**Praying the News** Wendy Griffith, Craig Von

Buseck, 2011-09-10 Watching or reading the news is an opportunity— an opportunity to give in to fear and despair, or an opportunity to make a difference! In *Praying the News*, concerned readers will find a practical guide to discovering the power, joy and peace of partnering with God. Veteran news reporters Wendy Griffith and Craig von Buseck offer an unvarnished assessment of the media as well as a comprehensive biblical plan for effective, world-changing prayer. They tell behind-the-scenes stories not only of effective prayer for the news but also stories of their prophetic intercession while reporting the news. Bad news is no match for the Good News of God's kingdom! *Praying the News* will meet a huge need in the coming months and years, since many events are coming that will shake our nation, and believers will need a book like this to help them pray into, and pray through, what is coming. Great shakings are coming on earth, but great breakthroughs, glory, blessings are coming from heaven to all who call on the name of the Lord (Isa 60:1-2; Joel 2:32).

*Four Perfect Pebbles* Lila Perl, Marion Blumenthal

Lazan, 2016-10-18 The twentieth-anniversary edition of Marion Blumenthal Lazan's acclaimed Holocaust memoir features new material by the author, a reading group guide, a map, and additional photographs. "The writing is direct, devastating, with no rhetoric or exploitation. The truth is in what's said and in what is left out."—ALA Booklist (starred review) Marion Blumenthal Lazan's unforgettable and acclaimed memoir recalls the devastating years that shaped her childhood. Following Hitler's rise to power, the Blumenthal family—father, mother, Marion, and her brother, Albert—were trapped in Nazi Germany. They managed eventually to get to Holland, but soon thereafter it was occupied by the Nazis. For the next six and a half years the

Blumenthals were forced to live in refugee, transit, and prison camps, including Westerbork in Holland and Bergen-Belsen in Germany, before finally making it to the United States. Their story is one of horror and hardship, but it is also a story of courage, hope, and the will to survive. *Four Perfect Pebbles* features forty archival photographs, including several new to this edition, an epilogue, a bibliography, a map, a reading group guide, an index, and a new afterword by the author. First published in 1996, the book was an ALA Notable Book, an ALA Quick Pick for Reluctant Readers, and IRA Young Adults' Choice, and a Notable Trade Book in the Field of Social Studies, and the recipient of many other honors. "A harrowing and often moving account."—School Library Journal

*Online Journalism Ethics* Cecilia Friend,Jane Singer,2015-03-26 Online media present both old and new ethical issues for journalists who must make decisions in an interactive, instantaneous environment short on normative standards or guidelines. This user-friendly book guides prospective and

professional journalists through ethical questions encountered only online. Including real-life examples and perspectives from online journalists in every chapter, the book examines the issues of gathering information, reporting, interviewing, and writing for mainstream news organizations on the Web. It considers the ethical implications of linking, interactivity, verification, transparency, and Web advertising, as well as the effects of convergence on newsrooms. It also addresses the question of who is a journalist and what is journalism in an age when anyone can be a publisher. Each chapter includes a complex case study that promotes critical thinking and classroom discussion about how to apply the ethical issues covered.

Everything that really matters is here: humor, romance, wisdom, and drama.”—The Dallas Morning News Eight years have passed since Ave Maria Mulligan married Jack Mac, moved up into the hills, and dug in her roots even deeper.
