Note to Self Connor Franta,2017-04-18 In his New York Times bestselling memoir, *A Work in Progress*, Connor Franta shared his journey from small-town Midwestern boy to full-fledged Internet sensation. Exploring his past with humor and astounding insight, Connor reminded his fans of why they first fell in love with him on YouTube—and revealed to newcomers how he relates to his millions of dedicated followers. Now, two years later, Connor is ready to bring to light a side of himself he's rarely shown on or off camera. In this diary-like look at his life since *A Work In Progress*, Connor talks about his battles with clinical depression, social anxiety, self-love, and acceptance; his desire to maintain an authentic self in a world that values shares and likes over true connections; his struggles with love and loss; and his renewed efforts to be in the moment—with others and himself. Told through short essays, letters to his past and future selves, poetry, and original photography, *Note to Self* is a raw, in-the-moment look at the fascinating interior life of a young creator turning inward in order to move forward.

Note 2 Self Daniel Talley,2018-09-24 Every once in a while a book comes along that inspires, encourages, motivates, and makes you laugh. *Note 2 Self: Faithful Inspiration and Aspiration* is thought-provoking and challenges you to determine where you are in your relationship with God through a series of entries the author calls poor man's proverbs. Take notes as you read through the book, pondering where you are in your life with the inspiring goal of ultimately drawing closer to your aspirations. It offers helpful hints on how to accomplish this objective. You will find yourself saying Hmm... quite a bit. Winding roads from whatever path all walks of life upon which to embark by God-given choices we all have. Faith, strength, endurance, humor, and love are momentous elements needed to keep pace in this challenging world. For believers and unbelievers alike, this inspired work will invoke avid readers as God intended. Absolutely and overwhelmingly provoking! It is not a book that can be read in just an hour. The amazing power of pondering the words of each poor man's proverb, quietly forces self-reflection and insight while drawing you closer to a life God intended. Stacey R. Walters N.C. Note to Self Nicole A. Jones, The key to a promotion can be a good presentation. Poor oral and bodily hygiene can be as offensive as foul language. These points are presented in the second book in the "Note to Self" series by Dr. Nicole A. Jones *Note to Self: When you get the job*. In this book of reminders, Nicole A. Jones discourages complacency when pursuing any tasks assigned. She encourages readers to pursue assignments in the manner in which life advances them forward.

Note to Self: When you get your money Nicole A. Jones,2015-07-22 At times we tend to receive the greatest moment of financial clarity after our money has already been spent. It seems we clearly recognize all of our poor financial choices after our funds have already been expended. *Note to Self: When you get your money* is a book of personal recaps of financial steps to consider before spending money. It is filled with personal notes regarding day to day financial encounters and how to think through them before making financial decisions. Each chapter is written based on biblical principles and encourages readers to thoroughly reason through their financial commitments rather than spend money impulsively.

Note to Self Alina Simone, 2013-06-04 A witty, keenly observant look at our Internet-obsessed culture Anna Krestler is adrift. The Internet has draped itself, kudzu-like, over her brain, which makes it even more difficult to confront the question of what to do when she is dismissed from her job as a cubicle serf at a midtown law firm. Despite the exhortations of Leslie, her friend and volunteer life coach, Anna seeks refuge in the back alleys of craigslist, where she connects with Taj, an adherent of a nebulous movement known as Nowism that occupies the most self-absorbed fringes of the art world. Art, Anna decides, is what will provide the meaningful life she's been searching for and knows she deserves. She joins Taj's crew and is drawn into his grand experimental film project. But making art is hard and microwaving pouch foods is easy. Soon enough Anna finds herself distracted by myriad other quests: remembering to ask Leslie How are you?, reducing her intake of caloric drinks, and parrying her mother's insistence that she attend hairdressing school. But when Anna's twenty-seven-year-old roommate—a perpetual intern named Brie—announces her pregnancy, it forces Anna to confront reality, setting off a chain of events that lead to a horrifying climax of betrayal. Alina Simone's Note to Self is a shrewdly perceptive, hilarious, moving tale about friendship, art, and the search for a meaningful life in an era of rampant narcissism.

Note to Self Gayle King, 2019-04-30 In this New York Times bestseller, Gayle King collects her favorite inspiring letters from the popular CBS This Morning segment Note to Self, in which twenty-first century luminaries pen advice and encouragement to the young people they once were. What do Congressman John Lewis, Dr. Ruth, and Kermit the Frog wish they could tell their younger selves? What about a gay NFL player or the most successful female race car driver? In Note to Self, CBS This Morning cohost Gayle King shares some of the most memorable letters from the broadcast's popular segment of the same name. With essays from such varied figures as Oprah, Vice President Joe Biden, Chelsea Handler, and Maya Angelou—as well as poignant words from a Newtown father and a military widow—Note to Self is a moving reflection on the joys and challenges of growing up and a perfect gift for any occasion.

Note to Self (Foreword by Sam Storms) Joe Thorn, 2011-04-07 We need good preaching—preaching that challenges us by God's Word and brings the comfort that comes from God's promises. Yet many of us rely solely on others to preach to us and are not benefitting from the kind of preaching that should be most consistent and personal—preaching to ourselves. Note to Self is a practical introduction to this daily discipline. Pastor Joe Thorn delivers fifty brief, devotional chapters that model preaching the gospel to ourselves and its practical implications. Readers will be challenged by the book's direct, personal exhortations to apply the law and the gospel to their own lives. Part of the Re:Lit series.

Note to Self Andrea Buchanan, 2009-01-06 Thirty inspiring women share the

enduring lessons they have learned from the defining moments of their lives. Life rarely works out exactly as we plan. Rejection by a cherished friend, the onset of an unexpected illness, struggle with body image and self-perception -- these experiences may challenge us, but our triumphs come to define us. We find comfort, joy, tears, and laughter in the wisdom, insight, and empathy we gain. In *Note to Self*, thirty dynamic women share their inspirational stories with writer, director, and television and film producer Andrea Buchanan. Celebrities such as Grammy Award-winning rock star Sheryl Crow and Emmy Award-winning actress Camryn Manheim join stuntwoman Stacy Courtney, football player Katie Hnida, seventy-year-old HIV-positive grandmother Beverly London, and alcoholic-turned-interventionist Candy Finnigan to reflect on their unforgettable stories of redemption. Punctuated by tears and laughter, these poignant tales are full of incredible strength, invaluable knowledge, insurmountable odds, helpful survival instincts, amazing willpower, humiliation -- sometimes on a national level -- and a hefty dose of humor. These unstoppable women emerged stronger, wiser, and more successful from the often painful and humbling turning points in their lives. While none of their unique stories will fit neatly on a sticky note you can tape to your wall, each of them carries an indelible message that can.

Note to Self Mia Brabham, 2020-06-13 It started as this: a journal. A private diary of moments in time, a collection of personal life lessons and questions, an assemblage of knowledge from a girl who knows nothing, really, but might know a thing or two. In these personal thoughts-turned-quotes, Mia Brabham explores life's questions and makes bold observations. The punchy yet soulful musings are whimsical and self-effacing; self-deprecating and kind. They're raw, they're tough love, they're tender affection. They were written tired and inspired. Hungry for more and full with what she had. They were written with intense honesty, or at least her version of it, because who was ever going to read them? They're about how dreams are secretly shapeshifters, and how people can be simultaneously amazing and crummy. They're about how heartbreak molds you and how love is not only a feeling but also a choice. These thoughts are about how decisions are hard but less hard when you realize that existing is about what makes your soul sing. About how this life is playful, and scary, and above all things -- beautiful. These quotes have been lived. These quotes are stories. This little book of ponderings is the perfect gift for anyone with an affinity for words and wisdom who is ready to become more of themselves.

House Fires Connor Franta, 2021-10-19 The New York Times bestselling author of *A Work in Progress* and *Note to Self* moves fully into adulthood with his illuminating, soulful, bleeding collection of narrative, poetry, and original film photography. Humanitarian, entrepreneur, and content creator Connor Franta first captivated readers with *A Work In Progress*, ruminating on his Midwestern roots to his early start as a visionary and online thought-leader. He continued his soul-searching-through-a-broken-heart with *Note to Self*, challenging readers--and himself--to ponder the spectrum of humanity and their place within it. Now as Franta approaches thirty, life is no less confusing, but he finds this journey endlessly fascinating. Writing about confusion and clarity, loneliness and whirlwind romances, despair and elation--and everything in between--Franta invites readers back into the intimacy of his mind. *House Fires* magnifies a young man's emotional warfare with his past,

the daze of wandering through modern times in search of purpose, and the electricity flying from tomorrow's potential.

Today's Note to Self Geraldine Tegelove,2012-01-23 When Nature Spirits speak, it is truly time to listen, for they speak with love and gentleness such powerful messages that are the answers to all our longings. It is in those precious moments of time when we embrace the twinkling of a star, the rustle of a leaf, the flutter of a butterfly's wing or the unfolding of a petal, that time stops, we become ageless, and we hear the whisperings of Spirit. This book offers a completely new and unique way of looking into the mystical world of nature. Today's Notes to Self capture beautifully Nature Spirits' treasured messages of hope and inspiration, and the practical steps to living as a modern day mystic. 'Today's Note to Self' is a beautiful book of meditation-like observations captured in the field... There is something tranquil and reassuring about this book; perhaps it's the way it invites us to look to Nature for answers, or the confirmation it offers about life and the place we hold in the world... I encourage you to read this beautiful book. It's a keeper, that's for sure!' - Scott Alexander King, author of Animal Dreaming and the Animal Dreaming Oracle Cards www.animaldreaming.com
