Sweet Tea Piper Huguley, 2021-07-13 Southern traditions, history, and hope come together in author Piper Huguley's heartfelt romance from Hallmark Publishing. Althea Dailey has succeeded beyond her wildest dreams: she's about to make partner at her prestigious law firm in New York. So why doesn't she feel more excited about it? When she has to travel South for a case, she pays a long-overdue visit back home to Milford, Georgia. To her surprise, a white man she's never met has befriended her grandmother. Jack Darwent wasn't interested in the definition of success dictated by Southern high society. His passion for cooking led him to his current project: a documentary and cookbook about authentic Southern food. Althea's grandmother is famous for her cooking at Milford College, a historically Black institution. But Althea suspects Jack of trying to steal her grandmother's recipes. Despite Althea and Jack's first impressions of one another, they discover they have more in common than they'd guessed...and even as they learn about one another's pasts, they both see glimmers of a better future. This Southern small-town romance includes a free Hallmark original recipe for Grandma's Biscuits and Gravy.

By Her Own Design Piper Huguley, 2022-06-07 The incredible untold story of how Ann Lowe, a Black woman and granddaughter of slaves, rose above personal struggles and racial prejudice to design and create one of America's most famous wedding dresses of all time for Jackie Kennedy. 1953, New York City Less than a week before the society wedding of the year where Jacqueline Bouvier will marry John F. Kennedy, a pipe bursts at Ann Lowe's dress shop and ruins eleven dresses, including the expensive wedding dress, a dress that will be judged by thousands. A Black designer who has fought every step of the way, Ann knows this is only one struggle after a lifetime of them. She and her seamstresses will find the way to re-create the dresses. It may take all day and all night for the next week to accomplish the

task, but they will do it. 1918, Tampa Raised in Jim Crow Alabama, Ann learned the art of sewing from her mother and her grandmother, a former slave, who are the most talented seamstresses in the state. After Ann elopes at twelve with an older man who soon proves himself to be an abusive alcoholic, her dreams of becoming a celebrated designer seem to be put on hold. But then a wealthy Tampa socialite sees Ann's talent and offers her an amazing opportunity—the chance to sew and design clothing for Florida's society elite. Taking her young son in the middle of the night, Ann escapes her husband and embarks on the adventure of a lifetime. Based on the true story of one of the most famous designers of the twenties through the sixties who has since been unjustly forgotten, *By Her Own Design* is an unforgettable novel of determination despite countless obstacles and a triumph celebrated by the world.

Making Up Lucy Parker, 2018-05-01 Author of *Act Like It* and *Pretty Face* Lucy Parker returns readers to the West End, where it's fireworks onstage and off in a sexy enemies-to-lovers showdown. Once upon a time, circus artist Trix Lane was the best around. Her spark vanished with her confidence, though, and reclaiming either has proved...difficult. So when the star of The Festival of Masks is nixed and Trix is unexpectedly thrust into the spotlight, it's exactly the push she needs. But the joy over her sudden elevation in status is cut short by a new hire on the makeup team. Leo Magasiva: disgraced wizard of special effects. He of the beautiful voice and impressive beard. Complete dickhead and—in an unexpected twist—an enragingly good kisser. To Leo, something about Trix is...different. Lovely. Beautiful, even though the pint-size, pink-haired former bane of his existence still spends most of her waking hours working to annoy him. They've barely been able to spend two minutes together for years, and now he can't get enough of her. On stage. At home. In his bed. When it comes to commitment, Trix has been there, done that, never wants to do it again. Leo's this close to the job of a lifetime,

which would take him away from London—and from Trix. Their past is a constant barrier between them. It seems hopeless. Utterly impossible. And yet... 108 Portraits Gus Van Sant, 1992

The Bootlegger Clive Cussler, Justin Scott, 2015-03-03 It is 1921, and both Prohibition and bootlegging are in full swing. When Isaac Bell's boss and lifelong friend Joseph Van Dorn is shot and nearly killed leading the high-speed chase of a rum-running vessel, Bell swears to him that he will hunt down the lawbreakers, but he doesn't know what he is getting into. When a witness to Van Dorn's shooting is executed in a ruthlessly efficient manner invented by the Russian secret police, it becomes clear that these are no ordinary criminals. On a trail that leads from the ravages of post WWI Europe to the speakeasies of New York to the lawless streets of Detroit and Florida's lavish beachside resorts, Isaac tracks the footsteps of a criminal enterprise more ingenious and far-reaching than any he has ever known. He is up against a team of Bolshevik assassins and saboteurs, and they are intent on overthrowing the government of the United States. Packed with daring escapades and incredible heroics--Provided by publisher

The Google Story (2018 Updated Edition) David A.

Vise, Mark Malseed, 2005-11-15 The definitive, bestselling account of the company that changed the way we work and live, updated for the twentieth anniversary of Google's founding with analysis of its most recent bold moves to redefine the world—and its even more ambitious plans for the future. Moscow-born Sergey Brin and Midwest-born Larry Page dropped out of graduate school at Stanford University to, as they said, “change the world” through a powerful search engine that would organize every bit of information on the Web for free. *The Google Story* takes you deep

inside the company's wild ride from an idea that struggled for funding in 1998 to a firm that today rakes in billions in profits. Based on scrupulous research and extraordinary access to Google, this fast-moving narrative reveals how an unorthodox management style and a culture of innovation enabled a search-engine giant to shake up Madison Avenue, clash with governments that accuse it of being a monopoly, deploy self-driving cars to forever change how we travel, and launch high-flying Internet balloons. Unafraid of controversy, Google is surging ahead with artificial intelligence that could cure diseases but also displace millions of people from their jobs, testing the founders' guiding mantra: DON'T BE EVIL. Praise for *The Google Story* "[The authors] do a fine job of recounting Google's rapid rise and explaining its search business."—*The New York Times* "An intriguing insider view of the Google culture."—*Harvard Business Review* "An interesting read on a powerhouse company . . . If you haven't read anything about one of today's most influential companies, you should. If you don't read *The Google Story*, you're missing a few extra treats."—*USA Today* "Fascinating . . . meticulous . . . never bogs down."—*Houston Chronicle*
