

New York

Christopher Winn

New York, New York, New York Thomas Dyja, 2022-03-15 A lively, immersive history by an award-winning urbanist of New York City's transformation, and the lessons it offers for the city's future--

New York Edward Rutherfurd, 2011-11-29 A brilliant mix of battle, romance, family struggles, and personal triumphs, New York gloriously captures the search for freedom and prosperity at the heart of America's history. A blockbuster masterpiece that combines breath-taking scope with narrative immediacy, this grand historical epic traces the history of New York through the lenses of several families: The Van Dycks, a wealthy Dutch trading family; the Masters, scions of an English merchant clan torn apart during the Revolution; the Hudsons, slaves who fight for their freedom over several generations; the Murphys, who escape the Famine in Ireland and land in the chaotic slum of Five Points; the Rewards, robber barons of the Gilded Age; the Florinos, an immigrant Italian clan who work building the great skyscrapers in the 1920s; and the Rabinowitzs, who flee anti-semitism in Europe and build a new life in Brooklyn. Over time, the lives of these families become intertwined through the most momentous events in the fabric of America: The founding of the colonies; the Revolution; the growth of New York as a major port and trading centre; the Civil War; the Gilded Age; the explosion of immigration and the corruption of Tammany Hall; the rise of New York as a great world city in the early 20th-century; the trials of World War II, the tumult of the 1960s; the near-demise of the city in the 1970s; its roaring rebirth in the 1990s; culminating in the World Trade Center attacks at the beginning of the new century. New York is the book that Rutherfurd's fans have been waiting for. From the Hardcover

edition.

Weird New York Chris Gethard, 2005 This book is a travel guide of sorts to New York's local legends and best kept secrets, filled with crazy characters, cursed roads, abandoned sites, and bizarre roadside attractions that the author feels reflect the shared modern folklore of our time.

Here is New York E. B. White, 2011-03-30 In the summer of 1948, E.B. White sat in a New York City hotel room and, sweltering in the heat, wrote a remarkable pristine essay, *Here is New York*. Perceptive, funny, and nostalgic, the author's stroll around Manhattan—with the reader arm-in-arm—remains the quintessential love letter to the city, written by one of America's foremost literary figures. *Here is New York* has been chosen by *The New York Times* as one of the ten best books ever written about the city. *The New Yorker* calls it “the wittiest essay, and one of the most perceptive, ever done on the city.”

The Seasons of New York Charles J. Ziga, 2012-03-27 New York is one of the most ever-changing and photogenic places in the world. Featuring full-color photographs of well-known landmarks from all five boroughs—from the Brooklyn Botanic Garden to South Street Seaport, as well as secret treasures throughout the city—this visual celebration of New York in all of its seasonal splendor is a perfect take-home souvenir for a tourist or a treasured gift for a resident New Yorker. The year begins and ends in winter—ice skaters enjoy Central Park's Wollman Rink, the Christmas tree arrives at Rockefeller Center, pedestrians walk across a snow-covered Brooklyn Bridge. Springtime brings cherry blossoms in Washington Square and a field of tulips in Central Park. In the summer, the paths through Central Park are a popular stroll, and farmers' markets and other outdoor events, such as

the Independence Day fireworks over the Statue of Liberty, draw people outside during the warmer months. Autumn brings leaves in vibrant shades of red and orange and makes a carriage ride through Central Park especially beautiful.

I Never Knew That About New York Christopher Winn, 2014-03-25 A treasure trove of fascinating trivia about the city that never sleeps Did you know: • Grand Central Terminal is the largest railway station in the world. • Columbus Circle is the point from which all official distances to and from New York are measured • When Queen Elizabeth II visited Trinity Church in 1976, she was presented with 279 peppercorns in back rent • Macy's owns almost a full city block...but not the real estate its famous sign featuring its signature red bag is on. Take a delightful journey from the bottom of the island of Manhattan to the top and discover extraordinary facts about New York along the way. You'll find yourself saying, "I never knew that about New York!"

Humans of New York: Stories Brandon Stanton, 2020-10-06 The #1 New York Times Bestseller! With over 500 vibrant, full-color photos, Humans of New York: Stories is an insightful and inspiring collection of portraits of the lives of New Yorkers. Humans of New York: Stories is the culmination of five years of innovative storytelling on the streets of New York City. During this time, photographer Brandon Stanton stopped, photographed, and interviewed more than ten thousand strangers, eventually sharing their stories on his blog, Humans of New York. In Humans of New York: Stories, the interviews accompanying the photographs go deeper, exhibiting the intimate storytelling that the blog has become famous for today. Ranging from whimsical to heartbreaking, these stories have attracted a global following of more than 30 million people across several social media platforms.

Good Night New York City Adam Gamble,2006-10-28 Easy-to-read text introduces the sights of New York City through a full day of sightseeing.

Affordable Housing in New York Nicholas Dagen Bloom,Matthew Gordon Lasner,2019-12-31 A richly illustrated history of below-market housing in New York, from the 1920s to today A colorful portrait of the people, places, and policies that have helped make New York City livable, Affordable Housing in New York is a comprehensive, authoritative, and richly illustrated history of the city's public and middle-income housing from the 1920s to today. Plans, models, archival photos, and newly commissioned portraits of buildings and tenants by sociologist and photographer David Schalliol put the efforts of the past century into context, and the book also looks ahead to future prospects for below-market subsidized housing. A dynamic account of an evolving city, Affordable Housing in New York is essential reading for understanding and advancing debates about how to enable future generations to call New York home.

New York New York Hilary Geary Ross, 2011-11-29 *New York New York* combines the talents of renowned photographer Harry Benson with text by society columnist Hilary Geary Ross to create a stunning portrait of New York's best-known citizens. From captains of industry, politicians, movie stars, dancers, artists, and best-selling authors to celebrated athletes and society doyennes, *New York New York* captures the glamour of Manhattan from the early 60s to today in hundreds of black-and-white and color photographs. Subjects include Diane Sawyer, Halston, Truman Capote, Robert Redford, Neil Simon, Tom Wolfe, Norman Mailer, Spike Lee, Malcolm Forbes, Al Pacino, Lauren Hutton, Lena Horne, Andy Warhol, Yogi Bera, Jackie Kennedy, Gerard Butler, Cindy Lauper, Daryl Hannah, Mario Cuomo, Birdie Bell, Donald Trump, Brooke Astor, Yoko Ono, Woody Allen, and Michael Kors, among many, many others.

In New York Marc Brown, 2014-03-11 Marc Brown now calls New York City home, and with *In New York*, he shares his love for all that the city has to offer and all that it stands for, including the way it's always changing and evolving. From its earliest days as New Amsterdam to the contemporary wonders of Central Park, the Statue of Liberty, and the Empire State Building, to the kid-appealing subway, High Line, and so much more, Marc's rollicking text and gorgeous illustrations showcase what he's come to adore about New York after fulfilling his life-long dream to live in the city he fell in love with during a childhood visit. This is at once a personal story from the beloved creator of *Arthur*, a useful primer for first-time travelers on what to see and do with kids in the Big Apple, and a perfect keepsake

after a visit. It's also a great gift for anyone who loves New York, the Crossroads of the World. New York! New York! It's a heckuva town!

New York 400 The Museum of the City of New York, 2009-09-08 The year 2009 is a landmark in the history of New York, and America. It's the 400th anniversary of Henry Hudson's arrival along the river that bears his name. With public initiatives and media attention on commemorative events and exhibits at a fever pitch throughout the year, the stage is set for New York 400, a one-of-a-kind celebration of the greatest city in America. With unprecedented access to the Museum of the City of New York's vast archive, this is a visual history of the city of New York like none other, focusing not merely on landmarks but also on everyday life in the city over the past four centuries. The people, arts, culture, politics, and drama unfold through hundreds of rarely seen photographs and a fascinating profile of the city that never sleeps. Featuring essays from leading historians of the distinct epochs of Gotham, this volume takes us from the days of Director-General Petrus Stuyvesant in the seventeenth century through to mayors Giuliani and Bloomberg in the modern melting pot that is New York in the twenty-first century. The Museum of the City of New York has a unique mandate—to explore the past, present, and future of New York, and to celebrate the city's heritage of diversity, opportunity, and perpetual transformation. Its unparalleled collections, including photography, sculpture, costumes, toys, and decorative arts, enable the museum to present a variety of exhibitions, public programs, and publications investigating what gives New York its singular character.

Bloomberg's New York Julian Brash, 2011 New York mayor Michael Bloomberg claims to run the city like a business. In Bloomberg's New York, Julian Brash applies methods from

anthropology, geography, and other social science disciplines to examine what that means. He describes the mayor's attitude toward governance as the Bloomberg Way—a philosophy that holds up the mayor as CEO, government as a private corporation, desirable residents and businesses as customers and clients, and the city itself as a product to be branded and marketed as a luxury good. Commonly represented as pragmatic and nonideological, the Bloomberg Way, Brash argues, is in fact an ambitious reformulation of neoliberal governance that advances specific class interests. He considers the implications of this in a blow-by-blow account of the debate over the Hudson Yards plan, which aimed to transform Manhattan's far west side into the city's next great high-end district. Bringing this plan to fruition proved surprisingly difficult as activists and entrenched interests pushed back against the Bloomberg administration, suggesting that despite Bloomberg's success in redrawing the rules of urban governance, older political arrangements—and opportunities for social justice—remain.

The Pop Culture Lover's Guide to New York City Bob Egan, Jim Egan, 2018 POP CULTURE
NEW YORK CITY: THE ULTIMATE LOCATION FINDER

Building New York Bruce Marshall, 2009 Chronicling the architectural evolution of the city of New York, Marshall explores the majestic history of the 'Big Apple', as well as looking at the visionaries whose stamp it bears today.

Only in New York The Photography Staff of the NY Times, 2019-05-07 Curated from hundreds of thousands of photos from The New York Times' archives Only in New York brings together the most memorable, poignant, and historic images of the Big Apple. This beautiful gift book celebrates New York in a way that will be treasured by native New

Yorkers and tourists alike. The New York Times is the world's foremost news organization, but it is very much a hometown paper, too. Since the inception of the camera, Times photographers have captured every newsworthy event--and many of the most iconic and intimate moments--that together document the very spirit and essence of New York City. These 500 photos are selected and paired in clever, humorous, and poignant diptychs that bring the city to life as you could only see in NYC--from Broadway to Yankee Stadium, nightlife to street life, skyscrapers to subways. And since the turn of the last century, NY Times photographers have been visually recording the vast, and vastly interesting and entertaining, mix of people, places, and institutions that provide New York with its reputation as the city that occasionally dozes but never closes. This collection of their work spans more than a century, providing a vivid chronicle of metropolitan life at its most vibrant. Most of all, of course, there are the people and the neighborhoods they inhabit. Through the work of such celebrated New York Times photographers as Damon Winter, Neal Boenzi, Fred R. Conrad, Ruth Fremson, Vincent Laforet, Michelle Agins, Todd Heisler, Chang W. Lee, Barton Silverman, Sara Krulwich, Michelle Agins, Tyler Hicks, and many more, the spirit of the city is captured in this extraordinary book. Their ability to capture the familiar in original ways, and the seldom-seen in surprising ones, gives this book the look and feel of a true original. Only in New York is a celebration of New York City and its people--and is sure to be treasured by native New Yorkers, tourists, and anyone who aspires to make it there.

New York Introduction

In today's digital age, the availability of New York books and manuals for download has revolutionized the way we access

information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New York books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New York books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New York versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New York books and manuals for download are

incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New York books and manuals,

several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New York books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own

digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New York books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books

and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New York books and manuals for download and embark on your journey of knowledge?

FAQs About New York Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics

and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. New York is one of the best book in our library for free trial. We provide copy of New York in digital format, so the resources that you find are reliable. There are also many Ebooks of related with New York. Where to download

New York online for free? Are you looking for New York PDF? This is definitely going to save you time and cash in something you should think about.
