

New York New York

Charles J. Ziga

New York, New York, New York Thomas Dyja,2022-03-15 A lively, immersive history by an award-winning urbanist of New York City's transformation, and the lessons it offers for the city's future--

New York New York Hilary Geary Ross,2011-11-29 New York New York combines the talents of renowned photographer Harry Benson with text by society columnist Hilary Geary Ross to create a stunning portrait of New York's best-known citizens. From captains of industry, politicians, movie stars, dancers, artists, and best-selling authors to celebrated athletes and society doyennes, New York New York captures the glamour of Manhattan from the early 60s to today in hundreds of black-and-white and color photographs. Subjects include Diane Sawyer, Halston, Truman Capote, Robert Redford, Neil Simon, Tom Wolfe, Norman Mailer, Spike Lee, Malcolm Forbes, Al Pacino, Lauren Hutton, Lena Horne, Andy Warhol, Yogi Bera, Jackie Kennedy, Gerard Butler, Cindy Lauper, Daryl Hannah, Mario Cuomo, Birdie Bell, Donald Trump, Brooke Astor, Yoko Ono, Woody Allen, and Michael Kors, among many, many others.

New York for New Yorkers Liza M. Greene,2001 Updated to include major new buildings of the last five years, this volume is a celebration of the buildings of New York City and their history with over 600 color photos.

I Never Knew That About New York Christopher Winn,2014-03-25 A treasure trove of fascinating trivia about the city that never sleeps Did you know: • Grand Central Terminal is the largest railway station in the world. • Columbus Circle is the point from which all official distances to and from New York are measured • When Queen Elizabeth II visited Trinity Church in 1976, she was presented with 279

peppercorns in back rent • Macy's owns almost a full city block...but not the real estate its famous sign featuring its signature red bag is on. Take a delightful journey from the bottom of the island of Manhattan to the top and discover extraordinary facts about New York along the way. You'll find yourself saying, "I never knew that about New York!"

In New York Marc Brown,2014-03-11 Marc Brown now calls New York City home, and with In New York, he shares his love for all that the city has to offer and all that it stands for, including the way it's always changing and evolving. From its earliest days as New Amsterdam to the contemporary wonders of Central Park, the Statue of Liberty, and the Empire State Building, to the kid-appealing subway, High Line, and so much more, Marc's rollicking text and gorgeous illustrations showcase what he's come to adore about New York after fulfilling his life-long dream to live in the city he fell in love with during a childhood visit. This is at once a personal story from the beloved creator of *Arthur*, a useful primer for first-time travelers on what to see and do with kids in the Big Apple, and a perfect keepsake after a visit. It's also a great gift for anyone who loves New York, the Crossroads of the World. New York! New York! It's a heckuva town!

Good Night New York City Adam Gamble,2006-10-28 Easy-to-read text introduces the sights of New York City through a full day of sightseeing.

The Seasons of New York Charles J. Ziga,2012-03-27 New York is one of the most ever-changing and photogenic places in the world. Featuring full-color photographs of well-known landmarks from all five boroughs—from the Brooklyn Botanic Garden to South Street Seaport, as well as secret treasures throughout

the city—this visual celebration of New York in all of its seasonal splendor is a perfect take-home souvenir for a tourist or a treasured gift for a resident New Yorker. The year begins and ends in winter—ice skaters enjoy Central Park’s Wollman Rink, the Christmas tree arrives at Rockefeller Center, pedestrians walk across a snow-covered Brooklyn Bridge. Springtime brings cherry blossoms in Washington Square and a field of tulips in Central Park. In the summer, the paths through Central Park are a popular stroll, and farmers’ markets and other outdoor events, such as the Independence Day fireworks over the Statue of Liberty, draw people outside during the warmer months. Autumn brings leaves in vibrant shades of red and orange and makes a carriage ride through Central Park especially beautiful.

Here is New York E. B. White, 2011-03-30 In the summer of 1948, E.B. White sat in a New York City hotel room and, sweltering in the heat, wrote a remarkable pristine essay, *Here is New York*. Perceptive, funny, and nostalgic, the author’s stroll around Manhattan—with the reader arm-in-arm—remains the quintessential love letter to the city, written by one of America’s foremost literary figures. *Here is New York* has been chosen by The New York Times as one of the ten best books ever written about the city. The New Yorker calls it “the wittiest essay, and one of the most perceptive, ever done on the city.”

Working-Class New York Joshua B. Freeman, 2021-04-20 A “lucid, detailed, and imaginative analysis” (The Nation) of the model city that working-class New Yorkers created after World War II—and its tragic demise More than any other city in America, New York in the years after the Second World War carved out an idealistic and equitable path to the future. Largely through the efforts of its working class and the dynamic labor movement it built, New York City became the envied model of liberal America and the

scourge of conservatives everywhere: cheap and easy-to-use mass transit, work in small businesses and factories that had good wages and benefits, affordable public housing, and healthcare for all. *Working-Class New York* is an “engrossing” (Dissent) account of the birth of that ideal and the way it came crashing down. In what Publishers Weekly calls “absorbing and beautifully detailed history,” historian Joshua Freeman shows how the anticommunist purges of the 1950s decimated the ranks of the labor movement and demoralized its idealists, and how the fiscal crisis of the mid-1970s dealt another crushing blow to liberal ideals as the city’s wealthy elite made a frenzied grab for power. A grand work of cultural and social history, *Working-Class New York* is a moving chronicle of a dream that died but may yet rise again.

DK Eyewitness New York City DK Eyewitness, 2023-09-26 Winner of the Travel Media Awards 2019 Guide of the Year Whether you want to visit the iconic Empire State Building, take a leisurely stroll through Central Park, or sample the sublime cocktails in East Village, your DK Eyewitness travel guide makes sure you experience all that New York City has to offer. New York 400 The Museum of the City of New York, 2009-09-08 The year 2009 is a landmark in the history of New York, and America. It's the 400th anniversary of Henry Hudson's arrival along the river that bears his name. With public initiatives and media attention on commemorative events and exhibits at a fever pitch throughout the year, the stage is set for New York 400, a one-of-a-kind celebration of the

greatest city in America. With unprecedented access to the Museum of the City of New York's vast archive, this is a visual history of the city of New York like none other, focusing not merely on landmarks but also on everyday life in the city over the past four centuries. The people, arts, culture, politics, and drama unfold through hundreds of rarely seen photographs and a fascinating profile of the city that never sleeps. Featuring essays from leading historians of the distinct epochs of Gotham, this volume takes us from the days of Director-General Petrus Stuyvesant in the seventeenth century through to mayors Giuliani and Bloomberg in the modern melting pot that is New York in the twenty-first century. The Museum of the City of New York has a unique mandate—to explore the past, present, and future of New York, and to celebrate the city's heritage of diversity, opportunity, and perpetual transformation. Its unparalleled collections, including photography, sculpture, costumes, toys, and decorative arts, enable the museum to present a variety of exhibitions, public programs, and publications investigating what gives New York its singular character.

All the Restaurants in New York John Donohue, 2019-05-14 “An emotional trip down memory lane for those of us who count our favorite restaurants as cherished personalities and members of our family.” —Danny Meyer, founder of Shake Shack From romantic spots like Le Bernardin to beloved holes-in-the-wall like Corner Bistro, John Donohue renders people's favorite restaurants in a manner that captures the emotional pull a certain place can have on the hearts of New Yorkers. *All the Restaurants in New York* is a collection of these drawings, characterized by their appealingly loose and gently distorted lines. These transportive images are intentionally spare, leaving the viewer room to layer on their own meaning and

draw connections to their own memories of a place, of a time, of an atmosphere. Featuring an eclectic mix of 100 restaurants—from Minetta Tavern to Frankies 457 and River Café—this charming collection of drawings is accompanied by interviews with the owners, chefs, and loyal patrons of these much-loved restaurants. “I love John’s spare, romantic, quirky portrayals of iconic New York restaurants so much that I purchased over a dozen of his prints to hang around my office. These places come to define our lives in New York—that job right next to Balthazar, that boyfriend who lived above Prune, that interview that took place at ‘21’ . . . They deserve this spotlight, this tribute.” —Amanda Kludt, Editor in Chief, Eater “John Donohue is the Rembrandt of New York City’s restaurant facades. His collection is an invaluable, evocative guide to the ever-changing, slowly vanishing landscape of the city’s great dining scene. It belongs on the bookshelf of every devout chowhound and fresser.” —Adam Platt, Restaurant Critic, New York magazine

New York From the Air Paul Seibert, 2022-04-12 Have you ever flown into New York City and marveled out the plane windows at the incredible view of the skyline from the air? With unprecedented access from both helicopter and rooftop vantages, here are 200 of the most stunning, never-before-seen New York City photographs ever assembled. From sunrise to sunset, New York City is the most photographed city in the world. No other city is captured more each year, anywhere. Award-winning photographer Paul Seibert takes us on a breath-taking journey high above New York, from sweeping panoramic views to details of the architecture that make the city a photographer’s dream. Seibert’s years as the official photographer for FlyNYON helicopter tours allowed him to know where and when to be for

the most extraordinary light. Seibert brings his unique and unmatched aerial vistas of New York City to life—every angle, every moment, every season. Tourists and native New Yorkers alike will see New York for the first time, all over again.

Who's the Dummy Now? Terry Fator, 2008 Describes how the ventriloquist overcame an abusive childhood and years as a struggling entertainer to pursue his dreams and, after winning America's Got Talent, has gone on to have a successful career in television and Las Vegas.

Murals of New York City Glenn Palmer-Smith, 2020-03-03 If all of the murals of New York City were under one roof, it would be the greatest collection of populist art in America. MURALS OF NEW YORK CITY is the first book to curate over thirty of the most important, influential, and impressive murals found within all five boroughs. The murals featured in this volume act as both an artistic and cultural guide to New York and its citizens over the past 100+ years—from the Victorian sensibilities of the 1900's, to the New Deal outlook of the WPA-commissioned artworks, to the graffiti-inflected art of Keith Haring and Barry McGee. The book enlightens readers with the lively back stories of those who commissioned and created these murals, and documents the works through extensive original photography that shows both the murals in context, and with details that highlight the artistic hand of the muralists. From courthouses, to libraries, to schoolrooms, to classic hotel watering holes, MURALS OF NEW YORK CITY introduces readers to a wide range of cultural icons and artistic treasures. Full-color images of works by the world's most celebrated artists including Marc Chagall, Roy Lichtenstein, Maxfield Parrish, and more are accompanied by informative and historical commentary. MURALS OF NEW YORK CITY is perfect for

art and architecture lovers and serves as a resource for New Yorkers, and a souvenir for the millions of tourists who visit the city every year. The book contains addresses and historical information on each mural, artist, and location, including the circumstances in which they were created, restored, and preserved.

Only in New York The Photography Staff of the NY Times, 2019-05-07 Curated from hundreds of thousands of photos from The New York Times' archives **Only in New York** brings together the most memorable, poignant, and historic images of the Big Apple. This beautiful gift book celebrates New York in a way that will be treasured by native New Yorkers and tourists alike. The New York Times is the world's foremost news organization, but it is very much a hometown paper, too. Since the inception of the camera, Times photographers have captured every newsworthy event--and many of the most iconic and intimate moments--that together document the very spirit and essence of New York City. These 500 photos are selected and paired in clever, humorous, and poignant diptychs that bring the city to life as you could only see in NYC--from Broadway to Yankee Stadium, nightlife to street life, skyscrapers to subways. And since the turn of the last century, NY Times photographers have been visually recording the vast, and vastly interesting and entertaining, mix of people, places, and institutions that provide New York with its reputation as the city that occasionally dozes but never closes. This collection of their work spans more than a century, providing a vivid chronicle of metropolitan life at its most vibrant. Most of all, of course, there are the people and the neighborhoods they inhabit. Through the work of such celebrated New York Times photographers as Damon Winter, Neal Boenzi, Fred R. Conrad, Ruth Fremson, Vincent Laforet,

Michelle Agins, Todd Heisler, Chang W. Lee, Barton Silverman, Sara Krulwich, Michelle Agins, Tyler Hicks, and many more, the spirit of the city is captured in this extraordinary book. Their ability to capture the familiar in original ways, and the seldom-seen in surprising ones, gives this book the look and feel of a true original. Only in New York is a celebration of New York City and its people--and is sure to be treasured by native New Yorkers, tourists, and anyone who aspires to make it there.

The Pop Culture Lover's Guide to New York City Bob Egan, Jim Egan, 2018 POP CULTURE NEW YORK CITY: THE ULTIMATE LOCATION FINDER

Hello, New York City! David Walker, 2010-05-04 Take a tasty bite of the Big Apple, where a lively tour goes from Times Square down to Coney Island's famous aquarium, with stops at the American Museum of Natural History, Lincoln Center, and of course, the Statue of Liberty holding her torch up high.

New York New York Introduction

In today's digital age, the availability of New York New York books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New York New York books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New York New York books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them

for educational or professional purposes. By accessing New York New York versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New York New York books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open

them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New York New York books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New York New York books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing

cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New York New York books and manuals for download have transformed

the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New York New York books and manuals for download and embark on your journey of knowledge?

FAQs About New York New York Books

1. Where can I buy New York New York books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a New York New York book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and

recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of New York New York books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book

collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are New York New York audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
