

New York City Theme

Matt Huntley

Folk City Stephen Petrus, Ronald D. Cohen, 2015 'Folk City: New York and the American Folk Music Revival' was published to accompany the exhibition of the same name presented at the Museum of the City of New York from June 17-November 29, 2015.--Page 6.

The Overdue Life of Amy Byler Kelly Harms, 2020-02 Overworked and underappreciated, single mom Amy Byler needs a break. So when the guilt-ridden husband who abandoned her shows up and offers to take care of their kids for the summer, she accepts his offer and escapes rural Pennsylvania for New York City. Usually grounded and mild mannered, Amy finally lets her hair down in the city that never sleeps. She discovers a life filled with culture, sophistication, and - with a little encouragement from her friends - a few blind dates. When one man in particular makes quick work of Amy's heart, she risks losing herself completely in the unexpected escape, and as the summer comes to an end, Amy realizes too late that she must make an impossible decision: stay in this exciting new chapter of her life, or return to the life she left behind. But before she can choose, a crisis forces the two worlds together, and Amy must stare down a future where she could lose both sides of herself, and every dream she's ever nurtured, in the beat of a heart--Provided by publisher.

The Crown of Ptolemy Rick Riordan, 2015-05-12 In their first encounter, demigod Percy Jackson and magician Carter Kane had to battle a giant crocodile on Long Island. A month later, Annabeth Chase ran into Carter's sister, Sadie, on the A train to Rockaway, where the pair fought a god named Serapis. Now trouble is brewing again, this time on Governor's Island. An ancient Egyptian magician named Setne has come back from the dead and is experimenting with Egyptian and Greek magic, trying to become a god himself. He's so powerful and tricky that all four--Percy, Annabeth, Carter, and Sadie--have to team up against him. But their usual weapons and spells aren't going to cut it this time. Will the heroes be taken down by a wannabe god who looks like Elvis, or will they rise to the challenge? Told from Percy's point of view, this third demigod-magician crossover story has all of the spunk and action that Rick Riordan fans crave.

Variations on a Theme Park Michael Sorkin, 1992-03 America's cities are being rapidly transformed by a sinister and homogenous design. A new Kind of urbanism--manipulative, dispersed, and hostile to traditional public space--is emerging both at the heart and at the edge of town in megamalls, corporate enclaves, gentrified zones, and psuedo-historic marketplaces. If anything can be described as a paradigm for these places, it's the theme park, an apparently benign environment in which all is structured to achieve maximum control and in which the idea of authentic interaction among citizens has been thoroughly purged. In this bold collection, eight of our leading urbanists and architectural critics explore the emblematic sites of this new cityscape--from Silicon Valley to Epcot Center, South Street Seaport to downtown Los Angeles--and reveal their disturbing implications for American public life.

New York City Like a Local DK Eyewitness, Bryan Pirolli, Lauren Paley, Kweku Ulzen, 2023-05-30 Come to New York as a visitor, but experience it as a local, with the definitive guide to New York If you're a first time visitor or familiar already, this guide will help you uncover an authentic local experience like no other. There's something for everyone, no matter what your

test, and a host of secrets and tips that will help you experience NYC like a local This one-of-a-kind travel guide to New York includes: • Two-color, bold modern design with contemporary illustrations throughout • Narrative style throughout, making the local, personal voice central to every entry • Structured by six themes and subsequent sub-themes, rather than areas, to echo how people are traveling, rather than where. Themes include Eat, Drink, Shop, and more! • Each entry includes its unique address so readers can pinpoint precisely where they are heading • Each theme ends with a tour spread, dedicated to a specific interest or experience. For example, “A Night Out in Greenwich Village” and “Thrifting in Williamsburg” • Created keeping in mind readers traveling in a post-Covid world Discover the best of the Big Apple Soaring skyscrapers, iconic museums, world-renowned parks, and a foodie scene like no other, New York is a city with something for everyone! The Empire State Building, Met Museum, and so many more incredible sights known across New York and the world are just waiting for you, and who better to give you the low-down on where to go than the locals? From the best brunch spots and dive bars to the ultimate thrift stores and off-Broadway shows, this New York guidebook will help you find all the local’s favorite hangout spots and hidden haunts. Canoe along Brooklyn’s Gowanus Canal, browse long-standing record stores in the East Village, and while away an evening at an Upper East Side wine bar. More in the series From Paris and London to San Francisco and Tokyo, there are more places to discover with these niche local guides! Written by the people who call it home, the Like A Local series from DK takes you beyond the tourist track to experience the heart and soul of each city!

New York Day Trips by Theme Sandra Mardenfeld, 2020-08-11 Your All-in-One Guide to New York’s Best Outings! Little Kid, Big City!: New York Beth Beckman, 2021-02-02 If you could have an adventure in New York City, where would you go? Curious readers will find plenty to see, learn, and explore in this fun and illustrated pick-your-own-path travel guide! Would you walk the Brooklyn Bridge for a huge slice of pizza, see the dazzling lights in Times Square, or visit the whale at the Museum of Natural History? Create your own itinerary, choose which places to visit at the end of every page, and follow along with an adventurous family as they explore New York. • Visit iconic sites like the Statue of Liberty, the Empire State Building, and the legendary Broadway theater district. • Grab a slice from New York’s iconic pizzerias, sample world-famous bagels,

and try a taste of Harlem Soul food. • Discover off-the-beaten-path destinations such as the Little Red Lighthouse, the Underground Transit Museum, and the Boardwalk of Coney Island. • Travel through the city that never sleeps by waterway ferry, subway and the iconic yellow taxi. • Get to know the diversity of the city through visits to Chinatown, Little Italy, Queens, and Harlem. Featuring playful illustrations, a diverse and lovable cast of characters, an invaluable resources section, and a fun foldout map, this book is an ingenious way for kids to take the lead while planning a vacation or learning about one of the largest cities in the world. Whether you're an armchair traveler or a real-life tourist, Little Kid, Big City! has everything you need to invent your own adventure! Next stop, Little Kid, Big City!: London

Greater Gotham Mike Wallace, 2017-09-04 In this utterly immersive volume, Mike Wallace captures the swings of prosperity and downturn, from the 1898 skyscraper-driven boom to the Bankers' Panic of 1907, the labor upheaval, and violent repression during and after the First World War. Here is New York on a whole new scale, moving from national to global prominence -- an urban dynamo driven by restless ambition, boundless energy, immigrant dreams, and Wall Street greed. Within the first two decades of the twentieth century, a newly consolidated New York grew exponentially. The city exploded into the air, with skyscrapers jostling for prominence, and dove deep into the bedrock where massive underground networks of subways, water pipes, and electrical conduits sprawled beneath the city to serve a surging population of New Yorkers from all walks of life. New York was transformed in these two decades as the world's second-largest city and now its financial capital, thriving and sustained by the city's seemingly unlimited potential. Wallace's new book matches its predecessor in pure page-turning appeal and takes America's greatest city to new heights.

Official Master Register of Bicentennial Activities American Revolution Bicentennial Administration, 1975

Mannahatta Eric W. Sanderson, 2013-11-27 What did New York look like four centuries ago? An extraordinary reconstruction of a wild island from the forests of Times Square to the wetlands downtown. Named a Best Book of the Year by Library Journal, New York Magazine, and San Francisco Chronicle On September 12, 1609, Henry Hudson first set foot on the land that would become Manhattan. Today, it's difficult to imagine what he saw, but for more than a decade, landscape ecologist Eric Sanderson has been working to do just that. *Mannahatta: A Natural History of New York City* is the astounding result of those efforts, reconstructing in words and images the wild island that millions now call home. By geographically matching an eighteenth-century map with one of the modern city, examining volumes of historic documents, and collecting and analyzing scientific data, Sanderson re-creates topography, flora, and fauna from a time when actual wolves prowled far beyond Wall Street and the degree of biological diversity rivaled that of our most famous national parks. His lively text guides you through this abundant landscape—while breathtaking illustrations transport you back in time. *Mannahatta* is a groundbreaking work that provides not only a window into the past, but also inspiration for the future. “[A] wise and beautiful book, sure to enthrall anyone interested in NYC history.” —Publishers Weekly (starred review) “A cartographical detective tale . . . The fact-intense charts, maps and tables offered in abundance here are fascinating.” —The New York Times

"[An] exuberantly written and beautifully illustrated exploration of pre-European Gotham." –San Francisco Chronicle "You don't have to be a New Yorker to be enthralled." –Library Journal

A Booklover's Guide to New York Cleo Le-Tan, 2019-10-01 An illustrated guide to New York City tailored for the book-obsessed explorer showcasing the city's best bookshops; libraries; homes and haunts of world-famous writers; and scenes from literary classics with charming drawings by the famed New Yorker cover artist Pierre Le-Tan. A Booklover's Guide to New York is a love letter to everything literary in New York City. It is a book all about books. The book is an object in itself, designed as the ultimate little tome any book collector would love to acquire, layered with witty Pierre Le-Tan drawings, as well as photographs of some of the most precious bookish locations. Rediscover New York in the most fashionably literate way: whether you are in need of an exceptionally rare edition of your favorite novel (perhaps to be found in the dark and musty backroom of The Center for Fiction), or the most tranquil place to devour a short story on a wintry day (an empty underground food court in a Midtown skyscraper), or if you are looking to follow in the footsteps of a beloved author or novella character (like Capote's Grady and Clyde in Central Park Zoo), this will be your ultimate companion. Part guide, part sophisticated scrapbook and part desirable object, A Booklover's Guide to New York is an absolute must for any book-savvy person--the young bookworm or old scholar, the visiting tourist or homegrown New Yorker, the aspiring writer or doting parent.

New York City Subways Tom Range, 2002 New York City Subways traces the history of mass transportation in Manhattan and New York City's outer boroughs. Public transportation has long been vital to the city, with horse-drawn surface lines established by 1831 and elevated railroad lines constructed during the 1870s and 1880s. The concept of subways, railroads operating underground, originated in London in 1863 and was applied to New York City by 1904. This collection of vintage postcards brings you through the tunnels of the subway, onto the platforms of the long-gone els, and examines New York's renowned terminals, especially Grand Central and Penn Station.

Brown Girl Dreaming Jacqueline Woodson, 2016-10-11 Jacqueline Woodson's National Book Award and Newbery Honor winner is a powerful memoir that tells the moving story of her childhood in mesmerizing verse. A President Obama O Book Club pick Raised in South Carolina and New York, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 additional poems, including *Brown Girl Dreaming*. Praise for Jacqueline Woodson: Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—The New York Times Book Review

Brick or Treat! (LEGO) Matt Huntley, 2022-07-26 A Halloween storybook filled with spooky fun—starring LEGO® minifigures! Do you dare to join a fearless trio of trick-or-treaters who visit the mysterious home of an eccentric scientist? Along with owls, pumpkins, and helpful robots, they discover that a little bravery and some LEGO® creativity can make a frightfully fun night. LEGO, the LEGO logo, the Brick and Knob configurations, and the Minifigure are trademarks of the LEGO Group. ©2021 The LEGO Group. Manufactured by AMEET Sp. z o.o. under license from the LEGO Group.

Secrets of New York City Marjorie Palmer, 2002 Discover the real, infinitely more interesting city that native New Yorkers know. Sit in the prompter's box at the Metropolitan Opera. Hike Staten Island's Greenbelt. Shop the Garment District warehouses for cool fashions. Meet a graffiti artist, or an all-night DJ. Get your picture taken by the world-famous New Year's Eve ball, or in a token booth. It's a whole different New York than the theme park version!

New York State of Mind Billy Joel, 1988-09-01 (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

Starting From Zero Michael Sorkin, 2013-12-02 Architect and social critic Michael Sorkin develops his own vision of the future lower Manhattan through a series of chronologically organized essays illustrated with full-color images of his own plans. Mixing his inimitable brand of social criticism with more personal reflections, *Starting From Zero* offers a striving challenge to the Ground Zero redevelopment plan recently chosen by New York's establishment insiders.
