A Practical Hands-on Approach to Database Forensics Nhien-An Le-Khac, Kim-Kwang Raymond Choo, 2022-10-21 Adopting an experimental learning approach, this book describes a practical forensic process to acquire and analyze databases from a given device and/or application. Databases hold important, sensitive, and/or confidential information and are a crucial source of evidence in any digital investigation. This also reinforces the importance of keeping up to date on the cyber-threat landscape as well as any associated database forensic challenges and approaches. The book also guides cyber-forensic researchers, educators, and practitioners through the process of conducting database forensics and investigations on mobile devices, Internet of Things (IoT) devices, web browsers, and end-to-end encrypted instant messaging applications. Given the fast-changing database forensics landscape, this book will be of interest to researchers, educators, and practitioners in the field, as well as students who want to learn about the database investigation.

Take Control of iOS 16 and iPadOS 16 Josh Centers, 2022-12-23 Update your iPhone and iPad knowledge\ Version 1.3, updated December 23, 2022 iOS 16 and iPadOS 16 introduce new features and

customization options for your iPhone or iPad. Once again, TidBITS Managing Editor Josh Centers is here to help you learn what's new in Take Control of iOS 16 and iPadOS 16. This book also serves as a general guide to the basics of using iOS and iPadOS, including getting started with common apps such as Siri, Messages, and Camera. Anyone with an iPhone or iPad probably knows that Apple releases major new versions of their operating systems (iOS and iPadOS, respectively) every fall. The version 16 releases in 2022 once again add important new features and provide more ways to tailor your device to your needs. As he has done for quite a few years, Josh Centers provides in-depth coverage of the features that are new or different. This time, however, in response to reader feedback, Josh has provided more information about the things that haven't changed, giving you a book that helps you get up to speed with your iPhone or iPad, understand the quirks of the user interface, and become proficient in using the most important built-in apps. Although it is not intended as a comprehensive guide to everything an iPhone or iPad can do, it's now suitable for beginners and long-time iOS/iPadOS users alike. Among the many topics covered in the book are:

- A complete list of what's new in iOS 16 and iPadOS 16—in 35 major categories
- Information on what each of the built-in apps does
- How to use and customize the Lock screen, Control Center, and Home screen
- Creating and using Focus modes for enhanced Do Not Disturb settings
- Using Handoff to start tasks on one device and then continue them on another
- How to search with Spotlight
- Making the most of Siri

for getting information and performing tasks • Working with keyboards (built-in and external) for text editing, emojis, and more • Sharing almost any content with others in a variety of ways • Special iPad-exclusive features (including Stage Manager on iPads with Apple M-series chips) • How to communicate using Apple's Messages app • Using the built-in Camera app for photos and videos • Configuring your device's accessibility features, including Live Captions for real-time transcriptions of audio

DOS Programming Kris Jamsa, 1991 Internationally renowned DOS expert Kris Jamsa is back with a complete reference for DOS programmers. Jamsa provides in-depth programming information and details all function calls and programming services necessary to take full advantage of DOS. Includes numerous examples to enable DOS programmers to expand their skills.

Windows 8: The Missing Manual David Pogue, 2013-02-27 With Windows 8, Microsoft completely reimagined the graphical user interface for its operating system, and designed it to run on tablets as well as PCs. It's a big change that calls for a trustworthy guide—Windows 8: The Missing Manual. New York Times columnist David Pogue provides technical insight, lots of wit, and hardnosed objectivity to help you hit the ground running with Microsoft's new OS. This jargon-free book explains Windows 8 features so clearly—revealing which work well and which don't—that it should have been in the box in the first place.

Take Control of iOS 17 and iPadOS 17 Josh Centers,2024-04-03 Teach your iPhone or iPad new tricks Version 1.2, published April 3, 2024 Josh Centers is back with his tenth book on Apple's

mobile operating systems. This guide for users of iPhones and iPads explores the new features and interface changes in iOS 17 and iPadOS 17. It also covers iOS and iPadOS basics, such as working with the Lock screen, Control Center, and Home screen, and using built-in apps like Camera, Messages, and Siri. Whether you're upgrading an iPhone or iPad to Apple's latest mobile operating systems or trying to master the obscure ins and outs of your device, *Take Control of iOS 17 and iPadOS 17* is here to help. As he has done since 2014, Josh Centers explores what's new and different in this year's releases, including Contact Posters, improved autocorrect and predictive text, interactive Home screen widgets, accessibility improvements, offline maps, animated video reactions, and much more. In addition, the book includes information about many basic iPhone and iPad features, even if they haven't changed recently. Although this book is not intended as a comprehensive guide to everything an iPhone or iPad can do, it's suitable for beginners and long-time iOS/iPadOS users alike. Among the many topics covered in the book are:

- A complete list of what's new in iOS 17 and iPadOS 17
- How to create and use Contact Posters
- Working with interactive Home screen widgets
- Using Live Speech and Personal Voice to assist in communication
- Adding animated reactions to video calls
- How to use new features in apps like Find My, Freeform, Health, Home, Notes, Reminders, and Safari
- Downloading maps for offline use
- Information on what each of the built-in apps does
- How to use and customize the Lock screen, Control Center, and Home screen

Windows Phone 8 Superguide , Windows Phone 8 is unlike any of Microsoft's previous mobile operating systems, and users recognize it. The OS is a very different beast than Apple's iOS or Google's Android system, and has a lot of great things going for it: a fluid and gorgeous user interface, great starter apps, and intuitive features you won't find elsewhere. It can show you all of your social media updates in one screen, it's almost endlessly customizable, and it smoothly integrates with your other machines, be they desktops, smartphones, or tablets. Windows Phone 8 is a major upgrade from the previous incarnation, and it continues to gain fans and supporters because it does things in a distinctly different way than other mobile operating systems. As the OS matures, Microsoft is adding more and more functionality and apps, and more and more people are realizing there's definitely a space for it in the smartphone market. We hope you enjoy our Superguide, but, more importantly, we hope you'll enjoy Windows Phone 8 as much as we do. It's a unique OS, and we're pleased to recommend

it.

Notification Switcher Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations.

Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will

explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Notification Switcher free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing

options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When

it comes to downloading Notification Switcher free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF

downloads on a specific topic. While downloading Notification Switcher free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Notification Switcher. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu,

provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Notification Switcher any PDF files. With these platforms, the world of PDF downloads is just a click away.
