*The Things We've Seen* **Agustín Fernández Mallo**,2021-06-15 Written in three parts, *War Trilogy* is a dazzling and anarchic exploration of social relations which offers thought-provoking ideas on our perceptions of humanity, history, violence, art and science. The first part follows a writer who travels to the small, uninhabited island of San Simon, where he witnesses events which impel him on a journey across several continents, chasing the phantoms of nameless people devastated by violence. The second book is narrated by Kurt, the fourth astronaut who secretly accompanied Armstrong, Aldrin and Collins on their mythical first voyage to the moon. Now living in Miami, an ageing Kurt revisits the important chapters of his life: from serving in the Vietnam War to his memory of seeing earth from space. In the third part, a woman embarks on a walking tour of the Normandy coast with the goal of re-enacting, step by step, the memory of another trip taken years before. On her journey along the rugged coastline, she comes across a number of locals, but also thousands of refugees newly arrived on Europe's shores, whose stories she follows on the TV in her lodgings.

*Cosmic Spirit* **Alexandra Dennis**,2011-02-04 This book may seem upon the surface and through its pages, light and fluffy. Filled with rainbows, flowers and sunshine. Some may think it unrealistic, superfluous and indulgent... a fantasy land - within this serious world of form. A society stamped urgent... where the clock is boss; and the

practiced smiles of many have numbed them sufficiently - of delight, fun and child-like escape into imagination. But this, my gentle word stems from a deeper need. To communicate a message to the many who struggle. For those who have lived with their private pain, grappled with fear, and every method fails... For those for whom happiness seems an elusive prize, or a distant memory. For others, who have built a shield so strong it will not yield... hiding behind their fortress walls, second-guessing themselves... For those who cannot come out to play - because they're too busy crying... For those who are angry or seek to intimidate... to mask their own fear. Try this: It is do-able... it is possible. Wipe the slate clean, forgive all... and step forward into the future. Delete the old files, for today is a fresh new start. Monsters don't exist! Fear is just a self-imposed barrier... blocking our path. Forget your baggage, travel light... find your inner compass and re-chart your course. Choose positive language and thought. Obstacles will melt away, as you sail smoothly towards your bliss. Remember your happiest dream? What was it that made you smile? Now is the time. Open your heart to embrace life. You are in charge now... YOU are running the programme. Widen your scope of vision - to see the bigger picture. Zoom out, refocus... and see more than you ever expected. Trust. Magic will unfold in your life. Smile and re-connect yourself to the Network.

**Evil Thing** Serena Valentino, 2021-09-28 "Sure, you know the story of those wretched Dalmatians. But don't I deserve a chance to tell my own side of the story? It is fabulous, after all. "You may think you know the tale: a happy young couple, one hundred and one Dalmatians, and the woman determined to turn them into a perfectly spotted fur coat. But who is that monster, that scene-stealer, that evil thing? Who is the woman behind it all? Before the car crash, before the dognapping, before furs became her only true love, there was another story. This is the story of Cruella De Vil—in her own words. Even the cruelest villains have best friends, true loves, and daring dreams. After all, nothing is as simple as black and white. In this first graphic novel adaptation of the New York Times best-selling Villains series, Arielle Jovellanos brings Serena Valentino's darkly captivating world to life with beautiful and haunting illustrations in a stunning new visual format.

**In God We Trust** Jean Shepherd, 2010-10-27 A collection of humorous and nostalgic Americana stories—the beloved, bestselling classics that inspired the movie *A Christmas Story* Before Garrison Keillor and Spalding Gray there was Jean Shepherd: a master monologist and writer who spun the materials of his all-American childhood into immensely resonant—and utterly hilarious—works of comic art. *In God We Trust: All Others Pay Cash* represents one of the peaks of his achievement, a compound of irony, affection, and perfect detail that speaks across generations. In *In God We Trust*, Shepherd's wildly witty reunion with his Indiana hometown, disproves the adage "You can never go back." Bending the ear of Flick, his childhood-buddy-turned-bartender, Shepherd recalls passionately his genuine Red Ryder BB gun, confesses adolescent failure in the arms of Junie Jo Prewitt, and relives a story of man against fish that not even Hemingway could rival. From pop art to the World's Fair, Shepherd's subjects speak with a universal irony and are deeply and unabashedly grounded in American Midwestern life, together rendering a wonderfully nostalgic impression of a more innocent era when life was good, fun was clean, and station wagons roamed the earth. A comic genius who bridged the gap between James Thurber and David Sedaris, Shepherd may have accomplished for Holden, Indiana, what Mark Twain did for Hannibal, Missouri.

I miss him so." —Kurt Vonnegut Carl Sagan's prophetic vision of the tragic resurgence of fundamentalism and the hope-filled potential of the next great development in human spirituality The late great astronomer and astrophysicist describes his personal search to understand the nature of the sacred in the vastness of the cosmos. Exhibiting a breadth of intellect nothing short of astounding, Sagan presents his views on a wide range of topics, including the likelihood of intelligent life on other planets, creationism and so-called intelligent design, and a new concept of science as informed worship. **Twelve Years a Slave** Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
