Reece Peck

Bacon's TV/cable Directory ,2006

The Midnight Brigade Adam Borba,2021-09-07 Harkening to classics such as Roald Dahl's *The BFG*, this heartwarming story highlights the power of friendship and the importance of finding your voice. Carl Chesterfield wishes he could speak up—whether that means being honest with his father about the family's new (and failing) food truck, reaching out to a potential friend, or alerting others to the fact that monsters might be secretly overrunning his hometown of Pittsburgh. There's plenty to fret over. And plenty to question. When a flyer about a mysterious monster-seeking group called the Midnight Brigade catches his eye, Carl sees an opportunity to find answers. Little does he know, his curiosity will lead him to find an incredible discovery under one of his city's magnificent bridges and to be bolder than he ever imagined. Chock-full of humor and heart, this is the quirky tale of three unexpected friends and the crankiest troll with a heart of gold.

Race Work Matthew C. Whitaker,2007-08-01 Nearly sixty years ago, Lincoln and Eleanor Ragsdale descended upon the isolated, somewhat desolate, and entirely segregated city of Phoenix, Arizona, in search of freedom and opportunity—a move that would ultimately transform an entire city and, arguably, the nation. *Race Work* tells the story of this remarkable pair, two of the most influential black activists of the post-World War II American West, and through their story, supplies a missing chapter in the history of the civil rights movement, American race relations, African Americans, and the American West. ø Matthew C. Whitaker explores the Ragsdales' family history and how their familial traditions of entrepreneurship, professionalism, activism, and ?race work? helped form their activist identity and placed them in a position to help desegregate Phoenix. His work, the first sustained account of white supremacy and black resistance in Phoenix, also uses the lives of the Ragsdales to examine themes of domination, resistance, interracial coalition building, race, gender, and place against the backdrop of the civil rights and post-civil rights eras. An absorbing biography that provides insight into African Americans' quest for freedom, *Race Work* reveals the lives of the Ragsdales as powerful symbols of black leadership who illuminate the problems and progress in African American history, American Western history, and American history during the post-World War II era.

Total Memory Makeover Marilu Henner,2012-04-24 The actress describes her extremely rare talent known as Superior Autobiographical Memory--the ability to recall details of every day of her life--and discusses how it has helped her in countless scenarios, while offering advice for bolstering memory.

Official Congressional Directory 113th Congress, Convened January 3, 2013 Congress (U.S.), Joint Committee on Printing,Congress (U S) Joint Committee on Print,2014-05-16 Directory includes directory information for Congress, including officers, committees, and Congressional advisory boards, commissions and other groups, and legislative agencies; for the Executive branch including the Executive office of the president, each Cabinet agency, independent agencies, commissions and boards; for the Judiciary; for the government of the District of Columbia; for selected international organizations; for foreign diplomatic Offices in the United States; and for the Congressional press galleries. Includes also a short statistical section and Congressional district maps.

The Dogist Puppies Elias Weiss Friedman,2017-09-19 Wonderfully expressive portraits show the adorable delight of puppies--from newborns to one-year-olds--in this irresistible photography gift book.

FCC Record United States. Federal Communications Commission,2011

You Are Enough: A Book About Inclusion Margaret O'Hair,Sofia Sanchez,2021-03-02 A beautiful and inclusive picture book all about celebrating being yourself from Down syndrome advocate and viral sensation Sofia Sanchez! It can be hard to be different -- whether because of how you look, where you live, or what you can or can't do. But wouldn't it be boring if we were all the same? Being different is great! Being different is what makes you YOU. This inclusive and empowering picture book from Sofia Sanchez -- an 11-year-old model and actress with Down syndrome -- reminds readers how important it is to embrace your differences, be confident, and be proud of who you are. Imagine all of the wonderful things you can do if you don't let anyone stop you! You are enough just how you are. Sofia is unique, but her message is universal: We all belong. So each spread will feature beautiful, full-color illustrations of a full cast of kid characters with all kinds of backgrounds, experiences, and abilities. This book will also include back matter with a brief bio of Sofia and her journey so far, as well as additional information about Down syndrome and how we can all be more accepting, more inclusive, and more kind.

Mosh the Polls Brian Cogan,2008-10-08 The purpose of this book is to undertake an analysis from a variety of scholarly standpoints of the innovative ways in which both the political process and the entertainment industry appeal to voters under 30 and how these endeavors are received by the intended audience. Along the way, the book sheds light on the state of the modern American political system and its relationship to entertainment and popular culture.

Fox Populism Reece Peck,2019-01-03 Shows how Fox News' appeal is based on its populist presentational style, not its conservative ideological bias.

Sociology of Sexualities Kathleen J. Fitzgerald,Kandice L. Grossman,2017-02-08 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award—enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. *Sociology of Sexualities* is the first comprehensive text to approach the study of sexuality from a sociological perspective. Drawing on the most up-to-date social scientific research on sexuality, it discusses fundamental concepts in the field and helps students integrate knowledge about sexuality into their larger understanding of society. Topics covered include the emergence of sexual identities, inequalities and discrimination faced by sexual and gender minorities, heterosexual and cisgender privilege, activism and mobilization to challenge such discrimination, the commodification of sexuality, and the ways sexuality operates in and through various institutions. Throughout the text, the authors show how sexuality intersects with other statuses and identities.

You Are Enough Mandy Hale,2018-10-23 Mandy Hale, the creator of *The Single Woman*, the social media movement that rewrote the rulebook about singleness, challenges every woman to see that she is sufficient, acceptable, and complete. After years of trying to prove she was enough in the world's eyes, even working alongside Oprah and hitting the New York Times bestseller list, Mandy hit rock bottom. But as it turned out, that very rock bottom became the most firm foundation she had ever planted her feet on. A foundation so solid, it finally provided the springboard she needed to outrun the taunting shadow of unworthiness that she'd tried to escape her whole life. Now she wants readers to see that though life may not always be lighthearted and happy and shiny, each woman is deserving of the life she dreams of and hopes for. Nothing readers do can ever take away from their worthiness or enough-ness in God's eyes. This book is for any woman who wants to overcome heartbreak, claim her healing and step

into wholeness!

Citizen Trump Robert Orlando, 2021-06-15 Writer/director Robert Orlando, locked down during the Covid-19 pandemic, learned *Citizen Kane* was Trump's favorite film, and the parallels were astonishing. Both Kane and Trump are swaggering masters of media, and both claim to stand for the working man. "Orson Welles, the boy genius of Kane, was possessing me from the grave," states Orlando. In Orlando's acclaimed documentary *Citizen Trump*, we witness Trump, like Kane, trying to escape unglamorous beginnings. A decades-long effort to rise as aspiring Hollywood mogul, real estate player, darling of gossip columnists, casino owner, dabbler in politics, and reality TV star. Each new stage was a rehearsal for his role as president. In this follow-up to the film, Orlando takes an even deeper dive into the nature of Trump's background as an entertainer—and how it led to the miraculous upset of Clinton and his rise as president. Truth-be-told, Kane was crushed by scandal; Trump was not. He triumphed above front-page divorces, bankruptcies, unprecedented media attacks, and political chaos. Did his failed attempt at re-election end his star power? *Citizen Trump* gives us our looking glass. "Filmmaker Robert Orlando probes some of the secrets of Trump's obsessions, and finds answers in what the president has described as his favorite film [*Citizen Kane*]... Striking, very watchable. Fascinating film!" —Michael Medved, Movie Critic "Robert Orlando's 2020 documentary shows Trump's favorite film is a road map to his methods." —Joseph Serwach, Medium "To do so, he tells President Trump's life story in the cinematographic style of *Citizen Kane*, incorporating the iconic snow globe, the campaign poster, and even the mysterious word ('Rosebud') that is central to Orson Welles' masterpiece." —Gabriel Andrade, Merion West "Through the lens of the 1941 classic *Citizen Kane*, a documentary filmmaker seeks to understand the life journey of President Trump and his successful venture into politics." —Josh Shepherd, The Federalist "This is the fascinating parallel that inspired Robert Orlando. The film is remarkable—truly in the literal sense. It's visually engaging, if not riveting." —Paul Kengor, The American Spectator

Long Before Dawn James V. Viscosi, 2008-04-04 An ancient vampire's lust for a human woman triggers a battle between rival undead factions, with a small band of vampire hunters caught in the middle.

The Fox Effect David Brock, Ari Rabin-Havt, Media Matters for America, 2012-02-21 Here is comprehensive overview of the tumultuous career of former Fox News president Roger Ailes and a must-read for anyone looking to understand his legacy and impact on news media. Based on the meticulous research of the news watchdog organization Media Matters for America, David Brock and Ari Rabin-Havt show how Fox News, under its president Roger Ailes, changed from a right-leaning news network into a partisan advocate for the Republican Party. The *Fox Effect* follows the career of Ailes from his early work as a television producer and media consultant for Richard Nixon, Ronald Reagan, and George H. W. Bush. Consequently, when he was hired in 1996 as the president of Rupert Murdoch's flagship conservative cable news network, Ailes had little journalism experience, but brought to the job the mindset of a political operative. As Brock and Rabin-Havt demonstrate through numerous examples, Ailes used his extraordinary power and influence to spread a partisan political agenda that is at odds with long-established, widely held standards of fairness and objectivity in news reporting. Featuring transcripts of leaked audio and memos from Fox News reporters and executives, *The Fox Effect* is a damning indictment of how the network's news coverage and commentators have biased reporting, drummed up marginal stories, and even consciously manipulated established facts in their efforts to attack the Obama administration.

Charlotte Doug Mayes, Nancy Stanfield, Doug Morrison, 1996

California. Court of Appeal (3rd Appellate District). Records and Briefs California (State).,

Planted by the Signs Misty Skaggs, 2019-09-24 *Planted by the Signs* brings us the contemporary Appalachian poetry—cultivated in the dirt of Elliott County, Kentucky—of Misty Skaggs. With an eye for details that exquisitely balance personal and social observation to communicate volumes, she tells the stories of generations of women who have learned to navigate a harsh world with a little help from the Farmers' Almanac and the stars. The collection is separated into three sections that reference the best times to grow and harvest. Knowing and following these guidelines—planting by the signs—could mean the difference between prosperity and tragedy in the lives of Appalachian families. Personal, political, and passionate, *Planted by the Signs* also explores what it means for Skaggs to care for her great-grandmother at the end of her life. Color photos by the poet further showcase her sidelong and fierce outlook. The images and poems together deliver an intimate look into the day-to-day reality of a backwoods woman embracing barefooted radicalism in the only place she could call home.

Political Communication in the Time of Coronavirus Peter Van Aelst, Jay G. Blumler, 2021-09-13 Timely text authored by leading political communication scholars on the effects of tCovid-19 on political communication. How governments, journalists, and the public communicate is of interest within the disciplines of political science, media studies, communication studies, and journalism.
