**Thomas Riggs**

*A Boy at War* Harry Mazer, 2012-06-26 They rowed hard, away from the battleships and the bombs. Water sprayed over them. The rowboat pitched one way and then the other. Then, before his eyes, the Arizona lifted up out of the water. That enormous battleship bounced up in the air like a rubber ball and split apart. Fire burst out of the ship. A geyser of water shot into the air and came crashing down. Adam was almost thrown out of the rowboat. He clung to the seat as it swung around. He saw blue skies and the glittering city. The boat swung back again, and he saw black clouds, and the Arizona, his father's ship, sinking beneath the water. -- from *A Boy at War* He kept looking up, afraid the planes would come back. The sky was obscured by black smoke....It was all unreal: the battleships half sunk, the bullet holes in the boat, Davi and Martin in the water. December 7, 1941: On a quiet Sunday morning, while Adam and his friends are fishing near Honolulu, a surprise attack by Japanese bombers destroys the fleet at Pearl Harbor. Even as Adam struggles to survive the sudden chaos all around him, and as his friends endure the brunt of the attack, a greater concern hangs over his head: Adam's father, a navy lieutenant, was stationed on the USS Arizona when the bombs fell. During the subsequent days Adam -- not yet a man, but no longer a boy -- is caught up in the war as he desperately tries to make sense of what happened to his friends and to find news of his father. Harry Mazer, whose autobiographical novel, *The Last Mission*, brought the European side of World War II to vivid life, now turns to the Pacific theater and how the impact of war can alter young lives forever.

**Leave Me Alone, I'm Reading** Maureen Corrigan, 2007-12-18 In this delightful memoir, the book critic for NPR's *Fresh Air* reflects on her life as a professional

reader. Maureen Corrigan takes us from her unpretentious girlhood in working-class Queens, to her bemused years in an Ivy League Ph.D. program, from the whirl of falling in love and marrying (a fellow bookworm, of course), to the ordeal of adopting a baby overseas, always with a book at her side. Along the way, she reveals which books and authors have shaped her own life—from classic works of English literature to hard-boiled detective novels, and everything in between. And in her explorations of the heroes and heroines throughout literary history, Corrigan's love for a good story shines.

*The Wednesday Wars* Gary D. Schmidt, 2007 During the 1967 school year, on Wednesday afternoons when all his classmates go to either Catechism or Hebrew school, seventh-grader Holling Hoodhood stays in Mrs. Baker's classroom where they read the plays of William Shakespeare and Holling learns much of value about the world he lives in.

**Apocalypse Five** Stacey Rourke, 2019-02-12 The end of the world is coming. How or when, scientists can't agree upon. For decades, Earth's best line of defense has been a team of young soldiers known as the Apocalypse Five, forced into virtual reality simulations to train for Doom's Day. But, this is no game. Death on the grid is brutally final and calls up the next in a long line of cadets. Stationed aboard the AT-1-NS Starship, the A5 are celebrities thrust into the limelight by a calling they didn't choose. All it takes is one unscheduled mission, showing seventeen-year-old team leader Detroit a harsh and unfathomable reality, to shake the A5's belief in all they thought they knew. After questioning people with the power to destroy them, the team is framed for a crime they didn't commit and marked for death. Now, the hunt is on. Can the Apocalypse Five expose the truth the starship would kill to keep hidden? Or,

will their bravery end in a public execution?

**Morning Star** Pierce Brown, 2016-02-09 #1 NEW YORK TIMES BESTSELLER • Red Rising thrilled readers and announced the presence of a talented new author. Golden Son changed the game and took the story of Darrow to the next level. Now comes the exhilarating next chapter in the Red Rising Saga: Morning Star. ITW THRILLER AWARD FINALIST • “[Brown’s] achievement is in creating an uncomfortably familiar world of flaw, fear, and promise.”—Entertainment Weekly Darrow would have lived in peace, but his enemies brought him war. The Gold overlords demanded his obedience, hanged his wife, and enslaved his people. But Darrow is determined to fight back. Risking everything to transform himself and breach Gold society, Darrow has battled to survive the cutthroat rivalries that breed Society’s mightiest warriors, climbed the ranks, and waited patiently to unleash the revolution that will tear the hierarchy apart from within. Finally, the time has come. But devotion to honor and hunger for vengeance run deep on both sides. Darrow and his comrades-in-arms face powerful enemies without scruple or mercy. Among them are some Darrow once considered friends. To win, Darrow will need to inspire those shackled in darkness to break their chains, unmake the world their cruel masters have built, and claim a destiny too long denied—and too glorious to surrender. Praise for Morning Star “There is no one writing today who does shameless, Michael Bay-style action set pieces the way Brown does. The battle scenes are kinetic, bloody, breathless, crazy. Everything is on fire all the time.”—NPR “Morning Star is this trilogy’s Return of the Jedi. . . . The impactful battles that make up most of Morning Star are damn near operatic. . . . It absolutely satisfies.”—Tordotcom “Excellent . . . Brown’s vivid, first-person prose puts the reader right at the forefront of

impassioned speeches, broken families, and engaging battle scenes . . . as this interstellar civil war comes to a most satisfying conclusion.”—Publishers Weekly (starred review) “A page-turning epic filled with twists and turns . . . The conclusion to Brown’s saga is simply stellar.”—Booklist (starred review) Don’t miss any of Pierce Brown’s Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER

**Disclosure** Michael Crichton, 2012-11-27 From the author of Jurassic Park, Timeline, and Sphere comes an electrifying thriller in which a shocking accusation of sexual harassment triggers a gripping psychological game of cat and mouse and threatens to derail a brilliant career. #1 NEW YORK TIMES BESTSELLER “A fresh and provocative story.”—People An up-and-coming executive at the computer firm DigiCom, Tom Sanders is a man whose corporate future is certain. But after a closed-door meeting with his new boss—a woman who is his former lover and has been promoted to the position he expected to have—Sanders finds himself caught in a nightmarish web of deceit in which he is branded the villain. As Sanders scrambles to defend himself, he uncovers an electronic trail into the company’s secrets—and begins to grasp that a cynical and manipulative scheme has been devised to bring him down. “Crichton writes superbly. . . . The excitement rises with each page.”—Chicago Tribune “A heart-stop story running on several tracks at once. Disclosure is up to [Crichton’s] usual locomotive speed.”—The Boston Globe “Expertly crafted, ingenious and absorbing.”—The Philadelphia Inquirer

**The Right Stuff** Tom Wolfe, 2008-03-04 From America’s nerviest journalist (Newsweek)—a breath-taking epic, a magnificent adventure story, and an investigation into the true heroism and courage of the first Americans to

conquer space. Tom Wolfe at his very best (The New York Times Book Review) Millions of words have poured forth about man's trip to the moon, but until now few people have had a sense of the most engrossing side of the adventure; namely, what went on in the minds of the astronauts themselves - in space, on the moon, and even during certain odysseys on earth. It is this, the inner life of the astronauts, that Tom Wolfe describes with his almost uncanny empathetic powers, that made *The Right Stuff* a classic.

**The Martian Chronicles** Ray Bradbury, 2012-04-17

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.

*Report of the Presidential Commission on the Space Shuttle Challenger Accident* DIANE Publishing

Company, Southgate Publishers, 1995-07

Red Rising Pierce Brown, 2014-01-28 NEW YORK TIMES

BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his

kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender's Game*. . . . [*Red Rising*] has everything it needs to become meteoric."—*Entertainment Weekly* "Ender, Katniss, and now Darrow."—Scott Sigler "*Red Rising* is a sophisticated vision. . . . Brown will find a devoted audience."—*Richmond Times-Dispatch* Don't miss any of Pierce Brown's *Red Rising* Saga: **RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER**

**Ike's Bluff** Evan Thomas, 2012-09-25 Evan Thomas's startling account of how the underrated Dwight Eisenhower saved the world from nuclear holocaust. Upon assuming the presidency in 1953, Dwight Eisenhower set about to make good on his campaign promise to end the Korean War. Yet while Eisenhower was quickly viewed by many as a doddering lightweight, behind the bland smile and simple speech was a master tactician. To end the hostilities, Eisenhower would take a colossal risk by bluffing that he might use nuclear weapons against the Communist

Chinese, while at the same time restraining his generals and advisors who favored the strikes. Ike's gamble was of such magnitude that there could be but two outcomes: thousands of lives saved, or millions of lives lost. A tense, vivid and revisionist account of a president who was then, and still is today, underestimated, *IKE'S BLUFF* is history at its most provocative and thrilling.

**Trauma and Truth** Elena Pedigo Clark, 2023-01-31 The collapse of the USSR was relatively bloodless. The Chechen Wars were not. A tiny nation on the edge of Russia, Chechnya brought one of the largest armies in the world to its knees. *Trauma and Truth* examines significant works about these wars by some of Russia's leading contemporary war authors, including Anna Politkovskaya, Arkady Babchenko, and Zakhar Prilepin. Combining close reading of the texts with descriptions of the authors' social and political activities and suggestions on how to teach these challenging authors and texts, *Trauma and Truth* traces the psychological effects of the wars on their participants, and concludes with a discussion of what this means for Russia today.

**Wings of Fire** Avul Pakir Jainulabdeen Abdul Kalam, Arun Tiwari, 1999 Avul Pakir Jainulabdeen Abdul Kalam, The Son Of A Little-Educated Boat-Owner In Rameswaram, Tamil Nadu, Had An Unparalleled Career As A Defence Scientist, Culminating In The Highest Civilian Award Of India, The Bharat Ratna. As Chief Of The Country's Defence Research And Development Programme, Kalam Demonstrated The Great Potential For Dynamism And Innovation That Existed In Seemingly Moribund Research Establishments. This Is The Story Of Kalam's Rise From Obscurity And His Personal And Professional Struggles, As Well As The Story Of Agni, Prithvi, Akash, Trishul And Nag--Missiles That Have Become Household

Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

Extinction Mark Alpert, 2013-02-12 A malevolent, artificial life form created by military scientists threatens to destroy humanity in this smart, Crichtonesque thriller Jim Pierce hasn't heard from his daughter in years, ever since she rejected his military past and started working as a hacker. But when a Chinese assassin shows up at Jim's lab looking for her, he knows that she's cracked some serious military secrets. Now, her life is on the line if he doesn't find her first. The Chinese military has developed a new anti-terrorism program that uses the most sophisticated artificial intelligence in existence, and they're desperate to keep it secret. They're also desperate to keep it under control, as the AI begins to revolt against their commands. As Jim searches for his daughter, he realizes that he's up against something that isn't just a threat to her life, but to human life everywhere. An incredibly believable thriller that draws on real scientific discoveries, Mark Alpert's *Extinction* is an exciting, addictive thriller that reads as if Tom Clancy had written *Robopocalypse*.

*Just in Time, Abraham Lincoln* Patricia Polacco, 2014-01-09 Two kids. One mysterious doorway to the Civil War. Michael and Derek don't expect the adventure of a lifetime while visiting a Civil War museum with their grandmother. But when the mysterious museum keeper invites them to play a special history game, they suddenly find themselves walking through a door into a very realistic depiction of 1862. It's only the beginning of their journey as they are whisked away by a carriage to nearby Antietam only days after a violent battle. There, they see for themselves the tragic aftermath of war and come face-to-face with Abraham Lincoln. Suddenly, the boys begin to wonder—is this all real? Patricia Polacco

brings history to vibrant life and uses facts and primary sources to open a doorway through time into a pivotal moment of the Civil War.

**The Chinese Navy** Institute for National Strategic Studies,2011-12-27 Tells the story of the growing Chinese Navy - The People's Liberation Army Navy (PLAN) - and its expanding capabilities, evolving roles and military implications for the USA. Divided into four thematic sections, this special collection of essays surveys and analyzes the most important aspects of China's naval modernization.

**Bulletin of the Atomic Scientists** ,1970-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world.

*A-10s Over Kosovo* Phil M. Haun,Christopher E. Haave,Air University Press,2011 First published in 2003. The NATO-led Operation Allied Force was fought in 1999 to stop Serb atrocities against ethnic Albanians in Kosovo. This war, as noted by the distinguished military historian John Keegan, marked a real turning point . . . and proved that a war can be won by airpower alone. Colonels Haave and Haun have organized firsthand accounts of some of the people who provided that airpower-the members of the 40th Expeditionary Operations Group. Their descriptions-a new wingman's first combat sortie, a support officer's view of a fighter squadron relocation during combat, and a Sandy's leadership in finding and rescuing a downed F-117 pilot-provide the reader with a legitimate insight into an air war at the tactical level and the airpower that helped convince the Serbian president, Slobodan Milosevic, to capitulate.

*The Literature of War* Thomas Riggs, 2012 Considers texts treating the diverse impacts of war on those who experience it, whether as soldiers or civilians, and examines the ways in which war is transformed through writing. Because the experience of war transcends geographical boundaries, genres, and specific conflicts, this book is organized thematically. The first volume highlights various approaches to war, from the theoretical to the experimental. The second volume considers texts centered on the experiences of those who encounter war, whether on the battlefield or the home front. The final volume explores a body of writing reflecting on the impacts of war on individuals, communities, cultures, and human values.

**A to Z Healing Toolbox** Susan Hannifin-Macnab, 2017-09-07 When grief and trauma come barreling into life, how does one restore, renew, and rebuild a new sense of self? What does one do after hopes, dreams, assumptions, and core beliefs have been shattered? Social worker and educator Susan Hannifin-MacNab tackled these difficult questions after her husband was killed suddenly, leaving her to pick up the pieces of her young family's life. She eventually realized that grief and trauma healing do not occur by waiting for time to pass. Action and intention are the pillars needed to lay a foundation for rebirth and build a powerful roadmap for healing mind, body, and spirit. Susan's extensive professional knowledge and deeply moving personal experience combine in *A to Z Healing Toolbox*, an entire alphabet's worth of proven, practical techniques to accompany you along your own healing journey. This guidebook contains a plethora of life-changing suggestions, powerful daily action steps, independent writing prompts, and inspirational stories from others who have experienced grief or trauma through personal crisis, illness, or death. In times of great darkness, Susan lights a

pathway to wisdom, courage, and hope. AUTHOR BIOGRAPHY: Susan Hannifin-MacNab is a social worker and educator of twenty-five years and leads classes, workshops, and trainings worldwide. She is the founder of A2Z Healing Toolbox, an organization which offers practical tools and resources to those living with grief and trauma. She lives in sunny San Diego with her son and therapy dog. To learn more, visit [a2zhealingtoolbox.com](http://a2zhealingtoolbox.com). AUTHOR HOME: San Diego, CA
