

Not A Siddur Sephardim

Sha'ar Zahav

The Encyclopedia of Jewish Prayer Macy Nulman, 1996-02-01

Fifteen years in the making, *The Encyclopedia of Jewish Prayer* is a monumental achievement. Never before has such a comprehensive resource been available to those searching for answers to questions on Jewish prayer. Macy Nulman has provided, in one unique, accessible volume, information on each and every prayer recited in the Ashkenazic and Sephardic traditions, creating an invaluable tool for study or quick reference. Prayer books are essentially cumulative anthologies that evolved over time as new prayers were added. Study of these prayers reveals insights into the history of Judaism, providing a deeper appreciation of the heritage that has sustained the Jewish people throughout the centuries. This volume, through its encyclopedic format, makes such a study easy and enjoyable. Arranged alphabetically by prayer, the encyclopedia entries include extensive liturgical information on the prayers, their composers and development, the laws and customs surrounding them, and their place in the service. All prayers, including not only prayers recited in the synagogue, but also the Grace After Meals and the prayers to be said before going to bed, prayers for special occasions such

as weddings and circumcisions, prayers for the funeral ritual and for private devotion, are featured. The entries make extensive use of cross-referencing and bibliographical information to facilitate further study. In addition, the author discusses the many poetic insertions, known as piyyutim, recited on special Sabbaths, Holy Days, and festivals. Concise and easy to consult, The Encyclopedia of Jewish Prayer contains several indexes: two title indexes - one in Hebrew and one in transliteration - as well as an index of biblical verses and a name index. Additionally, a glossary defining technical terms and vocabulary associated with the prayers is provided. This important, one-of-a-kind reference volume is ideal for scholars, students, and others who want to know more about Jewish tradition.

Exploring Sephardic Customs and Traditions Marc Angel, 2000

Over the centuries, Jewish communities throughout the world adopted customs that enhanced and deepened their religious observances. These customs, or minhagim, became powerful elements in the religious consciousness of the Jewish people. It is important to recognize that minhagim are manifestations of a

religious worldview, a philosophy of life. They are not merely quaint or picturesque practices, but expressions of a community's way of enhancing the religious experience. A valuable resource for Sephardim and Ashkenazim alike.

The Siddur Companion Paul H. Vishny, 2005 There is an architecture to the Siddur which is truly a work of splendor. It was not created by one hand, nor at one time or in one place. The Siddur records the Jewish People's joyous searching for God, but it also records their longing for redemption, even as the text frequently marks suffering and hostile surroundings. This work is intended to form the background for a meaningful devotion to prayer, during the week and on the major festivals. It will help guide the novice through the different prayers and make these prayers more understandable and fulfilling. It will also give the daily davener a sense of where these prayers came from, how the rabbis developed them, and even their deeper purpose and meaning.

Siddur Sha'ar Zahav Sha'ar Zahav, 2009-01-01 Congregation Sha'ar Zahav's first siddur appeared in 1982. It was revised in 1994 and again in 2000. The richness of this siddur, like the Sha'ar Zahav community, is rooted in its integration of Jewish tradition

with egalitarian, feminist, and LGBTQ-positive ideas and language. With this edition, we have sought to continue and expand the Sha’ar Zahav tradition of creating liturgy that reflects who we are. The compilers of the 2000 edition wrote: “A Jewish prayer book which had nothing in common with the traditional siddur would lack the wealth of history which connects our worship with Jewish practice around the world and over the centuries. On the other hand, many of us are uncomfortable with some of the imagery and language found in the prayer books of the major Jewish denominations in the United States. With this prayer book, we have attempted to capture the spirit of Jewish liturgy while avoiding the objectionable elements.” When Congregation Sha’ar Zahav was founded in 1977, only a handful of synagogues offered full acceptance to bisexual, transgender, lesbian, gay, and queer-identified Jews. From the outset, Sha’ar Zahav has been a community that is open to all. Sha’ar Zahav is affiliated with the Union for Reform Judaism (URJ), and this siddur reflects many of the innovations of the Reform movement as well as the URJ’s commitment to an evolving liturgical tradition. The members of Congregation Sha’ar Zahav – the authors of most of the new material in this siddur – come from many varied backgrounds,

movements, affiliations, traditions, and practices. Some identify with Ashkenazi, Sephardi, or Mizrahi traditions. Some were born into Jewish families, while some chose Judaism. We are young and old and every age in between. We have sought to reflect both our shared traditions and our differences in our liturgy. In order to create a spiritual home for all who choose to enter our gates, and in order to develop a siddur which will continue to resonate with the congregation and reflect our community's diversity, we have tried to cast a wide liturgical net. We have drawn from the traditions we have been handed, we have sought out sources that have been hidden, and we have tapped the creative gifts of our own community. In this edition, we have been mindful of, and have sought to expand, the principles which have distinguished this siddur in the past: using non-sexist language when referring to both people and God; restoring visibility to women throughout Jewish tradition; speaking directly to the experience of lesbian, gay, bisexual, transgender, and queer-identified people; understanding the concept of Jewish chosenness as uniqueness; envisioning the Messianic time as the fulfillment of tikkun olam, the repair of the world, and seeing ourselves as participants in the holy work of repair. Siddur Sha'ar Zahav includes alternative English versions of

prayers, and alternative Hebrew and Aramaic, so that our values can be reflected in all of our languages of prayer. Because of the gravity of altering wording that may be hundreds of years old, we spent considerable time developing guidelines for Hebrew prayers. In keeping with the Sha'ar Zahav tradition, we decided not to remove customary versions of prayers, but to add new versions alongside them. We did not alter any passages taken from the Torah, except to ensure gender inclusivity, which is noted in the text. Nor did we alter prayers such as the Mourners' Kaddish, which serve so powerfully to connect us to the Jewish people across time and space. Where we did create new Hebrew versions, we followed a set of principles, which are discussed in the appendices. Siddur Sha'ar Zahav endeavors to respect the varied, and at times contradictory, sensibilities of our people and our congregation. Our goal is for all of us – progressive Jews within the Reform movement's umbrella, regardless of gender identity or sexual orientation – to see ourselves reflected in our liturgy, so that none of us experience the invisibility and exclusion we have historically encountered. Our prayer book attempts to embody the teaching that each of us is created b'tzelem Elohim, "in the image of God." While we know that not every reading will

speak to each of us, we hope that in these pages all of us will find a point of departure for prayer, and for dialogue with the Source of creation.

Ladino Rabbinic Literature and Ottoman Sephardic Culture

Matthias B. Lehmann, 2005-11-03 In this pathbreaking book, Matthias B. Lehmann explores Ottoman Sephardic culture in an era of change through a close study of popularized rabbinic texts written in Ladino, the vernacular language of the Ottoman Jews. This vernacular literature, standing at the crossroads of rabbinic elite and popular cultures and of Hebrew and Ladino discourses, sheds valuable light on the modernization of Sephardic Jewry in the Eastern Mediterranean in the 19th century. By helping to form a Ladino reading public and imparting shape to its values, the authors of this literature negotiated between perpetuating rabbinic tradition and addressing the challenges of modernity. The book offers close readings of works that examine issues such as social inequality, exile and diaspora, gender, secularization, and the clash between scientific and rabbinic knowledge. *Ladino Rabbinic Literature and Ottoman Sephardic Culture* will be welcomed by scholars of Sephardic as well as European Jewish history, culture, and religion.

Siddur Tefillot Moshe Lazar, 1995

Rabbinic Creativity in the Modern Middle East Zvi

Zohar, 2013-06-20 Rabbinic Creativity in the Modern Middle East

provides a window for readers of English around the world into hitherto almost inaccessible halakhic and ideational writings expressing major aspects of the cultural intellectual creativity of Sephardic-Oriental rabbis in modern times. The text has three sections: Iraq, Syria, and Egypt, and each section discusses a range of original sources that reflect and represent the creativity of major rabbinic figures in these countries. The contents of the writings of these Sephardic rabbis challenge many commonly held views regarding Judaism's responses to modern challenges. By bringing an additional, non-Western voice into the intellectual arena, this book enriches the field of contemporary discussions regarding the present and future of Judaism. In addition, it focuses attention on the fact that not only was Judaism a Middle Eastern phenomenon for most of its existence but that also in recent centuries important and interesting aspects of Judaism developed in the Middle East. Both Jews and non-Jews will be enriched and challenged by this non-Eurocentric view of modern Judaic creativity.

That is why it is so powerfully inspiring! - Rabbi Jeff Hoffman, D.H.L., Rabbi-in-Residence and Professor of Liturgy at The Academy for Jewish Religion, NY. Rabbi Steven Schwarzman has gathered a splendid collection of inspiring interpretations of many of the most important prayers in the Siddur. Reading these meaningful and personal readings on the Jewish treasure-house of petitions, supplications, and words of praise, will greatly enhance the spiritual experience of any worshiper. - Rabbi Dov Peretz Elkins, author, IN THE SPIRIT: INSIGHTS FOR
