**Sins of the Mother** August Norman,2020-09-08 A SUSPENSE MAGAZINE BEST BOOK OF 2020 August Norman returns with the second thrilling Caitlin Bergman novel, perfect for fans of Julia Keller, Tess Gerritsen, and Michael Koryta. Caitlin went in search of her mother...but what she found may set the world on fire. Caitlin Bergman's mother is dead. That's what the award-winning journalist has told everyone for the past forty years. Easier to lie than explain how Maya abandoned her only daughter before dropping off the map forever. But when a rural sheriff invites Caitlin to the woods of coastal Oregon to identify her mother's remains, Caitlin drops everything to face the woman she's spent a lifetime hating. Unfortunately, the body--abandoned on the land of a reclusive cult, the Daughters of God--was left faceless. Instead, Caitlin finds the diary of a woman obsessed with the end of the world, one that hints the cult's spiritual leader knows the identity of Caitlin's real father. She's not the only one looking for clues in her mother's writing. Johnny Larsen, a violent white supremacist whose family runs the county, thinks the Daughters of God kidnapped his teen-aged daughter--and will do anything to get her back. At the top of a hill, an army of women wait for the end of days. In the town below, the Larsens plot to purify their county. Caught in the middle, Caitlin must decide which is more important--learning the truth about her past, or saving Mama Maya's chosen daughters from the end of the world.

Motocross & Trials Jeremy Evans,1994 Early in the morning of February 21, 2012, five young women entered the enormous Cathedral of Christ the Savior in Moscow, took off their overcoats to expose neon dresses, tights, and balaclavas, climbed up on the dais and began to perform a punk prayer beseeching the Mother of God to get rid of Putin. Although the performance was quickly shut down by security, thanks to YouTube the event began to make its way around the world. And in the weeks and months that followed, instead of fading from public awareness, Pussy Riot went viral, as three of the women were arrested and tried, and two of them were sentenced to a remote prison colony. From their cage-like confines in the courtroom, they spoke out with exceptional eloquence and bravery to condemn not only the circumstances of their own detention but the Putin regime and its massive corruption and abuses of power, including its unholy alliance with the Russian Orthodox Church. The world took notice. The trial captured international headlines and celebrities--Madonna, Bjork, the Red Hot Chili Peppers--raced to vocalize their support. It became increasingly clear that Pussy Riot's punk prayer had been no prank and no accident but a uniquely well-conceived, well-planned, and well-executed act of political confrontation that surpassed what years of dissent and months of public protest had attempted: in a society built entirely on lies, it reinvented the power to tell the truth. It was a great work of art. This riveting account, based on Masha Gessen's exclusive, extensive access to the principals--she was the journalist they wanted to tell their story--tells how such a phenomenon came about. Centered around Nadya, the group's unofficial leader, and including the stories of several other members of the group and additional important major secondary characters, it portrays how a society at an Orwellian extreme of hypocrisy spawned a group of women determined, from a very young age, to confront it and to make their confrontation heard and felt. And it also portrays the devastating loneliness and isolation that is the price of such success.

**Motocross Saved My Life** Brent Worrall,2019-10-18 In 2011, former Canadian national champion motocross racer Brent (Airmail) Worrall, who had recently returned to the sport after a lengthy absence due to struggles with alcohol, gambling, and depression, was again in a fight to save his own life. His shot at redemption and making peace with the sport he loves was cut short by a near-fatal crash. A mechanical malfunction in mid-flight over the track's largest jump sent him spiralling into a nose dive. He had just enough time while airborne to say, "Survive, survive, survive." He broke his back and neck in six places, fractured his clavicle, sternum, and multiple ribs and collapsed his lungs. After flat-lining on the operating table four times, Brent's doctors finally managed to stabilize him. He required two blood transfusions, and his doctors feared the worst. He emerged from hospital a paraplegic, given only five to ten years to live due to various complications from his accident. After losing the sport he loved many years before to the seedy underworld of depression, alcoholism, drugs, and compulsive gambling, he vowed never to let go of his lifeline passion again. Brent meticulously takes us through his troubled journey to the eventual promised land where he now sits. Along the way, he recounts his many inspirational interactions with those who helped mould his character, including Rick Hansen on his Man in Motion tour as well as looking into Terry Fox's eyes on his Marathon of Hope. In keeping with his character as an avid sports and history enthusiast, Brent takes us back through many pertinent historical events that shaped his life and society as a whole. Two years after his accident, Brent was back at the track, this time to announce races rather than participate in them. Shortly after that, he launched the Canadian Moto Show, a live online talk-radio show, as well as a magazine, with his good friend Kevin Lefebvre. Throughout the process of giving back to the motocross community while also reinventing himself, he maintained a position as a senior writer at Motocross Performance Magazine. In 2016, he was nominated for a Coast Mental Health Courage to Come Back award. He continues to reshape his life within the sport he loves, refusing to let any of the formidable obstacles he has faced slow him down. This book is Brent's firsthand account of his journey, written in all five senses, with the hope that his story will motivate and inspire others to see that any seemingly insurmountable obstacles can be overcome.

*True Identity* ,2017-10-03 Teens' Guide to Identity from FamilyLife All teens wrestle with the question Who am I? and wonder, What makes me special? Though these questions linger for life, they are most intense in the teen years, where confusion, awkwardness, and a desperate grab for identity reign. So how does a young person answer these critical questions? Where do young men and women find their significance, worth, and value? True Identity is perfect for parents and youth workers to give to the teenagers (14-16) in their lives to help them in their journey. If you believe it is possible to fall in love with a motorcycle, you will love this book. -Jay Leno When Big Sid had a heart attack and gave up the will to live, his son Matthew Biberman panicked. Impulsively, Matthew promised his father that they would build a Vincati together. This fusion of two legendary motorcycles, the Vincent Black Shadow and the Ducati GT, a Vincati was considered near-impossible to build. But if anyone could do it, Matthew knew his father could. Big

Sid was the mechanic to see about repairing Vincents for nearly sixty years. But now, Sid was old, busted up and broke. Matthew, despite sharing his dad's passion, had become a Shakespearean scholar. The two men hadn't spoken in years-but called a truce to attempt a shared dream. **The Brink** Holden Sheppard,2022-08-02 A group of school-leavers: free at last, ready to party, expectations high. A remote island on the Western Australian coast wasn’t exactly the plan, but they’re not going to let that hold them back. Leonardo, geeky, asthmatic, shy and prone to anxiety, has landed with them. He’s terrified—he’s definitely not part of this cool gang. Super high-achiever Kaiya is trying to forget her frustration with her drug-addicted sister as well as dealing with pressure from the popular girls to lose her virginity. Mason, footy jock with the physique to match, is coming to terms with his secret desire for his best mate, Jared. And Jared wants a week off from his relationship with Val so he can have sex with as many girls as possible. But the party takes a dangerous turn when Val is drugged and a man is later found dead on the beach. Blame, fear, mistrust, coverups, power plays and dark secrets tear the group apart and expose the deadly tensions beneath the surface. And each teen is forced to confront demons that will lead them either to devastating tragedy or transformative triumph. Whoever survives the week will never be the same again. The Brink is a raw, powerful novel that pulls no punches in its authentic exploration of masculinity, sexuality, mental health, drug and alcohol use, relationships and sex. Holden Sheppard takes the teenage experience to the next level. Holden Sheppard is an award-winning author born in Geraldton, Western Australia. His debut novel, Invisible Boys (Fremantle Press, 2019), was published to both critical and commercial success. It won the WA Premier's Prize for an Emerging Writer, was shortlisted for the Victorian Premier’s Literary Awards and was named a Notable Book by the Children’s Book Council of Australia. Invisible Boys is currently in production as a television series. The Brink is his second novel. It is shortlisted for the Indie Book Awards 2023 (Young Adult). ‘Raw, exhilarating and emotionally charged, an absolute must read!’ Gary Lonesborough ‘A vivid, thrilling, edge-of-your-seat read. These characters are teetering at the very brink of who they are and who they could be.’ Claire Christian

Social Networking Objectives for the Millenium and Beyond Vera Moon,2012-04-19 This is a book about how every city should make certain that most of its restaurant venues have specific services for all citizens in the area. It states that all venues should be socialized. So that all needs of the client are met on an individual basis. Policy includes Even credit investment counselling. So that every dollar spent is an investment not just a payment for service rendered by an hourly rate. It is a proposal to encourage all business owners to develop wholistic, innovative, interactive, mutually profitable management policy. This type of venue should have been licenced since 1975 to prevent erosion from any economic recession pre-set. It is a truly innovative and inspired proposal for all citizens to consider. I have been hostessing discussions on how business venues need to encourage economic reforms and the development of wholeistic media services to specific membership groups or warehouse clubs Since 1970. I enjoy co-op art poetry and writing reviews on educational program reforms in my spare time. I encourage more land use development groups to support the development of warehouse clubs with a 24hr operations policy.
