

# Nice Office

Alison Green

*Nice Girls Don't Get the Corner Office* Lois P. Frankel, 2014-02-18 Before you were told to Lean In, Dr. Lois Frankel told you how to get that corner office. The New York Times bestseller, is now completely revised and updated. In this edition, internationally recognized executive coach Lois P. Frankel reveals a distinctive set of behaviors--over 130 in all--that women learn in girlhood that ultimately sabotage them as adults. She teaches you how to eliminate these unconscious mistakes that could be holding you back and offers invaluable coaching tips that can easily be incorporated into your social and business skills. Stop making nice girl errors that can become career pitfalls, such as: Mistake #13: Avoiding office politics. If you don't play the game, you can't possibly win. Mistake #21: Multi-tasking. Just because you can do something, doesn't mean you should do it. Mistake #54: Failure to negotiate. Don't equate negotiation with confrontation. Mistake #70: Inappropriate use of social media. Once it's out there, it's hard to put the toothpaste back in the tube. Mistake #82: Asking permission. Children, not adults, ask for approval. Be direct, be confident.

**Nice Guys Can Get the Corner Office** Russ C. Edelman, Timothy R. Hiltabiddle, Charles C. Manz, 2008 The founders of Nice Guy Strategies teach that nice is not about being weaker or soft--that with this book's eight practical strategies, one can hang on to morals, compassion, and sincerity and still get ahead.

**The Very Nice Box** Eve Gleichman, Laura Blackett, 2021-07-06 “Laura Blackett and Eve Gleichman are linguistic magicians, and their sparkling debut manages to expose the hollowness of well-being jargon while exploring, with tender care and precision, how we dare to move on after unspeakable loss . . . [They have] constructed a mirrored fun house, one that leads us down different paths, each masterfully tied up at the end, yet reflecting and refracting our own quirky selves.” –New York Times Book Review, An Editors' Choice “A very funny debut – and perhaps the most original office satire of the year.” –Washington Post For fans of *Elinor Oliphant Is Completely Fine* and *Severance*: an offbeat, wryly funny debut novel that follows an eccentric product engineer who works for a hip furniture company where sweeping corporate change lands her under the purview of a startlingly charismatic boss who seems determined to get close to her at all costs . . . Ava Simon designs storage boxes for STÄDA, a slick Brooklyn-based furniture company. She's hard-working, obsessive, and heartbroken from a tragedy that killed her girlfriend and upended her life. It's been years since she's let anyone in. But when Ava's new boss—the young and magnetic Mat Putnam—offers Ava a ride home one afternoon, an unlikely relationship blossoms. Ava remembers how rewarding it can be to open up—and, despite her instincts, she becomes enamored. But Mat isn't who he claims to be, and the romance takes a sharp turn. *The Very Nice Box* is a funny, suspenseful debut—with a shocking twist. It's at once a send-up of male entitlement and a big-hearted account of

grief, friendship, and trust.

**Nice Girls Just Don't Get It** Lois P. Frankel, Carol Frohlinger, 2011-04-19  
Offering the same brand of practical, no-holds-barred, expert advice that made *Nice Girls Don't Get the Corner Office* an international million-copy bestseller, *Nice Girls Just Don't Get It* teaches us the skills we need to turn from a nice girl into a winning woman, not just in our careers but in our relationships, families, and everyday lives. Have you ever felt invisible? Taken advantage of? Reluctant (or unable) to articulate what you really want? If so, join the club. The nice girls club. Nice girls—that's right, girls—are those more concerned with pleasing others than with addressing their own needs and haven't yet learned how to overcome the childhood messages cultural stereotypes keeping them from getting their voices heard, their needs met, and the lives they want. This book will turn those nice girls into winning women. That is, women who factor their own needs in with those of others, confront those who treat them disrespectfully, maintain healthy and mutually beneficial relationships with appropriate boundaries— and as a result, are happier and more successful in every area of their life. In 2004, Lois Frankel blew the lid off so many of our long-held ideas about gender and success with her bestselling *Nice Girls Don't Get the Corner Office*, which went on to become such a huge phenomenon, the term nice girls has secured a place in our cultural lexicon. Here, Frankel teams up with negotiation expert Carol Frohlinger to bring this bestselling advice out

of the workplace and provide a broader set of skills that any woman—whether a CEO or stay-at-home mom—can use to win anywhere, with anyone. Presented in the straightforward, digestible format that helped make *Nice Girl's Don't Get the Corner Office* an instant hit, Frankel and Frohlinger outline seven practical strategies and 99 supporting tactics that every winning woman should know. By the time you've finished reading this book, you'll be able to:

- Get your husband to do his half of the household chores—without being made to feel like a nag.
- Stop overextending yourself by taking on all the unpleasant tasks no one on your volunteer board, or your team at work will go near.
- Win an argument with your mother in law about who will be hosting Christmas dinner.
- Have the courage to send back a meal that isn't prepared the way you'd ordered it.
- Confront a colleague who is shirking responsibility or taking credit for your work.
- Convince a sales person to reduce a fee, waive a surcharge, or honor a store credit.
- Question a doctor's course or treatment or request a second opinion, instead of simply going along in order to be a "good" patient.
- Firmly but politely bow out of an extravagant vacation to celebrate a friend's birthday that you simply can't afford—without feeling guilty about it.

And so much more. A must-read for anyone who's ever felt taken advantage of by a friend or family member, unappreciated by a spouse or partner, or exploited by a vindictive neighbor or co-worker, *Nice Girls Just Don't Get It* offers women the indispensable knowledge and skills to get the things they want, the respect they've earned,

and the success they deserve. From the Hardcover edition.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work

experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

**Nice Guys Can Get the Corner Office** Russ C. Edelman, Timothy R.

Hiltabiddle, Charles C. Manz, 2008-07-31 How to succeed without being an SOB—or a pushover Many people suffer from Nice Guy Syndrome, held back from higher levels of success by being too selfless at work. It’s a tricky problem, because if you start to think that being nice is bad, it’s easy to overcompensate with selfishness, intimidation, and intense aggression. The founders of Nice Guy Strategies teach that nice is not about being weak or soft—that you can hang on to your morals, compassion, and sincerity and still get ahead. The key is to draw on eight practical strategies— The Nice Guy Bill of Rights—that will help you find the right balance. Each chapter shares insights and stories from both ordinary nice guys and celebrity executives.

**The Postage Stamp** Frederick John Melville, 1914

**Nice Girls Don't Get Rich** Lois P. Frankel, 2009-10-31 With the same frank advice and empowering information that made Nice Girls Don't Get the Comer

Office a New York Times bestseller, Lois Frankel tackles the 75 financial mistakes that keep women from having the wealth they deserve. If you have outstanding balances on your credit cards...don't have assets in your own name...are saving instead of investing, then chances are you're not rich and not living the life you want. Without your awareness, behaviors learned as a girl are preventing you from becoming a woman who is financially independent and free to follow her dreams. Lois Frankel isolates the messages about money given to little girls that little boys never hear. Then she helps you discover the financial thinking that is keeping you stuck in old patterns, dependent relationships, and jobs where you earn less than you deserve. Once you get to the root of the problem, Frankel helps you solve it-with fabulous results. Her coaching tips help you take control of your finances and make more money than you ever thought possible. Do you make these nice girl mistakes? Mistake #4: Not playing to win. Being polite, quiet, and fair to a fault is playing the financial game like a girl. Mistake #10: Choosing to remain financially illiterate. Knowledge is power. Learn to manage your major purchases, investments, and banking. Mistake #20: Spending as an emotional crutch. Understand your emotions; don't make purchases just to lift your spirits. Mistake #45: Saving instead of investing. Fear can keep your funds in low-interest accounts. Get educated about investing. Get wealthy. Frankel gives you the financial savvy to change negative behaviors, make smart money choices, and embrace the life you want sooner than you think.

**Starting a Successful Practice in Clinical Psychology and Counseling** Owen J. Bargreen,2013-10-08 Clinical psychology is a quickly growing profession, yet it is a challenging one: the preparation is arduous, the training is highly selective, and the results – an established and financially successful practice – are not easy to achieve. This book explains how to prepare for and surmount all of the hurdles presented to those who hope to eventually develop a lucrative and rewarding practice in clinical psychology. It is the first of its kind to focus primarily on financial success, though it does also look at the personal stresses and rewards of the profession. The author provides tips from his own experience and from other financially successful private practice psychologists and offers business techniques and pointers that are not explained in training programs. Undergraduate students contemplating a career in psychology will find advice on preparing for the GRE, applying to graduate schools, and getting involved in research and clinical work. For graduate students, an overview of a graduate clinical psychology program, preparing and completing a dissertation, and gaining experience in psychological testing are provided. Chapters then focus on how to build and manage a private practice, the best ways to manage personal and business finances, and how to practice good self-care. Additionally, the book includes

a chapter by an expert on student-loan repayment that examines how to best work through the process of paying back student loans while building a practice.

*An Amazing Life* Lt. Harry Smith, 2019-08-28 An Amazing Life is the story of Lt. Harry Smith's twenty years in the police department, fifteen years as the Director of Corporate Security and Safety for Loews Corp., and twenty years as a security consultant providing expert advice and testimony in security negligence cases. It also covers his very interesting early years, leading up to him entering the police department. Any one of his cases could be a book in itself, but he has condensed them and arranged them into one continuing story that will hold your interest, keep you wanting more, and finally agreeing that he certainly did have an amazing life.

**Chicago Dental Society Bulletin , 1925**

*The Office: A Day at Dunder Mifflin Elementary* Robb Pearlman, 2020-09-29 The instant #1 New York Times bestseller! Discover The Office reboot fans never knew they needed with this kid-friendly adaptation of everyone's favorite workplace comedy (Entertainment Weekly). Michael Scott is Line Leader at Dunder Mifflin Elementary! It's a very big job, but Michael is sure he can live up to the World's Best Line Leader title printed on his water bottle. There's just one problem--Michael doesn't know how to lead the line. Filled

with colorful, detailed illustrations and brimming with Easter eggs and nods to iconic moments from the show, this hilarious reimagining features a pint-sized cast. This story will introduce The Office to a whole new generation and will teach them that everyone needs to ask for help sometimes. Even Line Leaders. The Office is a trademark and copyright of Universal Content Productions LLC. Licensed by Universal Studios 2020. All Rights Reserved.

**Post Office** Charles Bukowski, 2009-10-13 Charles Bukowski's classic roman à clef, *Post Office*, captures the despair, drudgery, and happy dissolution of his alter ego, Henry Chinaski, as he enters middle age. *Post Office* is an account of Bukowski alter-ego Henry Chinaski. It covers the period of Chinaski's life from the mid-1950s to his resignation from the United States Postal Service in 1969, interrupted only by a brief hiatus during which he supported himself by gambling at horse races. "The Walt Whitman of Los Angeles."—Joyce Carol Oates "He brought everybody down to earth, even the angels."—Leonard Cohen, songwriter

Women, Anger & Depression Lois Frankel, 2010-01-01 Women can empower themselves to fulfill their needs and aspirations without being strapped down by feelings that society has taught them to ignore. Finding the source of your anger can help you lose your depression.

*Tame Your Terrible Office Tyrant* Lynn Taylor, 2009-06-29 An indispensable guide to dealing with challenging, childish boss behavior and building a great career, with laugh-out-loud humor built in. Based on extensive

interviews among workers, managers and psychologists, Tame Your Terrible Office Tyrant™ draws hilarious but true parallels between toddlers and managers. When under stress, both often have trouble moderating their power, or lose the ability to think rationally. Traits in common include tantrum-throwing, demanding, stubborn, moody, fickle, self-centered, needy and whiny behavior. BADD (Boss Attention Deficit Disorder) is discussed as part of "Short Attention Spans." There are 20 chapter traits in all, divided into "Bratty" and "Little Lost Lamb" categories, for easy reference, including real anecdotes and many useful tips. When bad bosses run amok in companies, nobody wins. This book shows readers how to build positive relationships with even the most out-of-control boss, and still thrive in your job. The key to success lies in dealing with a Terrible Office Tyrant (or TOT™) much like a parent deals with a troublesome toddler. With true stories and time-tested solutions, this is the perfect guide managing a boss stuck in his Terrible Twos. Taylor takes you behind all the bossy blustering, so that you can focus on getting ahead – and achieve career excellence. Savvy top management will also gain insight on what not to do with their team. They know that Terrible Office Tyrant (TOT) managers may not be in plain sight (they don't leave juice stains on the hallway carpet!) But they do wreak havoc on the bottom line. A special section helps senior management and Human Resource departments mitigate TOT behavior for a more productive workplace.
