**The Last Night Out** Catherine O'Connell,2019-05-02 Six friends. Three secrets. One murder. Maggie is destined to marry the perfect man in two weeks. Desperate for a last wild night on the town before the big day, she gathers her closest friends for a night to remember. Only things go wrong – horribly wrong. Angie’s body is found in the park the following morning and their night to remember quickly becomes a nightmare they wish they could forget. Under police scrutiny, how far will Maggie and her friends go to keep their secrets? Far enough to protect a killer?

*Cats' Night Out* Caroline Stutson,2011-05-24 Cats are out for a night on the town in this lively picture book about counting, dance, and music from Carline Stutson and Caldecott medalist Jon Klassen. From two cats waltzing to twenty cats in a conga line, dancing felines take to the streets, the fire escapes, and the rooftops in this charming concept picture book that is part counting and part introduction to music, dance, and rhythm. The short rhyming text makes it a perfect read-aloud treat, and with vivid illustrations from a breakout DreamWorks animator, readers and listeners alike will be thrilled to see what happens one night on Easy Street when a pair of cats start to groove to the beat.

*Night Out* Daniel Miyares,2018-05-08 Evoking picture book classics like Aaron Becker's Journey and Chris Van Allsburg's The Polar Express, here is an emotionally rich bedtime picture book about a lonely child's nighttime adventure that is also a showcase for the extraordinary illustrations of Daniel Miyares. When a small, friendless boy goes to bed at his boarding school, an adventure is about to begin! First he finds an invitation in his turtle's bowl. Next he makes an escape--out the window, through the woods, across a river, and onto an island. And then he joins a grand celebration, with larger-than-life animals serving tea and dancing late into the night. And finally? After the journey back, he has a fantastic story to tell--the perfect way to make a friend. A simple text and glorious illustrations combine to make a deceptively powerful and touching picture book, cementing Daniel Miyares's reputation as one of the most exciting children's book author-illustrators working today.

A very talented little girl has a very special night ahead of her. A night where she’ll get to wear a new dress in the most beautiful shade of blue with shoes that match it perfectly. But even after they're reunited, no one is being completely honest about the past or the secrets they're hiding. When Ashley disappears on their girls' night out, Natalie and Lauren have to try to piece together their hazy memories to figure out what could have happened to her, while also reconciling their feelings of guilt over their last moments together.

Women's Night Out Leslie O'Kane,2015-09-16 They've got one another, and now they're going to find the one that got away if it kills them-which it very well might. WOMEN'S NIGHT OUT, the second book in the Life's Second Chances Series, is about the long-lasting friendships among three women forged when, as young mothers, two of them saved the third's life. Fifteen years later, things have changed. All three of them are now single moms with teenage children, and they’ve all built new careers for themselves. The one constancy is their monthly night out, at which the laughter always overshadows the tears. When Jennifer-unlike her ex-husband and his trophy wife-is struggling to move on after a tragic loss, she, Celia, and Lindsey form a pact to find the one that got away. During the hilarious and heartbreaking course of the next eight months, their searches take them on adventures both comic and poignant-together with the joy of good friends and a good bottle of wine.

*A Night Out* Edward Peple,2015-12-03 [...]a corner, and paused in astonishment at the sight of a stranger sitting in the middle of the street. The insolence of it! It was past belief! Oh, please, Mr. Bo! wailed Lizzie, wringing her paws as she perched upon the roof. Do hurry while youse has got de chanst! He'll rip you somethin' terrible! For my sake, dearie, won't you slope? No, not upon your life! called Omar Ben gravely. I will not demean myself by retreating from any cat alive. This statement was fat with brave audacity, but lean in the matter of discretion; so Pete leaned down with one last friendly whisper of appeal: [...].

On their quest for fun they go shopping at the most lavish clothing store in town, followed by a visit to an old-fashioned ice cream where they feast on every flavor of the finest ice cream. *Out of the Wild Night* Blue Balliett,2018-03-27 From the New York Times bestselling author of Chasing Vemeer an unforgettable story about an island haunted by the past . . . and the ghosts who must help with the present. Ghosts are alive on the island of Nantucket. You can hear them in the wind, and in the creaks of the old homes. They want to be remembered. And, even more, they want to protect what was once theirs. The ghosts seem to have chosen a few local kids to be their messengers -- and to help save the island. one another in order to secure the future.
