**NH Rocks That Rock** Dan Szczesny,Uma Szczesny,2021-09 The field guide you hold in your hands began with a frog. Well, kind of-Frog Rock in New Boston, New Hampshire.When outdoors writer Dan Szczesny and his daughter Uma hiked out to the famous landmark boulder that looks remarkably like a frog, his six-year-old asked if there were other rocks in the state that were famous as well. Turns out, there are many! And so began a state-wide adventure to visit, document, and learn about one of the state's most famous features-thousands of rocks and boulders.From one of the largest glacier erratics in North America, to the memorial of the state's only convicted witch, to a rock that marks the most New Hampshire-esque love story on record, Dan and Uma narrowed the list down and created a Patch Quest to encourage families to get out and explore parts of the state they might not normally visit. Now, it's your turn. Use this guide to navigate to some of the strangest, most interesting stories-and rocks-in the Granite State.Get out there and start rocking!

*Good Night New Hampshire* Adam Gamble,2011-11-14 This adorable board book captures the true spirit of the Granite State. **A Libertarian Walks Into a Bear** Matthew Hongoltz-Hetling,2020-09-15 A tiny American town's plans for radical self-government overlooked one hairy detail: no one told the bears. Once upon a time, a group of libertarians got together and hatched the Free Town Project, a plan to take over an American town and completely eliminate its government. In 2004, they set their sights on Grafton, NH, a barely populated settlement with one paved road. When they descended on Grafton, public funding for pretty much everything shrank: the fire department, the library, the schoolhouse. State and federal laws became meek suggestions, scarcely heard in the town's thick wilderness. The anything-goes atmosphere soon caught the attention of Grafton's neighbors: the bears. Freedom-loving citizens ignored hunting laws and regulations on food disposal. They built a tent city in an effort to get off the grid. The bears smelled food and opportunity. A Libertarian Walks Into a Bear is the sometimes funny, sometimes terrifying tale of what happens when a government disappears into the woods. Complete with gunplay, adventure, and backstabbing politicians, this is the ultimate story of a quintessential American experiment -- to live free or die, perhaps from a bear.

The Hotel New Hampshire John Irving,2018-10-25 Now available in eBook for the first time in America—the New York Times bestselling saga of a most unusual family from the award-winning author of *The World According to Garp*. “The first of my father’s illusions was that bears could survive the life lived by human beings, and the second was that human beings could survive a life led in hotels.” So says John Berry, son of a hapless dreamer, brother to a cadre of eccentric siblings, and chronicler of the lives lived, the loves experienced, the deaths met, and the myriad strange and wonderful times encountered by the family Berry. Hoteliers, pet-bear owners, friends of Freud (the animal trainer and vaudevillian, that is), and playthings of mad fate, they “dream on” in a funny, sad, outrageous, and moving novel by the remarkable author of *A Prayer for Owen Meany* and *Last Night in Twisted River*.
