Laura J. Gurak

Cyberliteracy Laura J. Gurak, 2008-10-01 divThe Internet has changed our social spaces, our political and social realities, our use of language, and the way we communicate, all with breathtaking speed. Almost everyone who deals with the Internet and the new world of cyberspace communication at times feels bewildered, dismayed, or even infuriated. In this clear and helpful book, computer communications scholar Laura J. Gurak takes a close look at the critical issues of online communication and discusses how to become literate in the new mass medium of our era. In cyberspace, Gurak shows us, literacy means much more than knowing how to read. Cyberliteracy means being able to sort fact from fiction, to detect extremism from reasonable debate, and to identify gender bias, commercialism, imitation, parody, and other aspects of written language that are problematic in online communication. Active reading skills are essential in cyberspace, where hoaxes abound, advertising masquerades as product information, privacy is often compromised, and web pages and e-mail messages distort the truth. Gurak analyzes the new language of the Internet, explaining how to prepare for its discourse and protect oneself from its hazards. This book will appeal to anyone with an interest in the impact of the Internet on the practices of reading and writing and on our culture in general./DIV

Shopping mania Carmen Reid, 2013-02-15 Dall'autrice del bestseller Il club dello shoppingTra vestiti e accessori, un romanzo all'insegna del glamour e dello shopping a oltranza Dopo Il club dello shopping, eccoci di nuovo nel mondo dell'alta moda con Annie Valentine, la personal shopper più in gamba di Londra, capace di dispensare consigli azzeccatissimi per un look impeccabile, ma un po' impacciata nella vita privata. Dopo tante fatiche, la nostra eroina è finalmente felice con Ed, il suo nuovo meraviglioso boyfriend, e i due figli Lana e Owen. Annie però è una donna che non si accontenta: vuole mettersi in proprio e avviare un business di borse e scarpe. E dal momento che Ed non sembra molto convinto di quest'idea, non le rimane che andare avanti a sua insaputa, approfittando di tutti i momenti liberi, di giorno e di notte. Ma bugia dopo bugia i debiti si accumulano e le cifre da pagare si fanno sempre più salate. Tanto più che Annie ha prenotato a sorpresa una vacanza in Italia per tutta la famiglia. E non può rinunciarci, visto che lì si trovano vestiti fantastici... Passo dopo passo, accessorio dopo accessorio, seguiremo la nostra incorreggibile fashion addicted nelle sue rocambolesche, esilaranti avventure e staremo a vedere se anche stavolta riuscirà a conciliare le esigenze della famiglia con gli imperativi della moda...«Non solo Sex and the City e non più chick-lit: storia di una personal shopper, indecisa tra un marito classico intramontabile o un fidanzato in saldo.»Il GiornaleCarmen Reidscozzese, ha studiato a Londra, dove ha lavorato come giornalista. The Pompeii Syndrome David Rice, 2007 Father Frank Kane, filming a TV series on 'Great Catastrophes in History', grows convinced that people on the verge of extinction, as in Pompeii, consciously ignore all the signs of their impending doom. In Ireland Garda Det-Sgt Stokes keeps encountering references to a shadowy figure called Omar. A young Saudi Arabian disappears from Ennis hospital, and later his body appears in a trawler's fishing net. In Leeds, journalist Meg Watkins is assigned to research Freshpark Nuclear Plant in Cumbria. Initially impressed, she gradually grows horrified at its safety record. Meanwhile, Sheik Aboud is secretly training terrorist pilots to fly hijacked planes into Europe's nuclear plants, using flight simulators at his walled County Galway residence. Gradually Stokes closes in on the sheik as he feels some catastrophe is pending. So does Fr Frank Kane, for different reasons. And Meg Watkins is convinced that terrorists are going after Freshpark. Convergence comes when both Kane and Stokes hear Meg say on a TV

talk-show that terrorists could hijack a plane out of Ireland and fly it into Freshpark. But it's all too late. Omar has been in Co Galway all the time, as a respected citizen, and now does precisely what Meg had feared. The consequences are horrific...

Compulsive Spending Stops Here RD king, Learning About Stop Compulsive Spending Right Now Can Have Amazing Benefits For Your Life! Rescue your finances and develop self control! The dictionary specifies addiction as a way 'to devote or surrender oneself to something habitually or obsessively; behavior that impairs the performance of a vital function(s), a harmful development.' Dependency causes you to lose your equilibrium and reason. Below all addictions is a yearning for immediate gratification--to feel great, mighty, worthy of appreciation, and problem-free--and an insistence on discounting the long-range, self-destructive deductions of the behavior. If you endure a spending addiction, one out-of-control buying spree is never adequate. Local malls and Net shopping sites have a bewitching attractive appeal for you. You gift the most pricey, plushest presents. Your buys reflect how aware you are about all the most voguish brands and designer tags. When you eat out with acquaintances or business affiliates, you're invariably the one who takes a firm stand on picking up the tab--whether you are able to afford to, or not. Despite negative results that unavoidably overtake you--like guilt, debt, or feeling ashamed and tightlipped about your obsession to purchase things--you discover yourself on yet some other shopping splurge, charging or writing checks for stuff you don't truly need and might never even use. You might lie about how much you've spent (to yourself and to those near to you), hide price labels and receipts, and do financial flips in an endeavor to juggle your finances and sustain monthly payment demands. Spending addiction is an effort to attempt to "purchase" happiness--to feel looked up to, to feel recognized, to feel empowered, to push aside distressful feelings, like selfdistrust or self-disappointment--and may risk wrecking everything you treasure. Stop Compulsive Spending Right Now! Rescue your finances and develop self control. Below are the information that you are about to learn: Understanding The Addiction Signs, Symptoms, Troubles Getting Over Childhood Traumas Stop Seeking Approval Stop Impulse Spending Tactics

Newskids on the Net Nick Handel, 2014-10-28 Set in an England that is finally hosting the World Cup, Newskids on the Net is the re-release of Nick Handel's popular children's thriller, which has sold over 3,000 copies. It's a perfect read for 9 - 13 years olds in this World Cup year and will have even reluctant readers on the edges of their seats. Ever wondered what it would be like to have your own TV station? With the help of cameraman Ollie 'Sniffer' Morris (who can smell a great news story from miles away), designer Becky Morris (aka the 'IT' girl), presenter Rachael Cooper (a cool and talented American actress in year 10) and Akbar Khan (techno wizard), fourteen-year-old Max Taylor finds a way to create one in his dad's garden shed. Their first programme is a disaster, but the reaction from the audience is beyond the team's wildest dreams. And when a girl at school goes missing, Newskids on the Net becomes the nerve centre of a desperate nationwide search. Soon, the kids themselves are front-page news and are propelled into a deadly adventure where kidnaps, secret recordings lead to a nerve-jangling climax at the World Cup semifinals at Wembley Stadium.

Net Slaves 2.0 Steve Baldwin, Bill Lessard, 2003-03-01 Technology professionals, former employees of failed Internet start-ups, downsized corporate workers, and entrepreneurs eager to avoid mistakes of the recent past will be captivated by this humorous and poignant account of the human cost of the dot.com rise and fall. In the sequel to their acclaimed and successful *NetSlaves: Tales of Working the Web*, the authors profile the people affected by the rise and fall of Internet companies and where they are today. The coverage in this collection of post-dot.com experiences includes the survivalists, who made it through the storm intact and continue to work in the industry; the neo-luddites, who have shunned the Internet forever; the vigilantes, who are screaming for justice for their mistreatment; and many others. By revealing the most absurd moments of the bubble and what really happened to the people displaced by the death of the New Economy, this volume is essential reading for anyone who wants to know what these events mean for the future of the Internet industry.
