*Come Home Moon. ,*

*Thirty Years in a Turtleneck Sweater* Nick Warren, 2005 Nick was just like any other boy growing up in the early 70s: he liked playing out on bikes and being a little sod. He liked Cowboys & Indians and Sooty & Sweep. He had loads of ace brothers and sisters and loved his mum, even though she wasn't his real mum. His dad was great too. He was something called an 'activist' and he was always away at 'meetings' and 'strikes' which were all really boring. Then one day his dad was taken away and he didn't come back. Nick's dad was Des Warren, a passionate union man who, along with Ricky Tomlinson, became one of the legendary Shrewsbury Two, heroes of the great unions clashes with the Government that defined the era. Made an example of, he went to prison simply for standing up for what he believed in and refusing to give in - an act that eventually cost him his health and his life as he had known it. Strangers, seeing his mother slowly worn away by it all. While he continued with all the regular trials of growing up, life became an endless succession of campaigns, protest marches and prison visits - an experience from which the family never truly recovered. Told obliquely with all the unaffected charm and misunderstanding you might expect from a young narrator, *Thirty Years in a Turtleneck Sweater* is the story of growing up in the long shadow of a charismatic yet uncompromising figure. Both hilarious and moving, it is about a father who, in his own way, loved his son; and a boy who idolised his father, but could never get close

enough (without being thrown in the sea).

*Nina Simone's Gum* Warren Ellis, 2021-08-31 THE TIMES TOP 10 BESTSELLER  
A GUARDIAN, TELEGRAPH, THE TIMES, IRISH TIMES, ROUGH TRADE, MOJO, CLASH, ROLLING STONE, UNCUT BOOK OF THE YEAR  
From award-winning musician and composer Warren Ellis comes the unexpected and inspiring story of a piece of chewing gum. FEATURING AN INTRODUCTION BY NICK CAVE  
'Warren has turned this memento, snatched from his idol's piano in a moment of rapture, into a genuine religious artefact.'  
'NICK CAVE' Such a mad, happy book about art and music and obsession. I'm so glad I got to read it. It made the world feel lighter.'  
'NEIL GAIMAN' In praise of meaning-rich relics and magical things. Totally heartwarming project.'  
'MAX PORTER' A unique study of a fan's devotion, of transcendence and of the artistic vocation - it's got depth and great warmth. It's a beautiful piece of work.'  
'KEVIN BARRY' I hadn't opened the towel that contained her gum since 2013. The last person to touch it was Nina Simone, her saliva and fingerprints unsullied. The idea that it was still in her towel was something I had drawn strength from. I thought each time I opened it some of Nina Simone's spirit would vanish. In many ways that thought was more important than the gum itself.  
On Thursday 1 July, 1999, Dr Nina Simone gave a rare performance as part of Nick Cave's Meltdown Festival. After the show, in a state of awe, Warren Ellis crept onto the stage, took Dr Simone's piece of chewed gum from the piano, wrapped it in her stage towel and put it in

a Tower Records bag. The gum remained with him for twenty years; a sacred totem, his creative muse, a conduit that would eventually take Ellis back to his childhood and his relationship with found objects, growing in significance with every passing year. Nina Simone's Gum is about how something so small can form beautiful connections between people. It is a story about the meaning we place on things, on experiences, and how they become imbued with spirituality. It is a celebration of artistic process, friendship, understanding and love. 'This is such a beautiful f\*cking book. Thank you, Warren. I highly recommend this motherf\*cker.' FLEA 'A beautifully written book about the power of music and objects. I powered through it in two days.' COURTNEY BARNETT 'A moving, inspiration insight into a beautiful mind.' JIM JARMUSCH 'The year's most eccentric and joyful musical memoir.' DAILY TELEGRAPH (Books of the year) '[Nina Simone's Gum] is a metaphor for [Ellis'] creativity - the blossoming of a small idea into something bigger and bolder - but also a journey inside the impulsive, improvisatory mind of Warren Ellis, his passions, obsessions and superstitions.' OBSERVER '[A] beautiful, strikingly idiosyncratic book - part memoir, part essay, part conceptual art project, all testament to humans at their strangest and best . . . [Ellis] sees significance where others might not.' MOJO 'A glorious piece of object fetishism . . . Marvel as Ellis' collection of eccentric personal mementos morphs into a celebration of the intangible wonder of music.' UNCUT 'Wonderful.' THE TIMES 'The most

peculiar book I've ever read.' CRAIG BROWN, MAIL  
ON SUNDAY'Delightful . . . A joy from start to

connection, creativity and gratitude.' THE

Ripper Notes Dan Norder, Wolf  
Vanderlinden, Jeffrey Bloomfield, 2004-04 Ripper  
Notes: Murder by Numbers is a collection of essays about the famous unidentified serial killer Jack the Ripper and related topics. Wolf Vanderlinden's questions the conventional wisdom about the time of death of Annie Chapman, the second of Jack's generally accepted victims, by a careful examination of the medical evidence and contradictions in witness testimony. Amanda Howard compares serial killers like Andrei Chikatilo, the BTK strangler, Albert Fish and the Green River Killer to see what they might tell us about the Ripper case. Also, Jeffrey Bloomfield gives the details on two forgotten cases of prostitutes murdered in London a few years before the more famous 1888 killings, Bernard Brown discusses the police officer who thought he almost caught the Whitechapel murderer, Des McKenna asks whether

witnesses confused two different women as being Mary Kelly (generally considered the last Ripper victim) and Robert J. McLaughlin reports on a Punch & Judy-like theatre performance based upon the murders. There are also several short pieces looking at the latest news in Ripperology, the boom in books about the case, and similar topics. Ripper Notes is a nonfiction anthology series covering all aspects of the Jack the Ripper case.

*Jack the Ripper Celebrity Suspects* Michael Holgate, 2008-07-14 Rippermania has driven a 120-year-old investigation to identify the depraved perpetrator of the savage murder of five prostitutes in the East End of London. This book features personalities whose reputations have been tarnished by modern authors clamouring to name celebrities as suspects, accomplices or conspirators.

**At the Point of Production** Charles Levenstein, 2017-07-28 At the Point of Production, a compilation of contributions to New Solutions Journal of Occupational and Environmental Health Policy, locates workers' health and safety problems in the broad political economy. It argues that without a deep understanding of the social/political/economic context of particular industries or workplaces, we cannot fully grasp the process of recognition and control of industrial hazards. The contributors report on a series of case studies, all of which used the 'point of production' framework to investigate particular problems or industries. The focus of the first section is on globalization, the impact of privatization on the health and safety of workers

and communities in Brazil and Mexico. The next section addresses environmental issues: the unintended effects of environmental regulation on workers, the situation of hazardous waste workers and emergency responders, the implementation of toxics use reduction, and the role of workers in pollution prevention. In the third section the contributors explore the intersection of labor relations with gender relations at the point of production. A final chapter deals with some of the practical issues involved in conducting occupational health research in the contested terrain of the workplace.
