Rappoport Ken

University of North Carolina Basketball Adam Powell,2005 When the University of North Carolina fielded its first varsity men's team in 1911, nobody could have imagined the mark its program would make on the history of college basketball. University of North Carolina Basketball chronicles the long and distinguished history of the Tar Heels, including the school's numerous Southern Conference and Atlantic Coast Conference titles and its national championship teams. North Carolina has produced arguably the finest group of basketball minds and talent the sport has ever known. Four Corners Joe Menzer,2004-10-01 Explores the mania for college basketball in North Carolina, tracing the history of the state's top four teams over the past fifty years and profiling the professional giants to come from them.

North Carolina Tar Heels Scott Fowler,2005 Profiles of UNC basketball players from 1955 to 2001.

Game Changers Art Chansky, 2016-09-12 Among many legendary episodes from the life and career of men's basketball coach Dean Smith, few loom as large as his recruitment of Charlie Scott,

the first African American scholarship athlete at the University of North Carolina at Chapel Hill. Drawn together by college basketball in a time of momentous change, Smith and Scott helped transform a university, a community, and the racial landscape of sports in the South. But there is much more to this story than is commonly told. In *Game Changers*, Art Chansky reveals an intense saga of race, college sport, and small-town politics. At the center were two young men, Scott and Smith, both destined for greatness but struggling through challenges on and off the court, among them the storms of civil rights protest and the painfully slow integration of a Chapel Hill far less progressive than its reputation today might suggest. Drawing on extensive personal interviews and a variety of other sources, Chansky takes readers beyond the basketball court to highlight the community that supported Smith and Scott during these demanding years, from assistant basketball coach John Lotz and influential pastor the Reverend Robert Seymour to pioneering African American mayor Howard Lee. Dispelling many myths that surround this period, Chansky nevertheless offers an ultimately triumphant portrait of a student-athlete and coach who ensured the University of North Carolina would never be the same.

Light Blue Reign Art Chansky, 2009-10-27 The 09'-10' NCAA college basketball season marks the 100th anniversary of North Carolina basketball. The Tar Heels have earned top-five rankings in preseason polls four of the last five years, twice at #1. But they weren't always seen as a power-house team. Their strength has been decades in the making. *Light Blue Reign* documents the building of a program, a behind-the-scenes, far-reaching, wide-angle perspective on one of the most formidable college basketball teams in the country. Art Chansky, a sportswriter who has covered basketball on Tobacco Road for more than 30 years, uses first-hand accounts from interviews with people who were present during the fifty-year dynasty to construct an intimate, detailed narrative of

what it was like to play and work for the three Hall of Fame coaches who defined this era of success.

More Than a Game Thad Williamson, 2001

Basketball's Half-Court Offense John Calipari, 1996 A must for any coach who wants to thoroughly understand the half-court offense, its potential, and the defensive weaknesses it exploits.

Carolina Basketball Adam Lucas, 2010-10-15 Boasting six national championships and scores of Hall of Fame coaches and players, Carolina Basketball has come a long way from the first season--when the campus newspaper published a notice asking an unknown culprit to return the team's basketball. These pages are packed with little-known stories from the program's earliest days and new insights into its best-loved moments. All the greats are here, from Jack Cobb and the Blind Bomber George Glamack to Lennie Rosenbluth, Phil Ford, James Worthy, Michael Jordan, Antawn Jamison, and Tyler Hansbrough. Lucas reveals the meaning of the Carolina family and the origins and evolution of Tar Heel traditions that have made North Carolina one of the premier teams in men's college basketball. These stories are brought to life with more than 175 color and black-and-white photos; a foreword by Hall of Fame coach Dean Smith and an afterword by fellow Hall of Famer Roy Williams; and an appendix of records and statistics. Some 25 sidebars feature first-person recollections from prominent players, including Rosenbluth, Ford, and Jordan; opposing coaches like Lefty Driesell; and famous alumni like Peter Gammons and Alexander Julian. This is the must-have book for Tar Heel fans and college basketball lovers everywhere.

ACC Basketball J. Samuel Walker, 2011-11-15 Since the inception of the Atlantic Coast Conference, intense rivalries, legendary coaches, gifted players, and fervent fans have come to define the league's basketball history. In *ACC Basketball*, J. Samuel Walker traces the traditions and the dramatic changes that occurred both on and off the court during the conference's rise to a

preeminent position in college basketball between 1953 and 1972. Walker vividly re-creates the action of nail-biting games and the tensions of bitter recruiting battles without losing sight of the central off-court questions the league wrestled with during these two decades. As basketball became the ACC's foremost attraction, conference administrators sought to field winning teams while improving academic programs and preserving academic integrity. The ACC also adapted gradually to changes in the postwar South, including, most prominently, the struggle for racial justice during the 1960s. ACC Basketball is a lively, entertaining account of coaches' flair (and antics), players' artistry, a major point-shaving scandal, and the gradually more evenly matched struggle for dominance in one of college basketball's strongest conferences.

Going Home Again Adam Lucas, 2005-11-01 Roy Williams is awesome, baby, with a capital 'A.' -- Dick Vitale As he traveled across the state of North Carolina in the summer of 2003, Roy Williams delivered a repetitive refrain to the thousands of University of North Carolina basketball fans who packed his public appearances: Ol' Roy ain't that good. Carolina fans didn't care to hear it, because they firmly believed that ol' Roy was, indeed, more than good--he was great. He was the prodigal son who served as Dean Smith's assistant coach, turned down the Carolina job in 2000, and finally accepted it in April of 2003. Williams became the Tar Heels's head coach after fifteen spectacular years at Kansas, and the immediate expectation was that he would find similar success in Chapel Hill, a once-proud program that had stumbled under former head coach Matt Doherty. But Williams knew something that it would take casual fans months to realize: Teaching the team of moody basketball players to play winning basketball would be about much more than simply what happened on the court. Williams had established a successful program at Kansas by connecting with the players he had recruited over their four-year careers. At Carolina, he had less than twelve months to turn a group of

talented individuals into a basketball team that could function at the highest level of NCAA competition--the Atlantic Coast Conference. *Going Home Again* is the story of Roy Williams's first season as North Carolina's head basketball coach. Author Adam Lucas takes you inside the locker room and behind the scenes with the nation's most revered basketball program, providing a rare glimpse into the inner workings of one of the country's most secretive college sports dynasties.

NC State Basketball Tim Peeler, Roger Winstead, 2010-11-15 In this fascinating official history of the first 100 years of the North Carolina State University men's basketball program, Tim Peeler and Roger Winstead recount the traditions and innovations that have shaped Wolfpack basketball as well as the history and customs of college basketball itself. In a nation once dominated by football and baseball, visionary coaches from NC State--Gus Tebell, Everett Case, Norm Sloan, and Jim Valvano--helped push basketball to the forefront of the national imagination, igniting a passion and excitement for the game that made the Atlantic Coast Conference the center of the college sports universe. This book, with 230 captivating photographs, showcases the many college basketball traditions made famous at NC State, including cutting down the nets, spotlighting players during introductions, and even the alley oop. All the legendary players and unique personalities that have passed through the doors of Thompson Gymnasium, Reynolds Coliseum, and the RBC Center are here, from Ronnie Shavlik and David Thompson to Sidney Lowe and Julius Hodge. With two national championships, 17 conference championships, and countless memorable moments, NC State Basketball remains one of college basketball's proudest programs. Wolfpack fans and college basketball lovers alike will find much to celebrate in this enthralling history.
