil, George Achola, and Brian Rosenthal, through interviews with current and past players, provide fans with a one-of-a-kind, insider's look into the great moments, the lowlights, and everything in between in Cornhuskers history. Readers will hear from players, coaches, and administrators as they discuss their moments of greatness as well as their defeats, making *If These Walls Could Talk: Nebraska Cornhuskers* a keepsake no fan will want to miss.

Notable Americans of Czechoslovak Ancestry in Arts and Letters and in Education Miloslav Rechcigl Jr., 2021-11-02 As pointed out in my last two publications, no comprehensive study has been undertaken about the American Learned Men and Women with Czechoslovak roots. The aim of this work is to correct this glaring deficiency, with the focus on immigration from the period of mass migration and beyond, irrespective whether they were born in their European ancestral homes or whether they have descended from them. Whereas in the two mentioned monographs, the emphasis has been on scholars and social and natural scientists; and men and women in medicine, applied sciences and engineering, respectively, the present compendium deals with notable Americans of Czechoslovak ancestry in arts and letters, and in education. With respect to women, although most professional fields were closed to them through much of the nineteenth century, the area of arts and letters was opened to them, as noted earlier and as this compendium authenticates.

Oklahoma City Radio Michael Dean, 2019 From the beginning of commercial radio in 1920, Oklahoma City was on the leading edge of this new enterprise. WKY radio went on the air in January 1920, making it one of the earliest radio stations in America. Soon, the station began broadcasting regular programming and was the third station in America and the first west of the Mississippi to broadcast regular daily programs. In August 1928, E.K. Gaylord, owner of the *Daily Oklahoman* newspaper, purchased the station, and in December of that year, WKY became affiliated with the National Broadcasting Company (NBC). Gaylord's long association with NBC president David Sarnoff resulted in WKY originating programs for NBC out of the Oklahoma City studio from the mid-1930s extending through WKY-TV in the 1970s. WKY and KOMA became the launching pad for several well-known public figures, such as Walter Cronkite, Curt Gowdy, and Todd Storz.
