'80s Action Movies on the Cheap Daniel R. Budnik,2017-03-24 The 1980s was the decade when the action film as it's now known came into being. Nonstop, big-budget excitement became the standard as epic adventures like Raiders of the Lost Ark and The Road Warrior set the tone for the summer blockbusters of Sylvester Stallone, Arnold Schwarzenegger and Chuck Norris. Homages (and ripoffs) made with lesser budgets followed every hit, especially with the advent of direct-to-video releases. Providing detailed commentary on 284 films, this book explores the excitement, audacity and sheer weirdness of '80s low budget action cinema, from the American Ninja series to dime-a-dozen barbarian pictures to such bargain-basement productions as The Courier of Death, Kill Squad and Samurai Cop.

The Ninja's Blade Tori Eldridge,2020-09-01 Lily Wong—a Chinese-Norwegian modern-day ninja—has more trouble than she was bargaining for when controlling grandparents arrive in Los Angeles from Hong Kong at the same time she goes undercover in the dangerous world of youth sex trafficking. As she hunts for a kidnapped prostitution victim, a missing high school girl, and a sociopathic trafficker, the surviving members of a murderous street gang hunt for her. Life would be easier if Lily knew who to trust. But when victims are villains, villains are victims, and even family is plotting against her, easy is not an option. All Lily can do is follow the trail wherever it leads: through a high school campus polarized by racial tension or the secret back rooms of a barber/tattoo/brothel or the soul-crushing stretch of Long Beach Boulevard known as The Blade. She relies on her ninja skills to deceive and infiltrate, rescue and kill—whatever is necessary to free the girls from their literal and figurative slavery. If only those same skills could keep Lily's conniving grandparents from hijacking her future.

A Life of Impact Deborah Shisler,2019-01-30 This book is meant to be an encouragement to others. For the reader to see that they can have a real relationship with God the Father, a relationship that is full of love, companionship, and growth. People see God as this far off, disengaged, and indifferent deity that sees human beings as a nuisance when it is quite the opposite. God created each and every individual to be unique and God created each person with a desire to have a loving relationship with each person. God also created humans with free will, which means each person has the choice to either love God or not to. Deborah uses real life stories to illustrate this love that God the Father has for His adopted children. That God is a loving Father, just like her earthly father, Bob Shisler. This book is also a dedication to not just Deborah's father, but to the lives of those Bob Shisler has touched over the course of his life. As a teacher, as a coach, and as a godly man, Bob Shisler has made an impact on many people. This book is meant to him for that impact, as well as the impact he has made on his children. This book is also meant to make an impact on its readers, just as Bob has made an impact on countless people. Just as Bob Shisler continues to influence others in a positive way, this book is meant to positively influence its readers in the love of God the Father.

DEFENDERS GUARDIAN VOLUME 2 Brian M.,2014-02-05 The story thus far: In the last episode of *Defenders*, Brandon was enjoying a nice day for himself. He ate lunch at his favorite place and met a girl who seemed interested in him. However his quiet time was short lived. A fire broke out at a high rise apartment building. Grabbing his lunch, Brandon hurried to a nearby rooftop and transformed into Guardian. He arrived at the scene where he was informed of people trapped inside the burning building. Guardian, despite the fire chief's reluctance, rushed inside and saved the trapped tenants,

including a nearly forgotten little girl. Guardian used a nearby tanker trailer and the Delaware River to extinguish the flames. But his day was just starting. Two bank robberies occur while he was at the Buckingham-Royals apartment building. Guardian takes off after the two sets of robbers. He introduces himself to the robbers in his own special way and stops them from escaping. With the robbers left behind for the police to take care of, Guardian flies back to Philadelphia. Unknown to the trench-coated hero, a mysterious figure has been watching him. Who is this mystery person? Could they be friend or foe? One thing is for certain, whoever it is, Guardian will be ever cautious.

Dragon's Fang Stacy A. Wright,2011-08-08 Nickolas Landry; Martial Arts instructor, model citizen, and former Navy SEAL. Years ago, after leaving the Navy, he was confronted by an ancient little man from Japan, who claimed that Nick was destined to serve as the Guardian of mankind. His duty, until the end of times, is to safeguard humanity from the forces of darkness. This destiny came with a warning, explained by Masamoto that this duty would destroy the life Nick knows. When the time came, after years of training, Nick learned first hand how true the warning was. He believed that he possessed the strength and ability to protect his life and the loved ones in it. On the eve of his wedding, he was shown how wrong he was, when his bride to be was taken from him, along with Masamoto, losing her life because of his destiny. How does a man give his life to save the rest of mankind? Sure, he could've walked away and denied his destiny. But, how could he carry on with his life knowing that the future of mankind is doomed on Earth? Nickolas Landry is not that kind of man, but with the end of times near, he will soon learn the extent of this so-called destiny that has consumed his life, and what it will truly cost him. Allies have been made, with more to come to fight at his side, on this eve of doom. It is then that Nick will discover what the ultimate sacrifice is to save the world.
